CHAPTER NO. 2

AN ACT TO CHANGE 'INFANT' TO 'MINOR' WHERE APPROPRIATE THROUGHOUT THE CODE IN ORDER TO ACHIEVE CONSISTENCY WITH TITLE 41, MCA; AMENDING SECTIONS 15-30-135, 25-5-301, 27-1-319, 70-29-102, 70-29-209, 70-29-210, 70-29-303, 70-29-305, 70-29-306, 70-29-327, 72-14-302, AND 72-20-407, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-30-135, MCA, is amended to read:

"15-30-135. Tax on beneficiaries or fiduciaries of estates or trusts. (1) A tax shall be imposed upon either the fiduciaries or the beneficiaries of estates and trusts as hereinafter provided, except to the extent

HeinOnline -- 1983 vol. I 1 1983

such estates and trusts shall be held for educational, charitable, or religious purposes, which tax shall be levied, collected, and paid annually with respect to the income of estates or of any kind of property held in trust, including:

(a) income received by estates of deceased persons during the period of administration or settlement of the estate;

(b) income accumulated in trust for the benefit of unborn or unascertained persons or persons with contingent interests;

(c) income held for future distribution under the terms of the will or trust;

(d) income which is to be distributed to the beneficiaries periodically, whether or not at regular intervals, and the income collected by a guardian of *a minor*, to be held or distributed as the court may direct; and

(e) income of an estate during the period of administration or settlement permitted by subsection (3) of this section to be deducted from the net income, the tax with reference to which is to be paid by the fiduciary.

(2) The fiduciary shall be responsible for making the return of income for the estate or trust for which he acts, whether the fiduciary or the beneficiaries be taxable with reference to the income of such estate or trust. The net income of an estate or trust shall be computed in the same manner and on the same basis as provided in this chapter for individual taxpayers, except that there shall also be allowed as a deduction any part of the gross income which, pursuant to the terms of the will or deed creating the trust, is paid to or held for the United States or any state, territory, or any political subdivision thereof or the District of Columbia. In cases under subsections (d) and (e) of subsection (1) of this section, the fiduciary shall include in the return a statement of each beneficiary's distributive share of such net income, whether or not distributed before the close of the taxable year for which the return is made.

(3) In cases under subsections (a), (b), and (c) of subsection (1) of this section, the tax shall be imposed upon the fiduciary of the estate or trust with respect to the net income of the estate or trust and shall be paid by the fiduciary, except that in determining the net income of the estate of any deceased person during the period of administration or settlement, there may be deducted the amount of any income properly paid or credited to any legatee, heir, or other beneficiary. In such cases, the fiduciary of the estate or trust shall be allowed the same exemptions as are allowed to single persons under 15-30-112 and the fiduciary of any estate or trust created by a person not a resident or of an estate of a person not a resident shall be subject to a tax only to the extent to which individuals other than residents are liable under 15-30-131.

(4) (a) There shall be allowed as an additional deduction in computing the net income of the estate or trust the amount of the income of the estate or trust for its taxable year which is to be distributed currently by the fiduciary to the beneficiaries and the amount of the income collected by a guardian of *a minor*, which is to be held or distributed as the court may direct, but the amount so allowed as a deduction shall be included in

HeinOnline -- 1983 vol. I 2 1983

computing the net income of the beneficiaries whether distributed to them or not. Any amount allowed as a deduction under this subsection shall not be allowed as a deduction under subsection (4)(b) of this section in the same or any succeeding taxable year.

(b) In the case of income received by estates of deceased persons during the period of administration or settlement of the estate and in the case of income which, in the discretion of the fiduciary, may be either distributed to the beneficiary or accumulated, there shall be allowed as an additional deduction in computing the net income of the estate or trust the amount of the income of the estate or trust for its taxable year which is properly paid or credited during such year to any legatee, heir, or beneficiary, but the amount so allowed as a deduction shall be included in computing the net income of the legatee, heir, or beneficiary.

(c) If the taxpayer's net income for such taxable year is computed upon the basis of a period different from that upon the basis of which the net income of the estate or trust is computed, then his distributive share of the net income of the estate or trust for any accounting period of such estate or trust ending within the fiscal or calendar year shall be computed upon the basis on which such beneficiary's net income is computed. In such cases, a beneficiary not a resident shall be taxable with respect to his income derived through such estate or trust only to the extent provided in 15-30-131 for individuals other than residents.

(5) The fiduciary of a trust created by an employer as a part of a stock bonus, pension, or profit-sharing plan for the exclusive benefit of some or all of his employees, to which contributions are made by such employer or employees, or both, for the purpose of distributing to such employees the earnings and principal of the fund accumulated by the trust in accordance with such plan, shall not be taxable under this section, but any amount contributed to such fund by the employer and all earnings of such fund shall be included in computing the income of the distributee in the year in which distributed or made available to him.

(6) Where any part of the income of a trust other than a testamentary trust is or may be applied to the payment of premiums upon policies of insurance on the life of the grantor (except policies of insurance irrevocably payable for the purposes and in the manner specified relating to the so-called "charitable contribution" deduction) or to the payment of premiums upon policies of life insurance under which the grantor is the beneficiary, such part of the income of the trust shall be included in computing the net income of the grantor."

Section 2. Section 25-5-301, MCA, is amended to read:

"25-5-301. Appointment of guardian. When a guardian ad litem is appointed by the court, he must be appointed as follows:

(1) when the *minor* is plaintiff, upon the application of the *minor* if he be of the age of 14 years or, if under that age, upon the application of a relative or friend of the *minor*;

(2) when the *minor* is defendant, upon the application of the *minor* if he be of the age of 14 years and apply within 10 days after the service of

HeinOnline -- 1983 vol. I 3 1983

the summons or, if under that age or if he neglects so to apply, upon the application of a relative or friend of the *minor* or of any other party to the action;

(3) when an insane or incompetent person is party to an action or proceeding, upon the application of a relative or friend of such insane or incompetent person or of any other party to the action or proceeding."

Section 3. Section 27-1-319, MCA, is amended to read:

"27-1-319. Willful holding over of real property. For willfully holding over real property by a person who entered upon the same as guardian or trustee for *a minor* or by right of an estate terminable with any life or lives, after the termination of the trust or particular estate, without the consent of the party immediately entitled after such termination, the measure of damages is the value of the profits received during such holding over."

Section 4. Section 70-29-102, MCA, is amended to read:

"70-29-102. Action by minor. (1) An action for the partition of real property shall not be brought by *a minor*, except by the written authority of the district judge of the county in which the property or a part thereof is situated. The authority shall not be given unless the district judge is satisfied, by affidavit or other competent evidence, that the interests of the *minor* will be promoted by bringing the action.

(2) A judgment for a partition shall not be rendered in such an action unless the court is satisfied that the interests of the *minor* will be promoted thereby and that fact is expressly recited in the judgment.

Section 6. Section 70-29-210, MCA, is amended to read:

Section 7. Section 70-29-303, MCA, is amended to read:

(2) All sales contrary to the provisions of this section are void."

Section 8. Section 70-29-305, MCA, is amended to read:

Section 9. Section 70-29-306, MCA, is amended to read:

(1) shares of any known owner of full age, in the name of such owner;

(2) shares of *a minor*, in the name of the guardian of such *minor*; and

(3) other shares, in the name of the clerk of the court of the county and his successors in office."

Section 10. Section 70-29-327, MCA, is amended to read:

"70-29-327. Minor's share of proceeds — payment to guardian. Such action must be brought within 5 years from the date on which the money or property is received by the state treasurer, saving, however, to *minors* and persons of unsound mind or citizens of the United States beyond the limits of the United States, the right to commence their action at any time within the time limited or 5 years after their respective disabilities cease."

Section 12. Section 72-20-407, MCA, is amended to read:

HeinOnline -- 1983 vol. I 5 1983

"72-20-407. Objections to account — hearing — decree. (1) Upon or before the return day, any beneficiary of the trust may file his written objections or exceptions to the account filed or to any action of the trustee or trustees set forth therein.

(2) The court may appoint either the legal guardian of a beneficiary or a guardian ad litem to represent the interest of any such beneficiary who is *a minor* or of unsound mind or otherwise legally incompetent or who is yet unborn or unascertained, and such beneficiary shall be bound by any action taken by such representative. Every unborn or unascertainable beneficiary shall be concluded by any action taken by the court for or against any living beneficiary of the same class or whose interests are similar to the interests of such unborn or unascertainable beneficiary.

(3) At the same time or at some later day fixed by the court if so requested by one or more of the parties, the court, without the intervention of a jury and after hearing all the evidence submitted, shall determine the correctness of the account and the validity and propriety of all actions of the trustee or trustees set forth therein, including the purchase, retention, and disposition of any of the property and funds of the trust and shall render its decree either approving or disapproving the same or any part thereof and, in addition, may surcharge the trustee or trustees for all losses, if any, caused by negligent or willful breaches of trust."

Such articles shall be signed, sealed, and acknowledged in the form now provided by the statutes of this state for the conveyance of real estate and shall include the following:

HeinOnline -- 1983 vol. I 10 1983

Section 8. Section 32-2-211, MCA, is amended to read:

"32-2-211. Transfer of stock or account — effect. *(1)* The delivery of a *capital* stock certificate of a building and loan association to a bona fide purchaser or pledgee for value, together with a written transfer of the same or a written power of attorney to sell, assign, or transfer the same, signed by the owner of the certificate, shall be a sufficient delivery to transfer the title as against the creditors of the transferor and subsequent purchasers; but no such transfer shall affect the right of the building and loan association to pay any dividend due upon the stock or treat the holder of record as the holder in fact until such transfer is recorded upon the books of the building and loan association or a new certificate is issued to the person to whom it has been transferred.

(2) A savings account or any interest therein is transferable on the books of the association only upon proper written application and acceptance by the association of the transferee as a member, subject to terms

HeinOnline -- 1983 vol. I 12 1983

approved by the board of directors. The association may treat the holder of record of a savings account as the owner thereof without being affected by any notice to the contrary unless the association has acknowledged in writing the receipt of notice of a pledge of the savings account."

Section 9. Section 32-2-212, MCA, is amended to read:

"**32-2-212. Requirements of transfer in certain cases.** When a certificate of stock *or a savings account* in a building and loan association is owned by persons residing out of the state or is lost, the president, secretary, or directors of such association, before entering any transfer of such stock *or account* on its books or before issuing a new certificate therefor to the transferee or owner, may require from the attorney or agent of the owner or from the person claiming under the transfer an affidavit or other evidence that the owner was alive at the date of the transfer or that the original certificate is lost and has not been assigned or transferred and may also require from the attorney, agent, or claimant a bond of indemnity, with a surety or sureties satisfactory to the officers of such association, to protect such association against any liability to the owner, assignee, or transferee of such shares *or account* or the legal representatives of the owners of such shares *or account*, in case of his or her death before the transfer, and also to protect *the* association against any liability accruing or resulting by reason of said lost or original certificate being thereafter presented to it. If *the* affidavit or other evidence or bond *is* not furnished when required as herein provided, neither *the* association nor any officer thereof shall be liable for refusing to enter the transfer on the books of the association."

Section 10. Section 32-2-221, MCA, is amended to read:

"**32-2-221. (a) the name of the association and the location of its principal office or place of business outside this state and the location of the place of business or principal office in this state;

(b) the names and residences of the officers, trustees, or directors;

(c) the amount of capital stock, *if any, and savings liability*;

Section 12. Section 32-2-231, MCA, is amended to read:

"32-2-231. Consolidation and transfer — branching prohibited. (1) Only building and loan associations organized and chartered under the laws of the state of Montana may, with the approval of the department, consolidate and become incorporated in one body, with or without any dissolution or division of the funds or property of any of them. Any association may transfer its engagements, funds, and property to any other association upon terms agreed upon by a majority vote of the respective board of directors and ratified by a two-thirds vote of the shares *or members owning at least two-thirds of the withdrawable deposits in the association,* present and voting in person or by proxy at a special meeting or meetings of the stockholders *or members* of the respective associations convened for that purpose, upon notice given as provided by law; the notice to state the object of the meeting. A transfer may not prejudice any right of any creditor of the association.

(2) Branching by merger or branching otherwise between a building and loan association organized and chartered under the laws of Montana and a building and loan association organized and chartered under the laws of any other state is prohibited. Branching de novo in Montana by a foreign-chartered building and loan association is prohibited.

(3) Insofar as this section limits or reduces the rights, powers, or privileges of building and loan associations previously granted by law, it shall apply only to proposed consolidations or mergers of associations which are initiated by action taken by their board of directors and shareholders subsequent to April 14, 1977."

Section 13. Section 32-2-301, MCA, is amended to read:

"32-2-301. Examinations by department. The department shall examine all building and loan associations doing business in this state at least once a year. Also, when the holders of 10% of the subscribed stock *or members holding 10% of the withdrawable deposits* of an association file a written application with the department requesting it to make a special examination of an association, it shall make the examination immediately. The expense of the examiner making the examination shall be paid by the association examined, and the examiner's finding shall be available to the petitioners and the board of directors of the association notwithstanding any provisions to the contrary contained in this chapter."

Section 14. Section 32-2-309, MCA, is amended to read:

"32-2-309. Insolvency or impairment of association — powers of department. (1) When it appears to the department that the

HeinOnline -- 1983 vol. I 14 1983

affairs of a building and loan association are in an unsound condition or that it is conducting its business in an unsafe or unlawful manner, the department may take possession of all books, records, and assets of every description of the association and retain possession of them pending the further proceedings specified in this section.

(2) If the board of directors, secretary, or person in charge of the association refuses to permit the department to take possession, the department shall communicate that fact to the attorney general. The attorney general shall at once institute the proceedings necessary to place the department in immediate possession of the property of the association.

(3) Upon taking possession of the effects of the association, the department shall prepare a full and true statement of the affairs and condition of the association, including an itemized statement of its assets and liabilities, and shall receive and collect all debts, dues, and claims belonging to it and pay the immediate and reasonable expenses of the department's trust.

(4) When the condition of the association has been fully ascertained and it appears that the affairs of the association are in fact in an unsound condition, the department shall at once notify, in writing, the board of directors of the association of its decision, giving them 20 days in which to restore the affairs of the association to sound condition.

(5) Meanwhile, the department shall remain in charge of the books, records, and assets of every description of the association, shall attend or be represented at all directors and stockholders *or members* meetings held, and shall suggest those steps it considers necessary to restore the association to a sound condition.

(6) If the association is not restored to a sound condition within 20 days, the department shall report the facts to the attorney general. The attorney general shall institute proceedings in the district court of the county in which the association has its principal place of business for the appointment of the department as receiver.

(7) As receiver, the department may collect all moneys due the association and may do those other acts which are necessary to conserve its assets and business, and it shall liquidate the association's affairs. The department may, except as otherwise limited by the terms of this chapter, do any acts necessary or, in its discretion, desirable for the protection of the property and assets of the association and the speedy and economical liquidation of its assets and affairs and the payment of its creditors or for the resumption of business of the association where that is practicable or desirable. The department may institute in its own name or in the name of the association those legal proceedings it considers expedient for those purposes.

(8) By applying to the district court of the county in which the association is located, or to the judge thereof in chambers, the department may, upon sufficient showing of cause, obtain an order to sell, compromise, or compound any bad or doubtful debt or claim and to sell any of the assets.

HeinOnline -- 1983 vol. I 15 1983

The sale may be made to stockholders, *members,* officers, directors, or others interested in the association, on consent of the court. On the proceedings the association shall be made a party by notice issued on order of the court or judge, in place of summons but served in like manner. The hearing of the application or petition by the department may be had at any time, either in term or vacation in court or in chambers, as the court may order, after the association has had 5 days' notice of the application."

Section 15. Section 32-2-401, MCA, is amended to read:

"32-2-401. Powers and duties of building and loan associations. A building and loan association may:

(1) have continual succession by its corporate name;

(3) make and use a common seal and alter it at pleasure;

(4) appoint those officers or agents the business of the corporation requires and pay them suitable compensation;

(5) enter into obligations or contracts essential to the transaction of its ordinary affairs or for the purposes of the corporation;

(6) issue stock to *stockholders and savings certificates to* members on the terms and conditions the *articles of incorporation* and bylaws provide;

"32-2-404. Savings account withdrawal. (1) No charge or fee, except as provided in this section, may be made against a member who withdraws his *savings*, after having given 30 days' notice of the withdrawal. No fine of any description may be made upon the value of that *savings account* because of the withdrawal. A member who withdraws his *savings* or whose *savings account* is matured is entitled to receive all *sums* paid in and all *interest* declared, less interest, if any, as provided in 32-2-402, less a reasonable membership fee not exceeding 2% of the *amount* of *his deposit*, and less a pro rata share of all losses, if any, which have occurred. The amount to be set aside to the fund for contingent losses shall be determined by the board of directors, but in all permanent or serial associations at least 5% of the net earnings shall be set aside each year for such fund until it reaches at least 5% of the book value of the *savings deposits*. All losses shall be paid out of such fund until the same is exhausted, and whenever the amount in said fund falls below 5% of the *savings deposits*, it shall be replenished by annual appropriations of at least 5% of the earnings, as hereinbefore provided, until it again reaches said amount."

Section 18. Section 32-2-416, MCA, is amended to read:

"32-2-416. Joint ownership. Any building and loan association may issue *savings certificates and* shares to or in the name of two or more persons, whether husband and wife or otherwise; withdrawal by any one of such persons and the receipt or acquittance of any one of such persons shall be valid and sufficient release and discharge to the association for such withdrawals, regardless of the death or disability of any other such joint shareholder *or certificate holder*."

Section 19. Section 32-2-417, MCA, is amended to read:

Section 21. Section 32-2-431, MCA, is amended to read:

"32-2-431. Voluntary liquidation and settlement. (1) With the consent of the department, an association organized under the laws of and doing business in this state, may, if the *members or* stockholders consider it advisable, go into liquidation. For the purpose of so doing it may, at any regular or called meeting of the *members or* stockholders, adopt a resolution declaring that the association intends to go into liquidation and discontinue business as a building and loan association. A copy of the resolution, duly certified by the president and secretary of the association, under the seal thereof, shall be transmitted to the department within 10

HeinOnline -- 1983 vol. I 18 1983

(3) All of the income and receipts of the association in excess of the actual expense of managing it shall be applied to pay off first the indebtedness and the *savings accounts* in the association upon which no loans have been made, the same to be paid pro rata, *then to pay off the capital stock in the association, pro rata.*

(4) The board of directors of the association in liquidation may adopt those rules and make those orders which are just and equitable for the sale and disposition of all property held by the association and for the division of the assets of the association.

(5) The association in liquidation may be examined by and shall be under the supervision of the department."

Section 22. Section 32-2-432, MCA, is amended to read:

(1) The directors of such building and loan association, by and with the approval of the department, may, upon such terms as may be agreed upon and ratified by the members *or stockholders* of such association, reorganize such association and resume business as an active building and loan association.

(2) Ratification by members *or stockholders* thereof shall be expressed at a regular or special meeting of members duly called for that purpose, at which meeting a majority of the outstanding stock *in a capital stock association or withdrawable deposits in a mutual association* voting, either in person or by proxy, shall be sufficient to adopt such proposal.

HeinOnline -- 1983 vol. I 19 1983

accordance with the laws governing such association, such shareholders *or members*, by an affirmative vote of the majority of the shareholders *or members*, in person or by proxy, may declare by resolution the determination to convert the association into a federal savings and loan association.

(2) A copy of the minutes of the meeting of the shareholders *or members* verified by the affidavit of the president or vice-president and the secretary of the meeting shall be filed with the department within 10 days after the meeting. The verified copy of the minutes of such meeting when so filed shall be presumptive evidence of the holding and of the action of such meeting.

(3) Within a reasonable time and without any unnecessary delay after the adjournment of such meeting of shareholders *or members*, such association shall take any action necessary to make it a federal savings and loan association, and within 10 days after receipt of the federal charter there shall be filed with the department a copy of the charter issued to such association by the federal home loan bank board or a certificate showing the organization of such association as a federal savings and loan association certified by or on behalf of the federal home loan bank board. Upon the filing of such instrument such association shall cease to be a state association and shall thereafter be a federal savings and loan association."

Section 24. Section 32-2-501, MCA, is amended to read:

"32-2-501. Associations empowered to make loans on securities authorized by National Housing Act. Subject to such regulations as may be prescribed by the federal housing administrator, pursuant to an act of congress cited as the "National Housing Act", approved by the president on June 27, 1934, and all amendments thereto as well as any amendments hereafter duly passed and approved, building and loan associations qualified to do business in this state are hereby empowered to make such loans, secured by mortgages upon real estate, and other advances of credit to members or others, charges, investments, purchases, sales, contracts for insurance of mortgages and advances of credit and *members'* accounts, and other contracts as are now, or may hereafter be, authorized or provided for by said National Housing Act and any amendments thereof duly passed and approved."

Section 25. Section 32-2-502, MCA, is amended to read:

"32-2-502. Transactions exempt from operation of state laws. All loans, charges, investments, advances of credit, purchases, sales, contracts for insurance of mortgages and *members'* accounts, and other contracts made pursuant to the powers granted in 32-2-501 through 32-2-503 shall be exempt from the operation and application of the general statutes of this state in conflict with said National Housing Act and the regulations issued thereunder."

Section 26. Section 32-2-503, MCA, is amended to read:

"32-2-503. Application of sections. The provisions of 32-2-501 through 32-2-503 shall apply only to loans, advances of credit, charges, investments, purchases, sales, contracts for insurance of mortgages and advances of credit and accounts of *members*, and other contracts made in

HeinOnline -- 1983 vol. I 20 1983

connection with and incidental to loans secured by mortgages and to advances of credit, insured or to be insured, and accounts, insured or to be insured, under the provisions of said National Housing Act and amendments thereof duly passed and approved."

Section 27. **Organization of mutual associations.** The incorporators of a mutual association shall appoint one of their number as chairman of the incorporators, and he shall procure from a surety company or other surety acceptable to the department a surety bond in an amount no less than the sum of the amount subscribed by the incorporators and the amount of the expense fund described in [section 28]. The bond shall name the department as obligee and shall be delivered to it. The bond shall assure the safekeeping of the funds described and their delivery to the association after the issuance of a certificate of incorporation and after bonding of the officers of the corporation. In the event of failure to complete organization, the bond shall assure the return of the amounts collected to the respective subscribers or their assigns, less reasonable expenses which shall be deducted from the expense fund. The incorporators, before a certificate of incorporation is issued, shall pay to the chairman in cash, labor, or services actually performed an aggregate amount of at least $500,000, including that part of the original subscription paid by the chairman, as subscriptions to the savings accounts of the proposed association.

Section 28. **Expense fund for mutual association.** (1) In addition to their subscriptions to savings accounts, the incorporators shall create an expense fund of not less than one-half of the minimum amount of savings account subscriptions required to be paid in under this chapter. The expense fund shall be used to pay the expenses of organizing the association, and its operating expenses may be paid from the fund until such time as its net income is sufficient to pay such earnings as may be declared and paid or credited to its savings account holders from sources available for payment of earnings. Before a certificate of incorporation is issued, the incorporators shall deposit to the credit of the chairman of the incorporators the amount of the expense fund, in cash. The amounts contributed to the expense fund by the incorporators shall not constitute a liability of the association except as otherwise provided.

(2) Contributions made by the incorporators and others to the expense fund may be repaid pro rata from the net income of the association after provision for statutory reserves and declaration of earnings of not less than 2% on savings accounts. If the association is liquidated before contributions to the expense fund have been repaid, any contributions to the expense fund remaining unexpended shall be repaid to the contributors pro rata, after the payment of the expenses of liquidation, creditors, and withdrawal value of all savings accounts. The books of the association shall reflect the expense fund. The contributors to the expense fund shall be paid earnings on the amounts paid in by them at the times earnings are regularly distributed to savings account holders; and for this purpose, the contributions shall in all respects be considered as savings accounts of the association.

Section 29. **Organizational meeting.** Within 30 days after the corporate existence of an association begins, the directors of the association

HeinOnline -- 1983 vol. I 21 1983

shall hold an organizational meeting and shall elect officers pursuant to the provisions of this chapter and the bylaws. At the organizational meeting the directors shall take such other action as is appropriate in connection with beginning the transaction of business by the association. The department may extend, by order, the time within which the organizational meeting must be held.

Section 30. **Organization of capital stock associations.** The incorporators of a capital stock association shall appoint one of their number as chairman of the incorporators, and the chairman shall procure from a surety company or other surety acceptable to the department a surety bond in an amount at least equal to the sum of the amount of capital stock contributions and the additional amounts described in [section 31]. The bond shall name the department as obligee and shall be delivered to it. The bond shall assure the safekeeping of the funds described and their delivery to the association after the issuance of the certificate of incorporation and the bonding of the officers. In the event of the failure to complete organization, the bond shall assure the return of the amounts collected to the respective subscribers or their assigns, less reasonable expenses which shall be deducted from the paid-in surplus. Before a certificate of incorporation is issued, the subscribers shall pay to the chairman, in cash, labor, or services actually performed, the capital of such association. The capital shall be the sum of the par or initially stated value of all shares of voting capital stock. Each share of capital stock shall entitle the holder of the share to one vote. The minimum required capital is $500,000.

Section 31. **Capital stock association — surplus fund — verification statement.** (1) In addition to the minimum capital required, the subscribers shall pay an amount equal to not less than 25% of the par or initially stated value of the stock subscribed, which shall be credited to paid-in surplus and may be used to offset losses. The minimum capital and surplus may be used for the reserves required by law and as may be permitted by the board of directors.

(2) Prior to the issuance of a certificate by the department, the incorporators of a proposed association shall file with the department a statement in the form and containing supporting data and proof as the department may require. The statement shall verify that the entire capital and paid-in surplus has been unconditionally paid in and that the funds representing the capital and paid-in surplus, less amounts of the paid-in surplus expended for land, building, supplies, fixtures, equipment, and organization, are on hand.

Section 32. **Issuance of capital stock.** (1) As of the date the corporate existence of a capital stock association begins, the association shall issue such capital stock as necessary to satisfy the minimum capital requirements of [section 30] and such additional capital stock as may be approved for issuance by the board of directors up to the amount authorized in the certificate of incorporation. Once the amount of stock authorized in the certificate of incorporation has been issued, no other shares may be issued except as otherwise authorized in this chapter. The capital stock of an association, when issued, shall constitute permanent capital and may not be retired or withdrawn, except as otherwise provided, until

HeinOnline -- 1983 vol. I 22 1983

all liabilities of the association, including the withdrawal value of all savings accounts, have been satisfied in full and until outstanding capital certificates have been retired.

(2) An association may issue shares of common stock and preferred stock, with or without par value, and such common and preferred stock may be divided into classes and the classes into series.

Section 33. **Restrictions on capital stock.** (1) The consideration for the issuance of capital stock shall be paid in cash except for stock issued pursuant to:

(a) the incorporation of the association;

(b) an employee stock option plan;

(c) a plan of merger, consolidation, or conversion from a mutual to a stock association; or

(d) any other type of reorganization that has been approved by the department.

(2) The par value or stated value of stock issued pursuant to subsections (1)(a) through (1)(d) shall be maintained as the permanent capital of the association, and any additional amount paid in shall be credited to paid-in surplus.

(3) The aggregate par value or stated value of all outstanding shares of capital stock shall be the permanent capital of the association, and except as otherwise provided by this chapter, such capital stock may not be retired until final liquidation of the association. An association may not reduce the par or stated value of its outstanding capital stock without first obtaining the written approval of the department. The department shall withhold its approval if the reduction will cause the par or stated value of outstanding capital stock to be less than the minimum required by this chapter or will result in less than adequate net worth, as the department in its discretion may determine. An association may not retire any part of its capital stock without the approval of the department.

Section 34. **Purchase of stock of deceased stockholder.** An association may purchase its capital stock from the personal representative of a deceased stockholder upon the written approval of the department. Upon obtaining written approval, an association may contract with a living stockholder for a purchase of his stock upon his death. Any such purchase shall be for a price and upon such terms and conditions as may be agreed upon by the association and the stockholder or personal representative. The purchase of a deceased stockholder's stock may not reduce the net worth accounts of the association to an amount less than required by law or by any approved insurer of the association's savings accounts. An association agreeing with a stockholder to purchase his capital stock upon his death may purchase insurance on the life of the stockholder to fund or partially fund such purchase. Any stock purchased under this section may be resold by the association at a price and upon such terms and conditions as the board of directors may approve, or may be retired. If the stock is to be resold, the association shall file notice with the department disclosing the price, terms, and conditions of the proposed resale.

HeinOnline -- 1983 vol. I 23 1983

Section 35. **Mutual and capital stock conversions.** (1) Any mutual association may convert to a capital stock association and any capital stock association may convert to a mutual association in accordance with the provisions of [sections 35 through 41].

(2) Any applicant seeking to convert its corporate form pursuant to [sections 35 through 41] shall first obtain approval of a plan of conversion by a resolution adopted by a two-thirds majority vote of the total number of directors authorized for the association.

Section 36. **Department approval.** (1) Upon approval of a plan of conversion by the board of directors, the plan and the resolution approving it shall be submitted to the department. The department shall approve the plan of conversion after appropriate examination, if it finds that:

(a) the plan of conversion is fair and equitable;

(b) the interests of the applicant, members or stockholders, savings account holders, and public are adequately protected; and

(c) the converting applicant has complied with the provisions of [sections 35 through 41].

(2) If the department approves the plan of conversion, the approval, which shall be in writing, shall be sent to the home office of the applicant. To cause the applicant to conform with the requirements of this chapter, the approval may prescribe terms and conditions, to be fulfilled either before or after the conversion.

(3) If the department disapproves the plan of conversion, its objections shall be sent in writing to the home office of the applicant. The applicant shall be afforded an opportunity to amend and resubmit the plan within a reasonable time as prescribed by the department. If the department disapproves the resubmitted plan, written notice of the final disapproval shall be sent by certified mail to the applicant's home office.

Section 37. **Submission to members or stockholders.** (1) If the department has approved a plan of conversion pursuant to [section 36], the plan shall be submitted for adoption to the members or stockholders of the association for a vote at a meeting called for that purpose. The plan must be approved by:

(a) members of a mutual association representing two-thirds of the withdrawable deposits, present in person or by proxy at the meeting; or

(b) stockholders of a capital stock association holding two-thirds of the capital stock, represented in person or by proxy at the meeting.

(2) If the plan is approved, action shall be taken to amend the articles of incorporation and bylaws as necessary, elect directors and officers, and take any other action as is required or appropriate for the type of association into which the applicant will be converted. A certified report of the proceedings shall be filed promptly with the department.

Section 38. **Conversion of mutual to capital stock association.** The following requirements are mandatory in any plan of conversion from the mutual form to a capital stock form of organization:

HeinOnline -- 1983 vol. I 24 1983

(1) Each savings account holder shall receive a withdrawable account of the same general class in the converted association equal in amount and time tenure to his withdrawable account in the converting association. No payment may be required from the account holder for this change of accounts.

(2) The plan shall specify the aggregate dollar amount of voting capital stock and the total number of shares to be issued to accomplish the conversion. The distribution of the stock shall be in accordance with subsection (3).

(3) All voting capital stock issued by the association to accomplish a conversion shall be subscribed and fully paid for in cash, labor, or services actually performed in the conversion process and may not be eligible, either directly or indirectly, as security for a loan or other credit advance to facilitate its own purchase. Each account holder must have the right for a period of 60 days to purchase a proportionate share of the stock at a price equal to the initial stated value thereof. Any stock remaining unsubscribed shall, during the succeeding 60-day period, be offered for sale to those savings account holders of record who have purchased their proportionate share during the initial period. Any stock remaining unsubscribed may be offered for sale to others or transferred to others in consideration for labor or services actually performed in the conversion process.

(4) The record date for determining savings account holders' rights to distribution under subsection (3) shall be set by the converting association's board of directors but may not be less than 120 days prior to the date of approval of the conversion plan by the directors.

(5) The conversion plan shall make specific provision with respect to the surplus, reserves, undivided profits, and capital stock of the converted association, specifying types of accounts, amounts, priorities, any voting rights, and how such accounts are to be disposed of or retained.

(6) The plan shall contain such other information and be in the form required by the department to enable it to make a determination of whether:

(a) the plan is fair and equitable;

(b) the interests of the applicant, members or stockholders, savings account holders, and the public are adequately protected; and

(c) the converting applicant has complied with the requirements of [sections 35 through 41].

Section 39. **Conversion of capital stock to mutual association.** The following requirements are mandatory in any plan of conversion from the capital stock form to a mutual form of association:

(1) Each savings account holder shall receive a withdrawable account of the same general class in the converted association equal in amount and time tenure to his withdrawable account in the converting association. No payment may be required from the account holder for this change of accounts.

HeinOnline -- 1983 vol. I 25 1983

(2) The conversion plan shall specify how and in what amount the return of capital to each class of stockholder in the form of an exchange of stock for savings accounts shall be effectuated.

(3) The plan shall provide for the allocation of voting rights to the holders of savings accounts and the manner in which such rights may be exercised.

(4) The plan shall make specific provision with respect to the surplus, reserves, undivided profits, and capital stock of the converted association, specifying types of accounts, amounts, priorities, any voting rights, and how such accounts shall be disposed of or retained.

(5) The plan shall contain such other information and be in the form required by the department to enable it to make a determination of whether:

(a) the plan is fair and equitable;

(b) the interests of the applicant, members or stockholders, savings account holders, and the public are adequately protected; and

(c) the converting applicant has complied with the requirements of [sections 35 through 41].

Section 40. **Issuance of certificate — continuance of entity.** (1) If the department determines that a conversion proceeding has been completed in accordance with the requirements of [sections 35 through 41], it shall issue to the applicant a certificate of conversion. The conversion does not become effective until the issuance of the certificate.

(2) Upon the issuance to the applicant of a certificate of conversion, the corporate existence of the converting applicant does not terminate but shall be treated as a continuation of the entity so converted. All property of the converted applicant, of whatever kind, and any benefit pertaining to it vest in the converted applicant without any further action, to the same extent as possessed by the converting applicant.

Section 41. **Continuance of rights and obligations.** A converted applicant, upon issuance of the certificate of conversion, continues to have and succeeds to all the rights, obligations, and relations of the converting applicant. All pending actions and other judicial proceedings to which the converting applicant was a party may not be abated or discontinued by reason of the conversion and may be prosecuted to final judgment, order, or decree in the same manner as if the conversion had not been made, and the converted applicant may continue the actions in its new corporate name. Any judgment, order, or decree that might have been rendered for or against the converted applicant prior to the conversion may be rendered for or against it after the conversion.

Section 42. **Codification instruction.** Sections 27 through 41 are intended to be codified as an integral part of Title 32, chapter 2, and the provisions of Title 32, chapter 2, apply to sections 27 through 41.

Section 43. **Effective date.** This act is effective on passage and approval.

Approved January 28, 1983.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Deficiency assessment — hearing — interest.** (1) When the department of revenue determines that the amount of tax due is greater than the amount disclosed by a return, it shall mail to the taxpayer a notice of the additional tax proposed to be assessed. Within 30

HeinOnline -- 1983 vol. I 34 1983

days after mailing of the notice, the taxpayer may file with the department a written protest against the proposed additional tax, setting forth the grounds upon which the protest is based, and may request in his protest an oral hearing or an opportunity to present additional evidence relating to his tax liability. If no protest is filed, the amount of the additional tax proposed to be assessed becomes final upon the expiration of the 30-day period. If a protest is filed, the department must reconsider the proposed assessment and, if the taxpayer has so requested, must grant the taxpayer an oral hearing. After consideration of the protest and the evidence presented at any oral hearing, the department's action upon the protest is final when it mails notice of its action to the taxpayer.

(2) When a deficiency is determined and the tax becomes final, the department shall mail a notice and demand for payment to the taxpayer. The tax is due and payable at the expiration of 10 days from the date of such notice and demand. Interest on any deficiency assessment shall bear interest until paid at the rate of 1% a month or fraction thereof, computed from the original due date of the return.

Section 2. **Credit for overpayment — interest on overpayment.** (1) If the department of revenue determines that the amount of tax, penalty, or interest due for any year is less than the amount paid, the amount of the overpayment shall be credited against any tax, penalty, or interest then due from the taxpayer and the balance refunded to the taxpayer or its successor through reorganization, merger, or consolidation or to its shareholders upon dissolution.

(2) Except as hereinafter provided for, interest shall be allowed on overpayments at the same rate as is charged on deficiency assessments provided in [section 1] due from the due date of the return or from the date of overpayment (whichever date is later) to the date the department approves refunding or crediting of the overpayment. Interest shall not accrue during any period the processing of a claim for refund is delayed more than 30 days by reason of failure of the taxpayer to furnish information requested by the department for the purpose of verifying the amount of the overpayment. No interest shall be allowed:

(a) if the overpayment is refunded within 6 months from the date the return is due or from the date the return is filed, whichever is later; or

(b) if the amount of interest is less than $1.

(3) A payment not made incident to a bona fide and orderly discharge of an actual tax liability or one reasonably assumed to be imposed by this law shall not be considered an overpayment with respect to which interest is allowable.

Section 3. **Codification instruction.** Sections 1 and 2 are intended to be codified as integral parts of Title 15, chapters 35, 36, 37 (parts 1 and 2), 38, 51, 53, 58, and 59 (parts 1 and 2), and the provisions of Title 15, chapters 35, 36, 37 (parts 1 and 2), 38, 51, 53, 58, and 59 (parts 1 and 2), apply to sections 1 and 2.

The department of highways is authorized to designate and construct such turnouts and to erect signs at appropriate places advising motorists of this statute.

Section 2. Section 61-8-323, MCA, is amended to read:

(4) The department shall, upon request from officials to whom are entrusted the enforcement of the special fuel tax law of any other state, the District of Columbia, the United States, its territories and possessions, or the provinces of the Dominion of Canada, forward to such officials any information which it may have relative to the receipt, storage, delivery, sale, use, or other disposition of special fuel by any special fuel dealer or special fuel user, provided such other state or states furnish like information to this state."

CHAPTER NO. 17

AN ACT PROVIDING THAT A TRAVEL PERMIT FOR LIVESTOCK OWNED BY A RODEO PRODUCER IS EFFECTIVE FOR A CALENDAR YEAR; AMENDING SECTION 81-3-211, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 81-3-211, MCA, is amended to read:

"81-3-211. Inspection of livestock before change of ownership or removal from county — transportation permits. (1) For the purposes of this section:

(a) "Members of the same family" means a group whose membership is determined by including an individual, his spouse, and his parents, children, grandchildren, and the spouses of each.

(b) "Family business entity" means:

(i) a corporation whose stock is owned solely by members of the same family;

(ii) a partnership in which the partners are all members of the same family;

(iii) an association whose members all are members of the same family; or

(iv) any other entity owned solely by members of the same family.

(2) Except as otherwise provided in this part, it is unlawful to remove or cause to be removed from a county in this state any livestock or to transfer ownership by sale or otherwise or for an intended purchaser or his

HeinOnline -- 1983 vol. I 38 1983

agent to take possession of any such animal subject to title passing upon meeting or satisfaction of any conditions, unless the livestock has been inspected for brands by a state stock inspector or deputy state stock inspector and a certificate of the inspection has been issued in connection with and for the purpose of the transportation or removal or of such change of ownership as provided in this part. The inspection must be made in daylight. However, the change of ownership inspection requirements of this subsection do not apply when:

(a) such sale or change of ownership transaction involves five or fewer such animals; or

(b) the change of ownership transaction is accomplished without the livestock changing premises, involves part of a herd to which no livestock have been added other than by natural increase or after brand inspection, and is between:

(i) members of the same family;

(ii) a member of one family and the same family's business entity; or

(iii) the same family's business entities.

(3) (a) It is unlawful to sell or offer for sale at a livestock market any livestock originating within any county in this state in which a livestock market is maintained or transported under a market consignment permit until the livestock has been inspected for marks and brands by a state stock inspector, as provided in this part.

(b) It is unlawful to slaughter livestock at a licensed livestock slaughterhouse unless the livestock have been inspected for marks or brands by a state or deputy state stock inspector.

(4) It is unlawful to remove or cause to be removed any livestock from the premises of a livestock market in this state unless the livestock has been released by a state stock inspector and a certificate of release for the livestock has been issued in connection with and for the purpose of the removal from the premises of the livestock market. The release obtained pursuant to this subsection will permit the movement of the livestock so released directly to the destination shown on the certificate.

(5) The person in charge of livestock being removed from a county in this state, where inspection thereof is required by this section or where change of ownership has occurred or when moved under a market consignment permit or a market release certificate, shall have in his possession the certificate of inspection, market consignment permit, transportation permit, or market release certificate issued in connection therewith and shall exhibit the certificate to any sheriff, deputy sheriff, constable, highway patrolman, state stock inspector, or deputy state stock inspector upon request. Section 81-3-204 shall be extended to livestock transported or sold under the above-mentioned permits.

(6) The following transportation permits may be issued:

(a) If a saddle, work, or show horse is being transported from county to county in this state by the owner for his personal use or business or

HeinOnline -- 1983 vol. I 39 1983

where a purebred cow is being transported from county to county in this state by its owner for show purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed as to the purpose and extent of transportation by the inspector issuing the certificate in order to serve as a travel permit in this state for a period not to exceed 1 year for the horse or cow described thereon. The permit becomes void upon any transfer of ownership or if the horse or cow is to be removed from the state. In such instances an inspection must be secured for removal and the endorsed certificate surrendered.

(b) The owner of a saddle, work, or show horse may apply for a permanent transportation permit valid for both interstate and intrastate transportation of the horse until there is a change of ownership. To obtain a permit a horse must have either a registered brand that has been legally cleared or a lip tattoo or the owner must present proof of ownership to a state stock inspector. A written application, on forms to be provided by the department, must be completed by the owner and presented to a state stock inspector together with a $5 permit fee for each horse. The application shall contain a thorough physical description of the horse and list all brands and tattoos carried by the horse. Upon approval of the application by a state stock inspector, a permanent transportation permit shall be issued by the department to the owner for each horse and such permit shall be valid for the life of the horse. If there is a change of ownership in a horse the permit shall automatically become void. The permit must accompany the horse for which it was issued at all times while the horse is in transit. This permit shall be in lieu of other permits and certificates required under the provisions of this section. The state of Montana shall recognize as valid permanent transportation permits issued in other jurisdictions to the owner of a saddle, work, or show horse subsequently entering the state. Such a permit shall be automatically void upon a change of ownership.

(c) When livestock owned by and bearing the registered brand of a bona fide rodeo producer is being transported from county to county in this state by the owner for rodeo purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed as to the purpose and extent of transportation by the inspector issuing the certificate in order to serve as a travel permit in this state for the livestock described thereon. The certificate is effective *for the calendar* year for which it is issued. The certificate shall be issued by a state stock inspector.

(d) An owner of livestock or his agent may be issued a transportation permit allowing the movement of his livestock into an immediately adjoining county and return when the livestock is being moved for grazing purposes and when it is being moved to and from land owned or controlled by the owner of the livestock or his agent. The permit is valid for 6 months and must be issued by a state stock inspector. The fee for the permit is $5, which shall be paid to the state stock inspector at the time the permit is issued and remitted by him to the department for deposit in the state treasury to the credit of the earmarked revenue fund for the use of the department. This permit may be used in lieu of the inspection and certificate required by this section for movement of livestock across a county line.

HeinOnline -- 1983 vol. I 40 1983

(7) Before any removal or change of ownership may take place, the seller of livestock shall request all required inspections and shall pay the required fees."

"**81-23-204. Declining, suspending, and revoking licenses — penalties in lieu of suspension or revocation.** (1) The department may refuse to grant a license or may suspend or revoke a license already granted for due cause upon due notice and after hearing. The violation of any provisions of this chapter or of any lawful order or rule of the board or department, the failure or refusal to make required statements or reports, or failure to pay license or assessment fees are causes for which the department may suspend or revoke a license.

(2) In place of suspension or revocation of a license, the department may assess a civil penalty not to exceed $500 per day for each daily failure to comply with or each daily violation of the provisions of this chapter or of any lawful order or rule of the department or board. If the person

against whom a civil penalty is assessed fails to pay the civil penalty immediately, the department shall collect the civil penalty by a civil proceeding in the district court of the first judicial district. This penalty shall be construed as civil and not criminal in nature. Any moneys received by the department as a result of collection of civil penalties shall be paid into the earmarked revenue fund as provided by 81-23-403."

Section 4. Section 81-23-302, MCA, is amended to read:

"81-23-302. Establishment of minimum prices. (1) The board shall fix minimum producer, wholesale, jobber, and retail prices for class I milk and minimum producer prices only for class II and class III milk by adopting rules in a manner prescribed by the Montana Administrative Procedure Act.

(2) The board shall establish such prices by means of flexible formulas which shall be devised so that they bring about such automatic changes in all minimum prices as are justified on the basis of changes in production, supply, processing, distribution, and retailing costs.

(3) The board shall consider the balance between production and consumption of milk, the costs of production and distribution, and prices in adjacent and neighboring areas and states so that minimum prices which are fair and equitable to producers, distributors, jobbers, retailers, and consumers may result.

(4) The board shall, when publishing notice of proposed rulemaking under authority of this section, set forth the specific factors which shall be taken into consideration in establishing the formulas and in particular in determining costs of production and distribution and of the actual dollars and cents costs of production and distribution which preliminary studies and investigations of auditors or accountants in its employment indicate will or should be shown at the hearing so that all interested parties will have opportunity to be heard and to question or rebut such considerations as a matter of record.

(5) Such specific factors may include but shall not be limited to the following items:

(a) current and prospective supplies of milk in relation to current and prospective demands for such milk for all purposes;

(b) the ability and willingness of consumers to purchase, which shall include among other things per capita disposable income statistics, consumer price indexes, and wholesale price indexes;

(c) the cost factors in producing milk, which shall include among other things the prices paid by farmers generally (as used in parity calculations of the United States department of agriculture), prices paid by farmers for dairy feed in particular, and farm wage rates in this state;

(d) the alternative opportunities, both farm and nonfarm, open to milk producers, which shall include among other things prices received by farmers for all products other than milk, prices received by farmers for beef cattle, and the percentage of unemployment in the state and nation as determined by appropriate state and federal agencies;

HeinOnline -- 1983 vol. I 48 1983

(e) the prices of butter, nonfat dry milk, and cheese;

(f) the cost factors in distributing milk, which shall include among other things the prices paid by distributors for equipment of all types required to process and market milk and prevailing wage rates in this state;

(g) the cost factors in jobbing milk, which shall include among other things raw product and ingredient costs, carton or other packaging cost, processing cost, and that part of general administrative costs of the supplying distributor which may properly be allocated to the handling of milk to the point at which such milk is at the supplying distributor's dock, equipment of all types required to market milk, and prevailing wage rates in the state;

(h) the need, if any, for freight or transportation charges to be deducted by distributors from producer prices for bulk milk.

(6) If the board at any time proposes to base all or any part of any official order establishing or revising any milk pricing formulas upon facts within its own knowledge, as distinguished from evidence which may be presented to it by the consuming public or the milk industry, the board shall, when publishing notice of proposed rulemaking under authority of this section, cause notice to be given to the consuming public and the milk industry of the specific facts within its own knowledge which it will consider, so that all interested parties will have opportunity to be heard and to question or rebut such facts as a matter of record.

(7) The board, after consideration of the evidence produced, shall make written findings and conclusions and shall fix by official rule the formula whereby minimum:

(a) producer prices for milk in classes I, II, and III shall be computed;

(b) wholesale prices for milk in class I shall be computed;

(c) jobber prices for milk in class I shall be computed;

(d) retail prices for milk in class I shall be computed.

(8) This section shall not be construed as requiring the board to promulgate any specific number of formulas, but shall be construed liberally so that the board may adopt any reasonable method of expression to accomplish the objective set forth in subsection (7). If the evidence presented to the board at any public hearing for the establishment or revision of milk pricing formulas is found by the board to require the establishment of separate and varying wholesale prices for any particular uses, the board shall designate the reasons therefor and establish such separate formulas.

(9) Each rule establishing or revising any milk pricing formulas shall classify milk by forms, classes, grades, or uses as the board may deem advisable and shall specify the minimum prices therefor.

(10) The board shall adopt rules after notice and hearing in the manner prescribed by the Montana Administrative Procedure Act to regulate

HeinOnline -- 1983 vol. I 49 1983

transportation rates which distributors, contract haulers, and others charge producers for both farm-to-plant and interplant transportation of milk. No allowance for transportation of milk between plants may be permitted unless it is found by the board to be necessary to permit the movement of milk in the public interest.

(11) All milk purchased by a distributor shall be purchased on a uniform basis. The basis to be used shall be established by the board after the producers and the distributors have been consulted.

(12) The board may amend any official rule in the same manner provided herein for the original establishment of milk pricing formulas. The board may in its discretion, when it determines the need exists, give notice of and hold statewide public hearings affecting establishment or revision of milk pricing formulas.

(13) Upon petition of a distributor or a majority of his producers, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for a base or quota plan as a method of payment by that distributor of producer prices; and if the board finds that the evidence adduced at such hearing warrants the establishment of a base or quota plan, the board shall proceed by official order to establish the same.

(14) Upon petition by any producer, producer-distributor, or distributor the board shall hold a hearing to receive and consider evidence regarding the advisability and need for *a* statewide pooling arrangement as a method of payment of producer prices, provided that at such hearing the board shall among other things specifically receive and consider evidence concerning production and marketing practices which have historically prevailed statewide. If the board finds that the evidence adduced at such hearing warrants the establishment of *a* statewide pooling arrangement, the board shall proceed by official order to establish the same; but such official order shall be of no force or effect until it is approved in a referendum conducted by the board among affected producers, producer-distributors, and distributors.

(15) The requirements hereinabove set forth concerning notices of hearings for the establishment of milk pricing formulas shall apply to any hearings regarding base or quota plans or statewide pooling arrangements or abandonment thereof.

(16) Rules adopted pursuant to this section shall be enforced and audited for compliance by the milk control division of the department of commerce."

Section 5. Section 81-23-303, MCA, is amended to read:

"81-23-303. Rules of fair trade practices. The department may adopt reasonable rules governing fair trade practices as they pertain to the transaction of business among licensees under this chapter and among licensees and the general public. Those rules shall contain but are not limited to provisions prohibiting the following methods of doing business which are unfair, unlawful, and not in the public interest:

(1) the payment, allowance, or acceptance of secret rebates, secret refunds, or unearned discounts by a person, whether in the form of money or otherwise;

(2) the giving of milk, cream, dairy products, services, or articles of any kind, except to bona fide charities, for the purpose of securing or retaining the fluid milk or fluid cream business of a customer;

HeinOnline -- 1983 vol. I 50 1983

(3) the extension to certain customers of special prices or services not available to all customers who purchase milk of like quantity under like terms and conditions;

(4) the purchasing, processing, bottling, packaging, transporting, delivering, or otherwise handling of milk which is to be or is sold or otherwise disposed of at less than the minimum wholesale and minimum retail prices established by the board;

(5) the payment of a price lower than the applicable producer price, established by the board, by a distributor to a producer for milk which is distributed to any person, including agencies of the federal, state, or local government."

Section 6. Section 81-23-304, MCA, is amended to read:

"81-23-304. Limitation on extension of credit to retailers. A sale or delivery may not be made by a producer-distributor, distributor, or jobber to a retailer, except for cash or payment within 15 days after regular billings, and all producer-distributors, distributors, and jobbers shall bill retailers at least monthly. A producer-distributor, distributor, or jobber may not extend more than 15 days' credit after billing to a retailer. A retailer may not receive delivery of milk without agreement to pay for it in cash within 15 days after regular billing. A correctly dated check which is honored upon presentment is cash within the meaning of this section. An extension or acceptance of credit in violation of this section shall be construed as rendering or receiving financial assistance. The licenses of producer-distributors, distributors, or jobbers involved in violation of this section shall be suspended or revoked as determined by the department *after a hearing pursuant to the Administrative Procedure Act.*"

Section 7. **Repealer.** Sections 81-23-205 and 81-23-301, MCA, are repealed.

Section 8. **Effective date.** This act is effective on passage and approval.

Approved February 14, 1983.

AN ACT TO PROVIDE A LATE FEE TO BE CHARGED TO MONTANA ALCOHOLIC BEVERAGE LICENSEES WHO FAIL TO PAY ANNUAL RENEWAL FEES IN A TIMELY MANNER; AUTHORIZING SUSPENSION OR REVOCATION OF ALCOHOLIC BEVERAGE LICENSES IF ANNUAL RENEWAL FEE IS NOT TIMELY PAID; ELIMINATING PROVISIONS THAT ALCOHOLIC BEVERAGE LICENSES EXPIRE JUNE 30 OF EACH YEAR; AMENDING SECTIONS 16-4-204, 16-4-407, AND 16-4-501, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-4-204, MCA, is amended to read:

"16-4-204. Contents of license — posting — privilege — catering endorsement — transfer — expiration. (1) Every license issued under this part shall set forth the name of the person to whom issued, the location, by street and number or other appropriate specific

description of location if no street address exists, of the premises where the business is to be carried on under said license, and such other information as the department shall deem necessary. If the licensee is a partnership or if more than one person has any interest in the business operated under the license, the names of all persons in the partnership or interested in the business must appear on the license. Every license must be posted in a conspicuous place on the premises wherein the business authorized under the license is conducted, and such license shall be exhibited upon request to any authorized representative of the department or to any peace officer of the state of Montana.

(2) Any license issued under the provisions of this part shall be considered a privilege personal to the licensee named in the license and shall be good until the expiration of the license unless sooner revoked or suspended.

(3) A license may be transferred to the executor or administrator of the estate of any deceased licensee when such estate consists in whole or in part of the business of selling liquor under a license, and in such event the license may descend or be disposed of with the business to which it is applicable under appropriate probate proceedings.

(4) In the event of a major loss or damage to licensed premises by unforeseen natural causes or in case of expiration of lease of the licensed premises or in the event of eviction or increase of rent by the landlord (in case of rented licensed premises) or in case of proposed removal of license to premises as substantially suited for the retail liquor business as the premises vacated, the licensee may apply to the department for a transfer of the license to different premises. The department may in its discretion permit a transfer in such cases if it appears to the department that such a transfer is required to do justice to the licensee applying for the transfer. The department shall in no event nor for any cause permit a transfer to different premises where the sanitary, health, and service facilities are less satisfactory than such facilities which exist or had existed at the premises from which the transfer is proposed to be made.

(5) Upon a bona fide sale of the business operated under any license, the license may be transferred to a qualified purchaser. No transfer of any license as to person or location shall be effective unless and until approved by the department, and any licensee or transferee or proposed transferee who operates or attempts to operate under any supposedly transferred license prior to the approval of such transfer by the department, endorsed upon the license in writing, shall be considered as operating without a license and the license affected may be revoked or suspended by the department. The department may, within its discretion, permit a qualified purchaser to operate the business to be transferred pending final approval, providing the application for transfer has been filed with the department.

(6) (a) Except as provided in subsection (6)(b), a license may be transferred to a new ownership and to a location outside the quota area for which it was originally issued only when the following criteria are met:

(i) the total number of all-beverages licenses in the original quota area exceeded the quota for that area by at least 25% in the most recent census prescribed in 16-4-502;

HeinOnline -- 1983 vol. I 58 1983

(ii) the total number of all-beverages licenses in the quota area to which the license would be transferred did not exceed that area's quota by more than 33% in the most recent census prescribed in 16-4-502; and

(iii) the department finds, after a public hearing, that the public convenience and necessity would be served by such a transfer.

(b) A license within an incorporated quota area may be transferred to a new ownership and to a new unincorporated location within the same county on application to and with consent of the department when the quota of the all-beverages licenses in the original quota area exceeds the quota for that area by at least 25% in the most recent census and will not fall below that level because of the transfer.

(c) For 5 years after the transfer of a license between quota areas under subsection (6)(a), the license may not be mortgaged or pledged as security and may not be transferred to another person except for a transfer by inheritance upon the death of the licensee. A license transferred between quota areas under this section may be held only by natural persons for 5 years following the transfer. For the purpose of this section, natural persons shall not include limited partnerships or other business entities of any kind in which each natural person is not a full participant in the ownership and operation of the business authorized by the license.

(d) Once a license is transferred to a new quota area under subsection (6)(a), it may not be transferred to another quota area or back to the original quota area.

(7) (a) Any all-beverage licensee is, upon the approval and in the discretion of the liquor division, entitled to a catering endorsement to his all-beverage license to allow the catering and sale of alcoholic beverages to persons attending a special event upon premises not otherwise licensed for the sale of alcoholic beverages, such beverages to be consumed on the premises where the event is held.

(b) A written application for a catering endorsement and an annual fee of $250 must be submitted to the department for its approval.

(c) A written application for each event for which the licensee intends to provide catering services, the written approval of the catering application by the sponsor of the special event, and a fee of $40 must be filed with the department at least 10 days prior to the event and shall describe the location of the premises where the event is to be held, the nature of the event, and the period during which the event is to be held. An all-beverage licensee who holds an endorsement granted under this subsection (7) may not receive approval to cater an event of which he is the sponsor. The catered event must be within 100 miles of the licensee's regular place of business. If obtained, the licensee shall display in a prominent place on those premises, the written approval from the department for each event which is catered pursuant to this subsection.

(d) The licensee shall file with each application for an event to be catered a written statement of approval of the premises where the event is to be held issued by the department of health and environmental sciences.

HeinOnline -- 1983 vol. I 59 1983

(e) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-6-103.

(f) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-3-306, unless entities named in 16-3-306 give their written approval.

(8) Except as above provided, no license shall be transferred or sold nor shall it be used for any place of business not described in the license; provided, however, that such license may be subject to mortgage and other valid liens, in which event the name of the mortgagee, upon application to and approval of the department, must be endorsed on the license."

Section 2. Section 16-4-407, MCA, is amended to read:

"16-4-407. Expiration of licenses. Each July 1, the department shall issue licenses to brewers, wholesalers, or retailers or for the retail sale of alcoholic beverages on an annual basis and at such fees as are prescribed by law, and such licenses *are subject to suspension or revocation under 16-4-406 after* midnight of June 30 of the succeeding year *if the annual renewal fees required by 16-4-501 are not paid.* The department shall notify each applicant for an original license or renewal that he should inform himself of applicable provisions of federal law which may require a permit from a federal agency."

Section 3. Section 16-4-501, MCA, is amended to read:

"16-4-501. License and permit fees. (1) Each beer licensee licensed to sell either beer or table wine only, or both beer and table wine, under the provisions of this code, shall pay an annual license fee as follows:

(4) A person who takes or rescues an animal from the possession of the person taking the animal, without his consent, is guilty of a misdemeanor and shall be fined not less than $100 or more than $500."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-4-204, MCA, is amended to read:

"16-4-204. Contents of license — posting — privilege — catering endorsement — transfer — expiration. (1) Every license issued under this part shall set forth the name of the person to whom issued, the location, by street and number or other appropriate specific description of location if no street address exists, of the premises where the business is to be carried on under said license, and such other information as the department shall deem necessary. If the licensee is a partnership or if more than one person has any interest in the business operated under the license, the names of all persons in the partnership or interested in the business must appear on the license. Every license must be posted in a conspicuous place on the premises wherein the business authorized under the license is conducted, and such license shall be exhibited upon request to any authorized representative of the department or to any peace officer of the state of Montana.

HeinOnline -- 1983 vol. I 68 1983

(2) Any license issued under the provisions of this part shall be considered a privilege personal to the licensee named in the license and shall be good until the expiration of the license unless sooner revoked or suspended.

(3) A license may be transferred to the executor or administrator of the estate of any deceased licensee when such estate consists in whole or in part of the business of selling liquor under a license, and in such event the license may descend or be disposed of with the business to which it is applicable under appropriate probate proceedings.

(4) In the event of a major loss or damage to licensed premises by unforeseen natural causes or in case of expiration of lease of the licensed premises or in the event of eviction or increase of rent by the landlord (in case of rented licensed premises) or in case of proposed removal of license to premises as substantially suited for the retail liquor business as the premises vacated, the licensee may apply to the department for a transfer of the license to different premises. The department may in its discretion permit a transfer in such cases if it appears to the department that such a transfer is required to do justice to the licensee applying for the transfer. The department shall in no event nor for any cause permit a transfer to different premises where the sanitary, health, and service facilities are less satisfactory than such facilities which exist or had existed at the premises from which the transfer is proposed to be made.

(5) Upon a bona fide sale of the business operated under any license, the license may be transferred to a qualified purchaser. No transfer of any license as to person or location shall be effective unless and until approved by the department, and any licensee or transferee or proposed transferee who operates or attempts to operate under any supposedly transferred license prior to the approval of such transfer by the department, endorsed upon the license in writing, shall be considered as operating without a license and the license affected may be revoked or suspended by the department. The department may, within its discretion, permit a qualified purchaser to operate the business to be transferred pending final approval, providing the application for transfer has been filed with the department.

(6) (a) Except as provided in subsection (6)(b), a license may be transferred to a new ownership and to a location outside the quota area for which it was originally issued only when the following criteria are met:

(ii) the total number of all-beverages licenses in the quota area to which the license would be transferred did not exceed that area's quota by more than 33% in the most recent census prescribed in 16-4-502; and

(iii) the department finds, after a public hearing, that the public convenience and necessity would be served by such a transfer.

(b) A license within an incorporated quota area may be transferred to a new ownership and to a new unincorporated location within the same county on application to and with consent of the department when the

HeinOnline -- 1983 vol. I 69 1983

quota of the all-beverages licenses in the original quota area exceeds the quota for that area by at least 25% in the most recent census and will not fall below that level because of the transfer.

(c) For 5 years after the transfer of a license between quota areas under subsection (6)(a), the license may not be mortgaged or pledged as security and may not be transferred to another person except for a transfer by inheritance upon the death of the licensee. A license transferred between quota areas under this section may be held only by natural persons for 5 years following the transfer. For the purpose of this section, natural persons shall not include limited partnerships or other business entities of any kind in which each natural person is not a full participant in the ownership and operation of the business authorized by the license.

(d) Once a license is transferred to a new quota area under subsection (6)(a), it may not be transferred to another quota area or back to the original quota area.

(7) (a) Any all-beverage licensee is, upon the approval and in the discretion of the liquor division, entitled to a catering endorsement to his all-beverage license to allow the catering and sale of alcoholic beverages to persons attending a special event upon premises not otherwise licensed for the sale of alcoholic beverages, such beverages to be consumed on the premises where the event is held.

(b) A written application for a catering endorsement and an annual fee of $250 must be submitted to the department for its approval.

(c) A written application for each event for which the licensee intends to provide catering services, the written approval of the catering application by the sponsor of the special event, and a fee of *$35* must be filed with the department at least *3* days prior to the event and shall describe the location of the premises where the event is to be held, the nature of the event, and the period during which the event is to be held. An all-beverage licensee who holds an endorsement granted under this subsection (7) may not receive approval to cater an event of which he is the sponsor. The catered event must be within 100 miles of the licensee's regular place of business. If obtained, the licensee shall display in a prominent place on those premises, the written approval from the department for each event which is catered pursuant to this subsection.

(d) The licensee shall file with each application for an event to be catered a written statement of approval of the premises where the event is to be held issued by the department of health and environmental sciences *and the local law enforcement agency that has jurisdiction over the premises where the event is to be held.*

(e) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-6-103.

(f) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-3-306, unless entities named in 16-3-306 give their written approval.

(8) Except as above provided, no license shall be transferred or sold nor shall it be used for any place of business not described in the license;

HeinOnline -- 1983 vol. I 70 1983

provided, however, that such license may be subject to mortgage and other valid liens, in which event the name of the mortgagee, upon application to and approval of the department, must be endorsed on the license.

The application shall be accompanied by the amount of the permit fee *and a written statement of approval of the premises where the event is to be held issued by the department of health and environmental sciences and the local law enforcement agency that has jurisdiction over the premises where the event is to be held.*

(c) The permit issued to such association or corporation is a special permit but shall not authorize the sale of beer and table wine except starting 1 day in advance of the regular period when events are being held upon such grounds and during the period described in the application and for 1 day thereafter.

CHAPTER NO. 50

AN ACT CLARIFYING THE LAW RELATING TO THE DETERMINATION OF THE NUMBER OF AVAILABLE RETAIL BEER LICENSES IN A CORPORATE CITY QUOTA AREA; AMENDING SECTION 16-4-105, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-4-105, MCA, is amended to read:

"16-4-105. Limit on retail beer licenses — wine license amendments — off-premises consumption. (1) Except as otherwise provided by law, a license to sell beer at retail or beer and wine at retail, in accordance with the provisions of this code and the rules of the department, may be issued to any person, firm, or corporation who is approved by the department as a fit and proper person, firm, or corporation to sell beer, except that:

(a) the number of retail beer licenses that the department may issue for premises situated within incorporated cities and incorporated towns and within a distance of 5 miles from the corporate limits of such cities and towns shall be determined on the basis of population prescribed in 16-4-502 as follows:

(i) in incorporated towns of 500 inhabitants or less and within a distance of 5 miles from the corporate limits of such towns, not more than one retail beer license, which may not be used in conjunction with a retail all-beverages license;

(ii) in incorporated cities or incorporated towns of more than 500 inhabitants and not over 2,000 inhabitants and within a distance of 5 miles from the corporate limits of such cities or towns, one *retail* beer license for each 500 inhabitants, which may not be used in conjunction with retail all-beverages licenses;

(iii) in incorporated cities of over 2,000 inhabitants and within a distance of 5 miles from the corporate limits of such cities, *four retail beer licenses for the first 2,000 inhabitants*, two additional retail beer licenses for the *next* 2,000 inhabitants or major fraction thereof, and one additional retail beer license for each additional 2,000 inhabitants, which may not be used in conjunction with retail all-beverages licenses;

(b) the number of the inhabitants in such cities and towns, exclusive of the number of inhabitants residing within a distance of 5 miles from the corporate limits thereof, shall govern the number of retail beer licenses that may be issued for use within such cities and towns and within a distance of 5 miles from the corporate limits thereof. If two or more incorporated municipalities are situated within a distance of 5 miles from each other, the total number of retail beer licenses that may be issued for use in both of such municipalities and within a distance of 5 miles from their

HeinOnline -- 1983 vol. I 85 1983

respective corporate limits shall be determined on the basis of the combined populations of both of such municipalities and may not exceed the foregoing limitations. The distance of 5 miles from the corporate limits of any incorporated city or incorporated town shall be measured over the shortest public road or highway from the nearest entrance of the premises proposed for licensing to the nearest corporate boundary of such city or town.

(c) retail beer licenses of issue on March 7, 1947, and which are in excess of the foregoing limitations shall be renewable, but no new licenses may be issued in violation of such limitations;

(d) such limitations do not prevent the issuance of a nontransferable and nonassignable retail beer license to a post of a nationally chartered veterans' organization or a lodge of a recognized national fraternal organization if such veterans' or fraternal organization has been in existence for a period of 5 years or more prior to January 1, 1949;

(e) the number of retail beer licenses that the department may issue for use at premises situated outside of any incorporated city or incorporated town and outside of the area within a distance of 5 miles from the corporate limits thereof or for use at premises situated within any unincorporated town shall be as determined by the department in the exercise of its sound discretion, except that no retail beer license may be issued for any premises so situated unless the department determines that the issuance of such license is required by public convenience and necessity.

(2) A person holding a license to sell beer for consumption on the premises at retail may apply to the department for an amendment to the license permitting the holder to sell wine as well as beer. The division may issue such amendment if it finds, on a satisfactory showing by the applicant, that the sale of wine for consumption on the premises would be supplementary to a restaurant or prepared-food business. A person holding a beer-and-wine license may sell wine for consumption on or off the premises. Nonretention of the beer license, for whatever reason, shall mean automatic loss of the wine amendment license.

(3) A retail license to sell beer or table wine, or both, in the original packages for off-premises consumption only may be issued to any person, firm, or corporation who is approved by the department as a fit and proper person, firm, or corporation to sell beer or table wine, or both, and whose premises proposed for licensing are operated as a bona fide grocery store or a drugstore licensed as a pharmacy. The number of such licenses that the department may issue is not limited by the provisions of subsection (1) of this section but shall be determined by the department in the exercise of its sound discretion, and the department may in the exercise of its sound discretion grant or deny any application for any such license or suspend or revoke any such license for cause."

Approved March 10, 1983.

The catered event must be within 100 miles of the licensee's regular place of business. If obtained, the licensee shall display in a prominent place on those premises, the written approval from the department for each event which is catered pursuant to this subsection.

(d) The licensee shall file with each application for an event to be catered a written statement of approval of the premises where the event is to be held issued by the department of health and environmental sciences.

(e) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-6-103.

(f) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-3-306, unless entities named in 16-3-306 give their written approval.

CHAPTER NO. 73

AN ACT TO REMOVE A STATUTORY CONFLICT REGARDING PREFERENCE RIGHTS FOR STATE LAND LEASES; AMENDING SECTION 77-6-205, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 77-6-205, MCA, is amended to read:

"77-6-205. Renewal leases. (1) A lessee of state land classed as agricultural, grazing, town lot or city lot who has paid all rentals due from him to the state is entitled to have his lease renewed for a 5- or 10-year period at any time within 30 days prior to its expiration if no other applications for lease of the land have been received 30 days prior to the expiration of his lease. The renewal shall be at the rental rate provided by law for the renewal period and subject to any other conditions at the time of the renewal imposed by law as terms of the lease. If other applications have been received, the holder of the lease has the preference right to lease the land covered by his former lease by meeting the highest bid made by any other applicant. Applications for lease of lands in this section shall be given preference in the order of their receipt at the office of the department.

HeinOnline -- 1983 vol. I 121 1983

(2) The board shall accept the highest bid. If the lessee exercises the preference right and believes the bid to be excessive, he may request an administrative hearing. Such request must contain a statement of reasons why the lessee believes the bid not to be in the state's best interest and must be accompanied by a deposit equal to 20% of the competitive bid in the case of grazing lands and $1 per acre in the case of agricultural lands. The department shall grant the request for a hearing if it determines that the statement indicates evidence that the bid may not be in the state's best interests. The board may, after the hearing, reduce the rental from the amount bid if the lessee shows that the bid is not in the best interest of the state because it is above community standards for a lease of such land, would cause damage to the tract, or impair its long-term productivity. If the board reduces the bid, it shall set forth its findings and conclusions in writing and so inform the lessee and competitive bidder. It is the duty of the board to secure the best lessees possible, so that the state may receive the maximum return possible with the least injury occurring to the land."

Approved March 14, 1983.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-4-101, MCA, is amended to read:

"90-4-101. Purpose. The purposes of this part are to stimulate research, development, *and* demonstration *of energy conservation and* of energy sources which are harmonious with ecological stability by virtue of being renewable, thereby to lessen that reliance on nonrenewable energy sources which conflicts with the goal of long-range ecological stability and

to provide for the funding and administration of such research. Furthermore it is the purpose of this part *to stimulate the commercialization of alternative renewable energy and* to allow the department to make loans through financial institutions in Montana for *this purpose.*"

Section 2. Section 90-4-102, MCA, is amended to read:

"90-4-102. Definitions. As used in this part, the following definitions apply:

(1) "Alternative renewable energy source" means a form of energy or matter, such as solar energy, wind energy, or methane from solid waste, capable of being converted into forms of energy useful to mankind, and the technology necessary to make this conversion, when the source is not exhaustible in terms of this planet and when the source or the technology are not in general commercial use.

(2) "Energy conservation" means reducing waste or dissipation of energy or reducing the amount of energy required to accomplish a given quantity of work through increases in efficiency of energy use, production, or distribution.

(3) "Person" means a natural person, corporation, partnership, or other business entity, association, trust, foundation, any educational or scientific institution, or any governmental unit.

HeinOnline -- 1983 vol. I 160 1983

(6) appoint an alternative energy advisory committee composed of representatives of state agencies and citizen members with expertise in alternative energy *and energy conservation* matters. The appointment of any such advisory committee shall be in keeping with 2-15-122."

Section 5. Section 90-4-105, MCA, is amended to read:

(2) The department may give preference to projects which are also supported by funding from the federal government or other persons provided the projects are consistent with the other objectives of the department. The purpose of this preference is to use the alternative energy *and energy conservation* research development and demonstration account for matching moneys in order to support more substantial research or commercialization.

(3) The department may give preference to research centers unattached to existing educational institutions where several investigators can share supporting services. However, this shall not be interpreted to prohibit the department from awarding grants or loans to existing educational institutions.

(4) The department may give preference to research centers which make information available to individuals, small businesses, and small communities seeking the use of renewable energy sources *and energy conservation* in their homes, plants, places of business, and small communities.

(5) All information resulting from such research shall be made available to the public.

(6) The department may expend or commit available alternative energy *and energy conservation* research, development, and demonstration funds. CHAPTER NO. 133

AN ACT TO INCREASE THE TIME PERIOD FOR INVOLUNTARY COMMITMENT OF ALCOHOLICS TO 40 DAYS; AMENDING SECTION 53-24-302, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-24-302, MCA, is amended to read:

"53-24-302. Involuntary commitment of alcoholics. (1) A person may be committed to the custody of the department by the district court upon the petition of his spouse or guardian, a relative, the certifying physician, or the chief of any approved public treatment facility. The petition shall allege that the person is an alcoholic who habitually lacks self-control as to the use of alcoholic beverages and that he has threatened, attempted, or inflicted physical harm on another and that unless committed is likely to inflict physical harm on another or is incapacitated by alcohol. A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within 2 days before submission of the petition unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the physician's findings in support of the allegations of the petition. A physician employed by the admitting facility or the department is not eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no later than 10 days after the date the petition was filed. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served on the petitioner, the person whose commitment is sought, his next of kin other than the petitioner, a parent or his legal guardian if he is a minor, the administrator in charge of the approved public treatment facility to which he has been committed for emergency care, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony of at least one licensed physician who has examined the person whose commitment is sought. The person shall have a right to have a licensed physician of his own choosing examine him and testify on his behalf. If he has no funds with which to pay such physician, the reasonable costs of one such examination and testimony shall be paid by the county. The person shall be present unless the court believes that

HeinOnline -- 1983 vol. I 240 1983

his presence is likely to be injurious to him. He shall be advised of his right to counsel, and if he is unable to hire his own counsel, the court shall appoint an attorney to represent him at the expense of the county. The court shall examine the person in open court or, if advisable, shall examine the person in chambers. If he refuses an examination by a licensed physician and there is sufficient evidence to believe that the allegations of the petition are true or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him to the department for a period of not more than 5 days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination by the department, the court finds that grounds for involuntary commitment have been established by clear and convincing evidence, it shall make an order of commitment to the department. It may not order commitment of a person unless it determines that the department is able to provide adequate and appropriate treatment for him and the treatment is likely to be beneficial.

(5) A person committed under this section shall remain in the custody of the department for treatment for a period of *40* days unless sooner discharged. At the end of the *40*-day period, he shall automatically be discharged unless before expiration of the period the department obtains a court order from the district court of the committing district for his recommitment upon the grounds set forth in subsection (1) for a further period of 90 days unless sooner discharged. If a person has been committed because he is an alcoholic likely to inflict physical harm on another, the department shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) A person recommitted under subsection (5) who has not been discharged by the department before the end of the 90-day period shall be discharged at the expiration of that period unless before expiration of the period the department obtains a court order from the district court of the committing district on the grounds set forth in subsection (1) for recommitment for a further period not to exceed 90 days. If a person has been committed because he is an alcoholic likely to inflict physical harm on another, the department shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) are permitted.

(7) Upon the filing of a petition for recommitment under subsection (5) or (6), the court shall fix a date for hearing no later than 10 days after the date the petition was filed. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served on the petitioner, the person whose commitment is sought, his next of kin other than the petitioner, the original petitioner under subsection (1) if different from the petitioner for recommitment, one of his parents or his legal guardian if he is a minor, and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3).

(8) A person committed to the custody of the department for treatment shall be discharged at any time before the end of the period for which he has been committed if either of the following conditions is met:

HeinOnline -- 1983 vol. I 241 1983

(a) in case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon another, that he is no longer in need of treatment or the likelihood no longer exists; or

(b) in case of an alcoholic committed on the grounds of incapacity and the need of treatment, that the incapacity no longer exists, further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(9) The court shall inform the person whose commitment or recommitment is sought of his right to contest the application, be represented by counsel at every stage of any proceedings relating to his commitment and recommitment, and have counsel appointed by the court or provided by the court if he wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him regardless of his wishes. The person whose commitment or recommitment is sought shall be informed of his right to be examined by a licensed physician of his choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(10) If a private treatment facility agrees with the request of a competent patient or his parent, sibling, adult child, or guardian to accept the patient for treatment, the department may transfer him to the private treatment facility.

(11) A person committed under this section may at any time seek to be discharged from commitment by writ of habeas corpus or other appropriate means.

(12) The venue for proceedings under this section is the place in which person to be committed resides or is present."

Approved March 18, 1983.

CHAPTER NO. 135

AN ACT LIMITING THE APPLICATION OF THE RULE OF 78THS METHOD OF COMPUTING INTEREST AND REFUNDS ON PREPAYMENT TO LOANS AND RETAIL INSTALLMENT CONTRACTS MADE FOR A TIME PERIOD OF NOT MORE THAN 61 MONTHS; PROVIDING FOR REFUND OR CREDIT ON PREPAYMENT ON LOANS OR CONTRACTS EXCEEDING 61 MONTHS; AMENDING SECTIONS 31-1-242 AND 32-5-301, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY CLAUSE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 31-1-242, MCA, is amended to read:

"**31-1-242. Refunds on prepayment.** *(1)* Notwithstanding the provisions of any retail installment contract to the contrary, any buyer may prepay in full, at any time before maturity, the debt of any retail installment contract and in so paying such debt shall receive a refund credit thereon for such anticipation of payments.

(2) In a contract where the period of the contract does not exceed 61 months, the amount of such refund shall represent at least as great a proportion of the finance charge as the sum of the monthly time balances beginning 1 month after prepayment is made bears to the sum of all the monthly time balances under the schedule of payment in the contract. Where the amount of credit is less than $1, no refund need be made.

(3) In any contract where the period of the contract exceeds 61 months, the amount of such refund is the portion of the original finance charge that is applicable to all fully unexpired months in the contract as originally scheduled or if deferred, as deferred, following the date of prepayment. For this purpose, the applicable charge is the charge that would have been earned for that period, if the contract were not precomputed, by applying to the unpaid principal balance, according to the actuarial method, the annual percentage rate disclosed pursuant to federal law, based on the assumption that all payments were made as originally scheduled."

Section 2. Section 32-5-301, MCA, is amended to read:

"**32-5-301. Charges, refunds, penalties, filing fees.** (1) Every licensee hereunder may contract for and receive on any loan of money not exceeding $1,000 in principal amount:

HeinOnline -- 1983 vol. I 245 1983

(a) charges at rates not in excess of $20 per year per $100 on that part of the principal amount of the loan not exceeding $500;

(b) $16 per year per $100 on that part of the principal amount of the loan exceeding $500 but not exceeding $1,000.

(2) The holder of a supplementary license may contract for and receive charges at rates authorized for licensees in subsection (1) for the first $1,000 of the principal amount of any loan and may contract for and receive charges at rates not in excess of $12 per year per $100 on that part of the principal amount of any loan exceeding $1,000 but not exceeding $7,500.

(3) Charges in (1) and (2) shall be computed at the applicable rates on the full, original principal amount of the loan from the date of the loan to the due date of the final scheduled installment irrespective of the fact that the loan is payable in installments. Said charges shall be added to the principal of the loan and shall not be discounted or deducted therefrom or paid or received at the time the loan is made. For the purpose of computing charges for a fraction of a month, a day shall be considered one-thirtieth of a month.

(4) On loans of $90 or less a licensee may charge, in lieu of charges specified in (1) of this section, not in excess of $1 for each $5 of cash or credit advanced to the borrower up to the amount of $90. A period of at least 15 days must be allowed for the repayment of each $5 cash or credit advanced. Such charges cannot be assessed by any subterfuge or device on any loan over $90 or on any balance of $90 or less when the original loan was greater than $90.

(5) *(a)* When any loan contract, new loan, renewal, or otherwise *for a period of not more than 61 months* is paid in full by cash 1 month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rule of 78ths or sum of the digits principle as follows: the amount of the refund or credit shall be as great a proportion of the total charges originally contracted for as the sum of the consecutive monthly balances of the contract scheduled to follow the date of prepayment bears to the sum of all the consecutive monthly balances of the contract, both sums to be determined according to the payment schedule originally contracted for.

(b) When any loan contract, new loan, renewal, or otherwise, for a period of more than 61 months, is paid in full by cash one month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges that is due the borrower that is applicable to all fully unexpired months in the contract as originally scheduled or if deferred, as deferred, following the date of prepayment. For this purpose the applicable charge is the charge which would have been earned for that contract, if charges had not been precomputed, by applying to the unpaid principal balance, by the actuarial method, the annual percentage rate disclosed pursuant to federal law based on the assumption that all payments were made as originally scheduled. For

HeinOnline -- 1983 vol. I 246 1983

all loans that may be subject to this section, charges are computed initially in the same manner used to determine the annual percentage rate.

(6) If the contract so provides, the additional charge for any amount past due according to the original terms of the contract, whether by reason of default or extension agreement, may be 5% of the amount past due, and said amount may be charged once and no more.

(7) (a) The licensee may include in the principal amount of any loan the actual fees paid a public official or agency of the state for filing, recording, or releasing any instrument securing the loan.

(b) The licensee may include in the principal amount of any loan bona fide charges related to real estate security and paid to third parties, including:

(i) fees or premiums for title examination, title insurance, or similar purposes, including survey;

(ii) fees for preparation of a deed, settlement statement, or other documents;

(iii) fees for notarizing deeds and other documents;

(iv) appraisal fees;

(v) fees for credit reports; and

(vi) fees paid to a trustee for release of a trust deed.

(8) No further or other charges shall be directly or indirectly contracted for or received by any licensee except those specifically authorized by this chapter. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this chapter. All balances due to a licensee from any person as a borrower or as an endorser, guarantor, or surety for any borrower or otherwise or due from any husband or wife, jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing interest or charges. If any amount in excess of the charges permitted by this chapter is charged, contracted for, and received, except as the result of an accidental and bona fide error of computation, the licensee shall have no right to collect or receive any charges.

(9) On any loan of money exceeding $7,500 in principal amount, a licensee may not make charges as provided in subsections (1) and (2) but shall make charges in accordance with the provisions of this subsection through subsection (12).

(10) On any loan of money exceeding $7,500 but not exceeding $25,000 in principal amount, a licensee may contract and receive charges at a rate not in excess of 2% per month on the principal amount as follows:

(a) Charges shall be computed on unpaid balances of the principal amount outstanding from time to time for the actual time outstanding. Each payment shall be applied first to accumulated charges and the remainder of the payment applied to the unpaid principal balance, except

HeinOnline -- 1983 vol. I 247 1983

that if the amount of the payment is insufficient to pay the accumulated charges, unpaid charges continue to accumulate to be paid from the proceeds of subsequent payments and are not added to the principal balance.

(b) Charges made under this subsection may not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, the principal amount payable under such new loan contract may include any unpaid charges which have accrued. The resulting loan contract is a new and separate loan transaction for all purposes. The principal balance of a prior loan on which charges have been made pursuant to subsections (1) and (2) is the balance due after refund or credit is given to the borrower pursuant to subsection (5).

(11) For purposes of computing charges for a fraction of a month, a day is considered one-thirtieth of a month.

(12) The provisions of subsections (5) and (6) do not apply to loans made under subsections (9) through (11).

(13) The amounts of $90, $500, $1,000, $7,500, and $25,000 in subsections (1), (2), (4), (9), and (10) are subject to change pursuant to the provisions of 32-5-104 on adjustment of dollar amounts."

Section 3. **Limitation of rule of 78ths.** The sum of the monthly time balances method of computing interest or refunds on prepayment, which is also known as the rule of 78ths, may not be used in any loan agreement or retail installment contract unless the term of the loan or contract does not exceed 61 months.

Section 4. **Effective date.** This act is effective on passage and approval.

Section 5. **Applicability.** This act applies only to loan agreements and installment contracts entered into after the effective date of this act.

Approved March 18, 1983.

CHAPTER NO. 136

Section 1. Section 77-1-202, MCA, is amended to read:

"77-1-202. Powers and duties of board. *(1)* The board shall exercise general authority, direction, and control over the care, management, and disposition of state lands and, subject to the investment authority of the board of investments, the funds arising from the leasing, use, sale, and

HeinOnline -- 1983 vol. I 248 1983

disposition of those lands or otherwise coming under its administration. In the exercise of these powers, the guiding rule and principle is that these lands and funds are held in trust for the support of education and for the attainment of other worthy objects helpful to the well-being of the people of this state. The board shall administer this trust to secure the largest measure of legitimate and reasonable advantage to the state.

(2) When acquiring land for the state, the board shall determine the value thereof after an appraisal by a qualified land appraiser."

Section 2. Section 77-2-203, MCA, is amended to read:

"**77-2-203. Exchange for private land.** (1) The board is authorized to exchange state land for private land provided that the private land is of equal or greater value, *as determined by the board after appraisal by a qualified land appraiser,* than the state land and as closely as possible equal in area. The board shall place priority on exchanges which result in consolidation of state lands into more compact bodies. This section does not apply to exchanges undertaken under 76-12-107.

(2) If the requirements of subsection (1) and 77-2-204 are met, state lands bordering on navigable lakes and streams or other bodies of water with significant public use value may be exchanged for private land if the private land borders on similar navigable lakes, streams, or other bodies of water."

Section 3. Section 77-2-211, MCA, is amended to read:

Exchange of timbered, cut-over, or burned-over lands.** The board may accept on behalf of the state title in fee simple to any timbered lands or lands from which the timber has been cut or burned and in exchange therefor may convey not to exceed an equal value, *as determined by the board after appraisal by a qualified land appraiser,* of similar state land. However, no such exchange may be made except that which in the opinion of the board will benefit the public interest. For the purpose of such an exchange, all state lands, including those referred to in 77-2-303(3), 77-2-311, and 77-5-101, are subject to be offered for such exchange, and any restrictions against their sale or disposal are, for the purpose of such an exchange, released."

Section 4. Section 77-2-323, MCA, is amended to read:

"**77-2-323. Sale procedure and limitation.** (1) At the time fixed for the sale, the lands shall be offered for sale at auction in the order they appear in the notice of sale. Under the direction of the department the lands shall be sold to the highest qualified bidder under the following restrictions:

(a) No lands may be sold for less than the value *determined by the board after appraisal by a qualified land appraiser.*

(b) Tillable lands capable of producing agricultural crops may not be sold for less than $10 per acre.

(c) Lands principally valuable for grazing purposes may not be sold for less than $5 per acre.

HeinOnline -- 1983 vol. I 249 1983

(2) The lands shall be sold as nearly as practicable according to the subdivisions in which they are advertised, and care shall be taken not to subdivide any tract in such a way as to separate remaining portions from a water supply or from section lines or public highways.

(3) The sale may be adjourned from day to day until all the lands advertised have been offered for sale.

(4) If any successful bidder at a sale refuses or neglects to make the initial payment required to be made on the land purchased by him, he shall forfeit to the state not less than $50 or more than $1,000 to be determined by the board according to the circumstances of the case. If such forfeiture is not paid when notice of the amount of the forfeiture has been served by the department, the attorney general shall sue for the recovery thereof in the name of the state."

Approved March 18, 1983.

CHAPTER NO. 138

AN ACT TO PROVIDE THAT THE RECLAMATION BOND REQUIRED BY THE OPENCUT MINING ACT MAY BE GREATER THAN $1,000 PER ACRE IF THE DEPARTMENT OF STATE LANDS DETERMINES, IN WRITING, THAT THE COST OF RESTORING THE DISTURBED LAND EXCEEDS $1,000 PER ACRE; AMENDING SECTION 82-4-433, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82-4-433, MCA, is amended to read:

"82-4-433. Bond. (1) A bond required to be filed in this part by the operator shall be in such form as the board prescribes, payable to the state of Montana and conditioned upon the operator's full compliance with all requirements of this part and all rules of the board. The bond shall be

signed by the landowner or operator, as appropriate, as principal, and by a good and sufficient corporate surety licensed to do business in the state of Montana, as surety. The bond shall be in an amount not to exceed the costs of restoration required by this part as determined by the board. *The amount of the bond* may not be less than $200 or more than $1,000 per acre *unless the department determines, in writing, that the cost of restoration of the land exceeds $1,000 per acre. Upon such a determination, the bond amount must be set by the board at the cost of restoring the land.*

(2) In lieu of the bond, the operator may deposit with the board cash and government securities or a bond with property sureties in an amount equal to that of the required bond on conditions as above prescribed. In the discretion of the board, surety bond requirements may be fulfilled by the operator's posting a bond with land and improvements and facilities thereon as security, in which event no surety may be required. The penalty of the bond or amount of cash and securities shall be increased or reduced from time to time as provided in this part. The bond or security remains in effect until the mined acreages have been reclaimed as provided under the contract and the reclamation has been approved and the bond or security has been released by the board. The bond or security shall cover only actual mined acreages and may be increased or reduced to cover only such acreages as remain unreclaimed.

(3) If the license of a surety upon a bond filed with the board pursuant to this part is suspended or revoked, the operator, within 30 days after receiving notice thereof from the board, shall substitute for that surety a good and sufficient surety licensed to do business in the state. Upon failure of the operator to make substitution of surety, the board may suspend the contract of the operator to conduct operations upon the land described in the contract until the substitution has been made.

(4) The board shall cause the reclamation of any affected land with respect to which a bond has been forfeited.

(5) Whenever an operator has completed all of the requirements under the provisions of this part as to any affected land, he shall notify the board thereof. If the board releases the operator from further obligation regarding such affected land, the penalty of the bond shall be reduced proportionately."

Approved March 18, 1983.

(3) In cases of emergency due to fire, insect, fungus, parasite, or blowdown, timber proposed for sale not in excess of *1 million* board feet may be advertised by invitation to bid for a period of not less than 10 days. The department may reject any or all bids, upon approval of the board, or it shall award the sale to the highest responsible bidder."

A person doing business under the authority of this state or the United States relating to banks, trust companies, savings or building and loan associations, credit unions, or a person engaged in business as a licensed pawnbroker or any person who shall extend credit in connection with the sale of a commodity shall not become a licensee under this chapter nor shall any of the provisions of this chapter apply to any such exempted person.

(2) The provisions of subsection (1) shall apply to any person who seeks to evade its applications by any device, subterfuge, or pretense whatsoever.

(3) Any contract of loan in the making or collection of which any act shall have been done which violates subsection (1) of this section shall be void, and the lender shall have no right to collect, receive, or retain any principal, interest, or charges whatsoever."

Section 3. Section 32-5-201, MCA, is amended to read:

"32-5-201. License application and fees — supplementary license. (1) (a) A place of business operated under this chapter shall properly display on the premises a nontransferable and nonassignable license. The same person may obtain additional licenses upon compliance with this chapter as to each license.

(b) Application for a license shall be on a form prescribed and furnished by the department.

(c) A licensee may move his place of business from one place to another within a county without obtaining a new license, provided he obtains written permission from the department.

(d) With each application the applicant shall submit $50 as an investigation fee and $125 as a license fee. The license fee shall be returned to the applicant if the application is denied. The license year is the calendar year, and the license fee for any period less than 6 months is $62.50. A license remains in force until surrendered, suspended, or revoked.

(2) No licensee under the provisions of this chapter shall lend money in a total sum greater than $1,000 to any borrower or to any borrower and spouse except under the following circumstances:

(a) When any person holding a license provided for in subsection (1) desires to make loans for any amount in excess of $1,000, the holder of such license may apply to the department for a supplementary license and pay therefor an additional license fee of $75 per calendar year or one-half of said sum for any period less than 6 months.

(4) The *amount* of $1,000 in subsection (2) *is* subject to change pursuant to the provisions of 32-5-104."

Section 4. Section 32-5-301, MCA, is amended to read:

"32-5-301. Charges, refunds, penalties, filing fees. (1) Every licensee hereunder may contract for and receive on any loan of money not exceeding $1,000 in principal amount:

(a) charges at rates not in excess of $20 per year per $100 on that part of the principal amount of the loan not exceeding $500;

(b) $16 per year per $100 on that part of the principal amount of the loan exceeding $500 but not exceeding $1,000.

(2) The holder of a supplementary license may contract for and receive charges at rates authorized for licensees in subsection (1) for the first $1,000 of the principal amount of any loan and may contract for and receive charges at rates not in excess of $12 per year per $100 on that part of the principal amount of any loan exceeding $1,000 but not exceeding $7,500.

(3) Charges in (1) and (2) shall be computed at the applicable rates on the full, original principal amount of the loan from the date of the loan to the due date of the final scheduled installment irrespective of the fact that the loan is payable in installments. Said charges shall be added to the principal of the loan and shall not be discounted or deducted therefrom or paid or received at the time the loan is made. For the purpose of computing charges for a fraction of a month, a day shall be considered one-thirtieth of a month.

(4) On loans of $90 or less a licensee may charge, in lieu of charges specified in (1) of this section, not in excess of $1 for each $5 of cash or credit advanced to the borrower up to the amount of $90. A period of at least 15 days must be allowed for the repayment of each $5 cash or credit advanced. Such charges cannot be assessed by any subterfuge or device on any loan over $90 or on any balance of $90 or less when the original loan was greater than $90.

(5) When any loan contract, new loan, renewal, or otherwise, is paid in full by cash 1 month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rule of 78ths or sum of the digits principle as follows: the amount of the refund or credit shall be as great a proportion of the total charges originally contracted for as the sum of the consecutive monthly balances of the contract scheduled to follow the date of prepayment bears to the sum of all the consecutive monthly balances of the contract, both sums to be determined according to the payment schedule originally contracted for.

(6) If the contract so provides, the additional charge for any amount past due according to the original terms of the contract, whether by reason

HeinOnline -- 1983 vol. I 255 1983

of default or extension agreement, may be 5% of the amount past due, and said amount may be charged once and no more.

(7) (a) The licensee may include in the principal amount of any loan the actual fees paid a public official or agency of the state for filing, recording, or releasing any instrument securing the loan.

(b) The licensee may include in the principal amount of any loan bona fide charges related to real estate security and paid to third parties, including:

(i) fees or premiums for title examination, title insurance, or similar purposes, including survey;

(ii) fees for preparation of a deed, settlement statement, or other documents;

(iii) fees for notarizing deeds and other documents;

(iv) appraisal fees;

(v) fees for credit reports; and

(vi) fees paid to a trustee for release of a trust deed.

(8) No further or other charges shall be directly or indirectly contracted for or received by any licensee except those specifically authorized by this chapter. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this chapter. All balances due to a licensee from any person as a borrower or as an endorser, guarantor, or surety for any borrower or otherwise or due from any husband or wife, jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing interest or charges. If any amount in excess of the charges permitted by this chapter is charged, contracted for, and received, except as the result of an accidental and bona fide error of computation, the licensee shall have no right to collect or receive any charges.

(9) On any loan of money exceeding $7,500 in principal amount, a licensee may not make charges as provided in subsections (1) and (2) but shall make charges in accordance with the provisions of this subsection through subsection (12).

(10) On any loan of money exceeding $7,500 in principal amount, a licensee may contract and receive charges at a rate not in excess of 2% per month on the principal amount as follows:

(a) Charges shall be computed on unpaid balances of the principal amount outstanding from time to time for the actual time outstanding. Each payment shall be applied first to accumulated charges and the remainder of the payment applied to the unpaid principal balance, except that if the amount of the payment is insufficient to pay the accumulated charges, unpaid charges continue to accumulate to be paid from the proceeds of subsequent payments and are not added to the principal balance.

(b) Charges made under this subsection may not be payable in advance or compounded. However, if part or all of the consideration for a new loan

HeinOnline -- 1983 vol. I 256 1983

contract is the unpaid principal balance of a prior loan, the principal amount payable under such new loan contract may include any unpaid charges which have accrued. The resulting loan contract is a new and separate loan transaction for all purposes. The principal balance of a prior loan on which charges have been made pursuant to subsections (1) and (2) is the balance due after refund or credit is given to the borrower pursuant to subsection (5).

(11) For purposes of computing charges for a fraction of a month, a day is considered one-thirtieth of a month.

(12) The provisions of subsections (5) and (6) do not apply to loans made under subsections (9) through (11).

(13) The amounts of $90, $500, $1,000, *and* $7,500 in subsections (1), (2), (4), (9), and (10) are subject to change pursuant to the provisions of 32-5-104 on adjustment of dollar amounts."

Section 5. Section 32-5-306, MCA, is amended to read:

"32-5-306. Insurance. (1) No insurance of any kind shall be written by a licensee or employee, affiliate, or associate of the licensee, in connection with any loan except as hereinafter provided.

(2) Insurance permitted under the provisions of this section shall be obtained through an insurance company authorized to conduct such business in Montana by a duly licensed agent or agency of this state. Premiums shall not exceed those fixed by law or current applicable manual rates. Insurance written as authorized by this section may contain a mortgagee clause or other appropriate provisions to protect the insurable interest of the licensee.

(3) When the principal amount of the loan exceeds $300 exclusive of the portion thereof attributable to insurance premiums and charges, the licensee may require a borrower to insure property offered as security against any substantial risk of loss, damage, or destruction for an amount not to exceed the reasonable value of the property insured or the amount of the loan, whichever is smaller, and for the customary term approximating the term of the loan contract. It shall be optional with the borrower to obtain such insurance in an amount greater than the amount of the loan or for a longer term.

(4) Subject to the laws of this state, credit life insurance and credit disability insurance may be provided at the expense of the borrower and may be provided by a licensee upon the request of the borrower when the principal amount of the loan exceeds $300, exclusive of the portion thereof attributable to insurance premiums and charges.

(5) The insurance authorized by this section may be sold, obtained, or provided by or through a licensee, and the premium or identifiable charge for the insurance may be included in the principal amount of the loan; provided, however, that no licensee shall require a borrower to purchase such insurance from such licensee or from any particular agent, broker, or insurance company as a condition precedent for the obtaining of a loan. Any gain or advantage to the licensee or any employee, affiliate, or

HeinOnline -- 1983 vol. I 257 1983

associate of the licensee from the sale, provision, or obtaining of insurance as authorized by this section shall not be deemed to be additional charges or a violation of this chapter.

(6) A licensee shall not require insurance under this section until any existing insurance of the same type has expired or has been canceled and the unearned portion of the premium for the canceled insurance has been rebated to the borrower.

(7) The *amount* of $300 in subsections (3) and (4) *is* subject to change pursuant to 32-5-104 on adjustment of dollar amounts."

Section 6. Section 32-5-402, MCA, is amended to read:

"32-5-402. Investigations. The department may at any time investigate any transaction with borrowers and may examine the books, accounts, and records in this state to discover violations of this chapter by:

(1) a licensee; *or*

(2) a person whom the department has reason to believe is violating or is about to violate this chapter."

Section 7. Section 32-5-501, MCA, is amended to read:

"32-5-501. Open-end loans. (1) A holder of a supplementary license may make open-end loans and may contract for and receive charges at a rate not in excess of the rate set forth in 32-5-301(10) on unpaid balances outstanding from time to time for the actual time outstanding.

(2) A holder of a supplementary license may not compound charges by adding any unpaid charges authorized by this section to the unpaid principal balance of the borrower's account; however, the unpaid principal balance may include the fees paid to third parties as authorized by 32-5-504 and by 32-5-301(7)."

Approved March 18, 1983.

CHAPTER NO. 144

AN ACT REQUIRING A MANUFACTURER TO HONOR THE EXPRESS WARRANTY ON A NEW MOTOR VEHICLE; PROVIDING FOR REPLACEMENT OF OR REFUND FOR A NEW MOTOR VEHICLE THAT DOES NOT CONFORM TO ITS WARRANTY AFTER A REASONABLE NUMBER OF ATTEMPTS HAVE BEEN MADE TO CONFORM THE VEHICLE TO ITS WARRANTY; EXTENDING THE WARRANTY PERIOD BECAUSE OF DELAYS CAUSED BY DISASTERS; ALLOWING OTHER REMEDIES; EXEMPTING A DEALER FROM LIABILITY; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For purposes of this [act], the following definitions apply:

(1) "Consumer" means the purchaser, other than for purposes of resale, of a motor vehicle that has not been brought into nonconformity as the

HeinOnline -- 1983 vol. I 270 1983

result of abuse, neglect, or unauthorized modifications or alterations by the purchaser, any person to whom the motor vehicle is transferred during the duration of an express warranty applicable to the motor vehicle, or any other person entitled by the terms of the warranty to the benefits of its provisions.

(2) "Motor vehicle" means a vehicle propelled by its own power, designed primarily to transport persons or property upon the public highways, and sold in this state. The term does not include a motor home as defined in 61-1-130.

(3) "Warranty period" means the term of an express agreement or the period ending 1 year after the date of the original delivery to the consumer of a new motor vehicle, whichever is earlier.

Section 2. **Warranty enforceable.** If a consumer notifies in writing the manufacturer or its agent during the warranty period that a new motor vehicle does not conform to all applicable express warranties, the repairs necessary to conform the new motor vehicle to the express warranties shall be made by or at the expense of the warrantor, regardless of the expiration of the warranty period after notification of nonconformity is given by the consumer.

Section 3. **Replacement for nonconformity.** (1) If after a reasonable number of attempts the manufacturer or its agent or authorized dealer is unable, during the warranty period, to conform the new motor vehicle to any applicable express warranty by repairing or correcting any defect or condition that substantially impairs the use and market value or safety of the motor vehicle to the consumer, the manufacturer shall replace it with a new motor vehicle of the same model and style and of equal value, unless, for reasons of lack of availability, such replacement is impossible, with a vehicle of comparable market value.

(2) As an alternative to replacement, the manufacturer may accept return of the new motor vehicle from the consumer upon refund to him of the full purchase price, excluding all sales tax, license fee, registration fees, and any similar governmental charges less a reasonable allowance for the consumer's use of the motor vehicle. The refund shall be paid to the consumer and to a lienholder, if any, in proportion to their interests. A reasonable allowance for use is an amount directly attributable to use by the consumer and any previous consumers prior to his first written report of the nonconformity to the manufacturer or its agent and during any subsequent period when the vehicle is not out of service because of nonconformity.

Section 4. **Reasonable number of attempts.** A reasonable number of attempts to conform a new motor vehicle to the applicable express warranties is presumed to have been made for purposes of [section 3(1)] if:

(1) the same nonconformity has been subject to repair four or more times by the manufacturer or its agent or authorized dealer during the warranty period but the nonconformity continues to exist; or

(2) the vehicle is out of service because of nonconformity for a cumulative total of 30 or more business days during the warranty period after notification of the manufacturer, agent, or dealer.

HeinOnline -- 1983 vol. I 271 1983

Section 5. **Warranty extension.** The warranty period of an express warranty is extended to equal the time that repair services are not available because of war or invasion or because of strike or fire, flood, or other natural disaster. The presumption provided herein may not apply against a manufacturer who has not received prior written notification from or on behalf of the consumer and has not had an opportunity to cure the alleged defect.

Section 6. **Provisions nonexclusive.** The provisions of this [act] do not limit the rights or remedies available to a consumer under any other law.

Section 7. **Exhaustion of remedies under federal law.** The provisions of [section 3] are not applicable against a manufacturer who has established an informal dispute settlement procedure in substantial compliance with the provisions of Title 16, Code of Federal Regulations, part 703, as those provisions read on October 1, 1983, unless the consumer has first resorted to that procedure without satisfaction.

Section 8. **Dealer exemption.** Nothing in [this act] imposes any liability on a dealer or creates a cause of action by a consumer against a dealer under section 3.

Section 9. **Applicability.** [This act] applies only to covered motor vehicles purchased after October 1, 1983.

Approved March 19, 1983.

CHAPTER NO. 145

AN ACT TO CHANGE THE PROVISION OF 50-PERCENT REDUCTION FOR THE AMOUNT OF PENSION RECEIVED IN CALCULATING UNEMPLOYMENT COMPENSATION TO A PROPORTIONATE AMOUNT WHERE THE CLAIMANT HAS CONTRIBUTED IN PART TO THE PENSION; AMENDING SECTION 39-51-2203, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-51-2203, MCA, is amended to read:

"39-51-2203. Reduction of benefits because of amounts received from certain other sources. (1) Claimant's weekly benefit amount shall be reduced by the amount that he is receiving from a governmental or other pension, retirement pay, annuity, or other similar periodic payment which is based on work for and contributed to in whole or in part by a base-period employer. *However, the amount by which weekly benefits are to be reduced shall be determined by the ratio of the employer's contributions to the fund from which the payment is made so that the claimant will receive credit only for the proportion of his contributions to that fund.*

HeinOnline -- 1983 vol. I 272 1983

(2) However, if the service performed for the base-period employer does not affect either the eligibility for or the amount of the pension or other type of retirement benefit received from the plan maintained or contributed to by the base-period employer, the reduction requirement of subsection (1) does not apply.

(3) The exception in subsection (2) is not applicable to the receipt of social security and/or railroad retirement benefits.

(4) For the purposes of subsection (1), the division shall, by rule, adopt minimum federal offset requirements as imposed by the federal Employee Retirement Income Security Act of 1974, P.L. 94-566, as amended in 1980 by P.L. 96-364, and as may be amended after March 11, 1981."

Approved March 19, 1983.

(b) The number of deputy registrars, *if appointed*, shall be equally divided between the political parties meeting the requirements of 13-10-601 unless one or more of the parties fail to submit the list required in subsection (3) or submit an incomplete list. A political party which qualifies under 13-10-501 may request the appointment of deputy registrars and shall submit a list for such appointments within 30 days of such qualification.

(c) An appointed deputy registrar must be a resident elector in the precinct for which appointed but may register electors in all precincts in the county.

(3) Deputy registrars shall be appointed from lists of individuals recommended by the qualified political parties, submitted by February 1 of even-numbered years. If no lists are submitted by political parties, the governing body may appoint two deputy registrars for each precinct without party recommendations.

HeinOnline -- 1983 vol. I 273 1983

(4) Each election administrator shall provide training to all deputy registrars in registration procedures and shall issue a certificate to each deputy registrar on successful completion of the training. A deputy registrar may not register voters without a current certificate. All certificates expire on March 15 of each even-numbered year.

(5) Deputy registrars shall forward all completed cards to the county registrar within 3 days. Registration cards properly executed before a deputy registrar prior to the close of registration shall be accepted for 3 days after the close of registration."

CHAPTER NO. 147

AN ACT CLARIFYING STUDENT EXCLUSION FROM MEMBERSHIP IN THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM; AMENDING SECTION 19-3-403, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 19-3-403, MCA, is amended to read:

"**19-3-403. Exclusions.** The following persons may not become members of the retirement system:

(1) elective officers who have not filed with the board written requests to become members, except that a person so excluded from membership may later become a member by otherwise becoming an employee or by written request after a subsequent election to office, and if he affirmatively exercises the option, the contributions of the employer because of his membership shall be the same as they would have been had he not been so excluded;

(2) inmates of state institutions who are allowed compensation for such service as they are able to perform;

(3) persons in state institutions principally for the purpose of training, but who receive compensation;

(4) independent contractors, unless there is a written contract which specifies the creation of an employer-employee relationship for purposes of retirement coverage under The Public Employees' Retirement System Act;

(5) employees serving in employment which does not exceed the equivalent of 120 working days in any fiscal year who have not filed with the board a written request to become members. A member so excluded from membership by this subsection may later become a member by otherwise becoming an employee or by written request after the initial date of exclusion. If he affirmatively exercises the option and pays the employee contribution plus interest, the contributions of the employer, because of his membership, shall be the same as they would have been had he not been

HeinOnline -- 1983 vol. I 274 1983

so excluded plus accrued interest on all employer contributions from the date the contributions would have been made to the date of payment;

(6) employees in service on July 1, 1945, or prior thereto who filed with the board elections not to become members, except that a person so excluded from membership may become a member and be eligible thereafter to receive the same benefits that he would have received if he had never filed an election not to be a member by meeting the requirements prescribed in 19-3-505 and 19-3-506;

(7) persons directly appointed by the governor who do not file with the board an election in writing to become members;

(8) persons who are members of any other retirement or pension system supported wholly or in part by funds of the United States government, any state government, or political subdivision thereof and who are receiving credit in the other system for service, it being the purpose of this subsection to prevent a person from receiving credit for the same service in two retirement systems supported wholly or in part by public funds, except when the service qualifies, is applied for, and purchased pursuant to 19-3-503. A member of the retirement system who, because of his employment by the state, is required to become a member of any other system described in this subsection shall be considered, solely for the purposes of making normal contributions, as permanently separated from service. Exclusion under this subsection is subject to the following exceptions:

(a) When an employer has entered into a collective bargaining agreement which includes provisions for payments or contributions by the employer in lieu of wages to a retirement or pension plan qualified by the internal revenue service for its employees, the employees remain eligible, if otherwise qualified, for membership in the retirement system, and the payments or contributions in lieu of wages may not be considered a part of the employees' compensation for purposes of computing the employer or employee contributions to the retirement system.

(b) For the purpose of this subsection (8), persons receiving pensions, retirement allowances, or other payments from any source on account of employment other than as an employee as defined in this chapter are not considered, because of such receipt, members of any other retirement or pension system.

(9) court commissioners or appointive members of any board or commission who serve the state or any contracting employer intermittently and who are paid on a per diem basis;

(10) persons who become employees after they have reached their 60th birthday and have no creditable service in this system and who do not file with the board an election to become members;

(11) employees of county hospitals or county rest homes in the sixth- and seventh-class counties, unless they elect to file with the board an election in writing to become members;

(12) persons employed for 6 months or less by the legislature or the legislative council to perform work related to the legislative session who do not file with the board an election in writing to become members;

HeinOnline -- 1983 vol. I 275 1983

(13) *full-time* students *employed at and attending the same* public elementary school, high school, vocational-technical center, or community college or any unit of the state university system, except that a person so excluded from membership as a student of a public community college or a unit of the state university system who later becomes a member by otherwise becoming an employee may affirmatively exercise the option of qualifying the service excluded by this subsection by applying to the board in writing after becoming a member and become eligible to receive credit for the excluded service under the provisions of 19-3-505;

(14) effective October 1, 1978, employees whose positions are funded under the federal Comprehensive Employment and Training Act (CETA) and who file with the board elections not to become members. An employee who exercises his election is considered terminated and is eligible for a refund under 19-3-703, and any employer contributions made on his behalf after October 1, 1978, must be returned to the funding agency. If he is subsequently transferred to non-CETA employment and consequently becomes a member, he may revoke his election within 1 year after the transfer date by filing a written revocation with the board and he will then be eligible to qualify the service previously excluded by this subsection under the provisions of 19-3-505.

(15) the chief administrative officer of any city or county where the chief administrative officer has filed an election in writing with the board to be excluded from membership, this election to be filed no later than July 1, 1979, or 30 days after initial employment by a county or city whichever is later;

(16) all former members receiving a retirement allowance other than as a beneficiary serving in employment if that employment does not exceed 60 working days in any fiscal year. These former members must be reinstated into membership on the 61st working day in any fiscal year unless they elect to return to membership prior to that day."

Section 2. **Effective date.** This act is effective on passage and approval.

Approved March 19, 1983.

(2) In all cases where the appellant intends to urge insufficiency of the evidence to support the verdict, order, or judgment in the district court, it shall be the duty of the appellant to order the entire transcript of the evidence. Wherever the sufficiency of the evidence to support a special verdict or answer by a jury to an interrogatory or to support a specific finding of fact by the trial court is to be raised on the appeal by the appellant, he shall be under a duty to include in the transcript all evidence relevant to such verdict, answer, or finding.

(3) Unless the entire transcript is to be included, the appellant shall within the time above provided file and serve on the respondent a description of the parts of the transcript which he intends to include in the record and a statement of the issues which he intends to present on the appeal. If the respondent deems a transcript of other parts of the proceedings to be necessary, he shall within 10 days after such filing and service order such parts from the reporter or procure an order from the district court requiring the appellant to so do.

(4) The cost of producing the transcript shall be paid by the appellant, or he shall make satisfactory arrangements with the reporter for the payment of such cost. If the appellant considers that any part of the record designated by the respondent for inclusion is unnecessary for the determination of the issues presented, he shall advise the respondent. The district court may impose upon the respondent the cost of producing any part which it deems unnecessary for the determination of the issues.

(5) The reporter shall certify the correctness of the transcript."

Approved March 22, 1983.

The salary shall be set by the judge *for whom* the reporter works. *The salary* is payable in monthly installments out of the general funds of the counties comprising the district for which the reporter is appointed. (3) If the judge requires a copy in a civil case to assist him in rendering a decision, the reporter must furnish the same without charge therefor. In civil cases, all transcripts required by the county shall be furnished, *and only the reporter's actual costs of preparation may be paid by the county.*

CHAPTER NO. 157

AN ACT TO GENERALLY REVISE AERONAUTICS LICENSING REQUIREMENTS; AMENDING SECTIONS 15-24-304, 67-3-201, 67-3-202, AND 67-3-211, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 67-3-201, MCA, is amended to read:

"67-3-201. Aircraft registration and licensing. (1) Except as provided in 67-3-102 *and in subsection (7) of this section*, a person may not operate or cause or authorize to be operated a civil aircraft within this state unless the aircraft has an appropriate effective *registration*, license, certificate, or permit issued *or approved* by the United States government which has been registered with the department and the registration with the department is in force.

(2) Aircraft customarily kept in this state shall be registered with the department, which may charge a fee therefor of not more than $10. The registration shall be renewed annually on or before *March* 1 each year.

(3) Section 67-3-202 and subsections (2) through *(7)* of this section shall not apply to:

(a) aircraft owned and operated by the federal government, the state, or any political subdivision thereof;

(b) aircraft owned and held by an aircraft dealer solely for the purpose of resale;

(c) aircraft operated by an airline company and regularly scheduled for the primary purpose of carrying persons or property for hire in interstate or international transportation; or

(d) dismantled or otherwise nonflyable aircraft.

(4) An aircraft shall be registered as property within a particular county of the state. This county shall be the county of the owner's principal residence, if the owner is a natural person, or the owner's principal place of doing business in the state, if the owner is not a natural person. However, if the owner declares by affidavit that the aircraft is customarily kept at a landing facility in another county within the state, he may register the aircraft as property within such other county.

(5) Except as provided in 15-6-210, all aircraft shall be subject to all state, county, and school district tax levies and all other levies designated

HeinOnline -- 1983 vol. I 295 1983

for aircraft- or airport-related uses. Such aircraft shall not be liable for other city tax levies.

(6) Aircraft not registered in the state but entering the state to engage in commercial operations shall be registered prior to commencing operation.

"**67-3-202. Penalty for registration violations.** (1) When an aircraft required to be registered under the provisions of subsections (2) through *(7)* of 67-3-201 is not registered on or before *March* 1 of the current calendar year, a penalty fee of $100 shall be added to the registration fee and collected. Registration of an aircraft in the name of the applicant for the year immediately preceding the year for which application for registration is made shall be prima facie evidence that the aircraft has been based in this state during the year for which application for registration is made.

(2) Except for aircraft exempt from property taxation as provided in 15-6-210, an application for registration shall be accompanied by a copy of the receipt for or statement of personal property tax paid, signed by the treasurer of the county where the aircraft is registered or a statement of lien assignment against real property signed by the county assessor where the aircraft is registered. A person who pays personal property tax on his aircraft to any jurisdiction other than the county where the aircraft is required to be registered is liable for the tax in that county without credit for such other taxes paid. In addition to this civil liability, a person who attempts to establish the situs of his aircraft in any jurisdiction other than the county where the aircraft is required to be registered with intent to avoid payment of taxes to that county commits the offense of false swearing as defined in 45-7-202.

(3) A person who operates an aircraft required to be registered in the state without having displayed upon such aircraft a certificate of registration issued by the department for that aircraft commits a misdemeanor."

Section 3. Section 67-3-211, MCA, is amended to read:

AN ACT TO DELETE THE REQUIREMENT THAT ADDITIONAL STRIP- AND UNDERGROUND-MINING PERMITS MAY NOT BE ISSUED TO AN OPERATOR WHO HAS REPEATEDLY VIOLATED STATE RECLAMATION LAWS; AMENDING SECTION 82-4-251, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82-4-251, MCA, is amended to read:

"82-4-251. Noncompliance — suspension of permits. (1) The commissioner or an authorized representative of the department shall, if he determines on the basis of an inspection that any condition or practices exist or that the permittee is in violation of any requirement of this part or any permit condition required by the part that creates an imminent danger to the health or safety of the public or is causing or can reasonably be expected to cause significant and imminent environmental harm to land, air, or water resources, immediately order cessation of the operation or the portion thereof relevant to the condition, practice, or violation. The cessation order remains in effect until the commissioner or his authorized representative determines that the condition, practice, or violation has been abated or until modified, vacated, or terminated by the commissioner or his authorized representative pursuant to subsection (5). If the commissioner or his authorized representative finds that the ordered cessation of the operation, or any portion thereof, will not completely abate the imminent danger to the health or safety of the public or the significant and imminent environmental harm to land, air, or water resources, he shall in addition to the cessation order impose affirmative obligations requiring whatever steps the commissioner or his authorized representative considers necessary to abate the imminent danger or the significant environmental harm.

HeinOnline -- 1983 vol. I 301 1983

(2) When, on the basis of an inspection, the department determines that any permittee is in violation of any requirement of this part or any permit condition required by this part which does not create an imminent danger to the health or safety of the public or cannot be reasonably expected to cause significant and imminent environmental harm to land, air, or water resources, the commissioner or authorized representative shall issue a notice to the permittee or his agent fixing a reasonable time, not exceeding 90 days, for the abatement of the violation and providing opportunity for public hearing. If, upon expiration of the period of time as originally fixed or subsequently extended, for good cause shown and upon the written finding of the commissioner or his authorized representative, the commissioner or his authorized representative finds that the violation has not been abated, he shall immediately order a cessation of the operation or the portion thereof relevant to the violation. Such cessation order remains in effect until the commissioner or his authorized representative determines that the violation has been abated or until modified, vacated, or terminated by the commissioner or his authorized representative pursuant to subsection (5). In the order of cessation issued under this subsection, the commissioner shall determine the steps necessary to abate the violation in the most expeditious manner possible and shall include the necessary measures in the order.

(3) When, on the basis of an inspection, the commissioner or his authorized representative determines that a pattern of violations of any requirements of this part or any permit conditions required by this part exists or has existed and if the commissioner or his authorized representative also finds that such violations are caused by the unwarranted failure of the permittee to comply with any requirements of this part or any permit conditions or that such violations are willfully caused by the permittee, the commissioner or his authorized representative shall forthwith issue an order to the permittee to show cause as to why the permit should not be suspended or revoked and shall provide opportunity for a public hearing. If a hearing is requested, the commissioner shall inform all interested parties of the time and place of the hearing. Upon the permittee's failure to show cause as to why the permit should not be suspended or revoked, the commissioner or his authorized representative shall forthwith suspend or the board shall revoke the permit. When a permit has been revoked, the board may order the performance bond forfeited.

(4) Any additional permits held by an operator whose mining permit has been revoked shall be suspended and the operator is not eligible to receive another permit or to have the suspended permits reinstated until he has complied with all the requirements of this part in respect to former permits issued him. An operator who has forfeited a bond is not eligible to receive another permit unless the land for which the bond was forfeited has been reclaimed without cost to the state or the operator has paid into the reclamation account a sum together with the value of the bond the board finds adequate to reclaim the lands.

(5) Notices and orders issued pursuant to this section shall set forth with reasonable specificity the nature of the violation and the remedial

HeinOnline -- 1983 vol. I 302 1983

action required, the period of time established for abatement, and a reasonable description of the portion of the operation to which the notice or order applies. Each notice or order issued under this section shall be given promptly to the permittee or his agent by the department or the commissioner or his authorized representative who issues the notice or order. All such notices and orders must be in writing and be signed by the authorized representatives. Any notice or order issued pursuant to this section may be modified, vacated, or terminated by the commissioner or his authorized representative, provided that any notice or order issued pursuant to this section that requires cessation of mining by the operator expires within 30 days of actual notice to the operator unless a public hearing is held at the site or within such reasonable proximity to the site that any viewings of the site can be conducted during the course of public hearing.

(6) A person issued a notice or an order of cessation pursuant to this section or any person having an interest that is or may be adversely affected by an order or by modification, vacation, or termination of an order may apply to the department for review of that order within 30 days of its issuance or within 30 days of its modification, vacation, or termination. Upon receipt of the application, the department shall make an investigation. The investigation shall provide an opportunity for public hearing at the request of the applicant or the person having an interest who is or may be adversely affected to enable the applicant or the person to present information relating to the issuance and continuance of the notice or order or the modification, vacation, or termination of it. The filing of an application for review under this subsection may not operate as a stay of any order or notice. The department shall make findings of fact and issue a written decision incorporating an order vacating, affirming, modifying, or terminating the order.

(7) Whenever an order is issued under this section or as the result of any administrative proceeding under this part, at the request of any person, a sum equal to the aggregate amount of all costs, expenses, and attorney fees as determined by the department to have been reasonably incurred by such person for or in connection with his participation in such proceedings, including any judicial review of agency actions, may be assessed against either party as the court, resulting from judicial review, or the department, resulting from administrative proceedings, considers proper.

(8) In order to protect the stability of the land, the commissioner or his authorized representative shall order cessation of underground coal mining under urbanized areas, cities, towns, and communities and adjacent to industrial or commercial buildings, major impoundments, or permanent streams if he finds imminent danger to inhabitants of the urbanized areas, cities, towns, and communities."

Approved March 22, 1983.

Be it enacted by the Legislature of the State of Montana:

Section 1. **"Properly restrained" defined.** As used in this part, "properly restrained" means fastened in a manner prescribed by the manufacturer of the system which permits the system to act as a body restraint, but does not mean a system in which the only body restraint is a safety belt of the type specified in 61-9-410.

(2) No resident of Montana who is the parent or legal guardian of a child between 2 and 4 years old or weighing less than 40 pounds may transport the child in a motor vehicle owned by the resident or his spouse unless the child is properly restrained or is restrained in a safety belt of the type specified in 61-9-410.

(3) The division shall by rule establish standards in compliance with [this act] and applicable federal standards for approved types of child safety restraint systems purchased after [the effective date of this act].

Section 4. **Evidence admissible without presumption of negligence.** Evidence of compliance or failure to comply with [section 2] is admissible in any civil action for personal injury or property damage resulting from the use or operation of a motor vehicle, but failure to comply with [section 2] does not alone constitute negligence.

HeinOnline -- 1983 vol. I 351 1983

Section 5. **Penalty.** Violation of [section 2] is punishable as follows:

(1) on initial violation a warning shall be issued. No penalty may be assessed if the violation of [section 2] is corrected within 30 days by providing proof that a child safety restraint system meeting the requirements of [section 2] was purchased or leased and properly installed in the vehicle. Money transferred for the payment of bonds and notes must be deposited in the debt service account.

No renewal of any note may be issued after the sale of bonds in anticipation of which the original notes were issued.

(2) Bond anticipation notes or other short-term evidences of indebtedness maturing not more than 1 year after the date of issue may be issued from time to time as the proceeds thereof are needed. (d) such other terms and conditions as the board may consider appropriate.

(4) In connection with the issuance and sale of notes as provided in this section, the board may arrange for lines of credit with any bank, firm, or person for the purpose of providing an additional source of repayment for notes issued pursuant to this section. Amounts drawn on such lines of credit may be evidenced by negotiable or nonnegotiable notes or other evidences of indebtedness, containing such terms and conditions as the board may authorize in the resolution approving them.

Section 6. **Bid security.** Notwithstanding 18-1-203, in any case where bids are solicited for the purchase and sale of bonds or notes under [sections 1 through 6], the bid must be accompanied by lawful money of the United States or a cashier's check, certified check, bank money order, or bank draft drawn and issued by any federally chartered or state-chartered bank that is insured by the federal deposit insurance corporation, in such amount as may be required by the board or by the state treasurer under authority of [section 5].

(2) Not later than 180 days before construction begins of any machine, equipment, device, or facility which the board finds may directly or indirectly cause or contribute to air pollution or which is intended primarily to prevent or control the emission of air pollutants and not later than 120 days before installation, alteration, or use begins, the owner or operator shall file with the department the appropriate permit application on forms available from the department and pay to the department a fee sufficient to cover:

(a) the reasonable costs of reviewing and acting upon the application for such permit; and

(b) the reasonable costs of implementing and enforcing the terms and conditions of such permit if the permit is granted (not including any court costs or other costs associated with any enforcement action). The fee shall be deposited in an earmarked revenue fund to be used by the department for administration of this section.

(3) Nothing in this section shall restrict the board's authority to adopt regulations providing for a single air quality permit system.

(4) The department may, for good cause shown, waive or shorten the time required for filing the appropriate applications.

HeinOnline -- 1983 vol. I 390 1983

(5) The department shall require that applications for permits be accompanied by any plans, specifications, and other information it considers necessary.

(6) An application is not considered filed until the applicant has submitted all information and completed all application forms required by subsections (2), (3), and *(5)*. However, if the department fails to notify the applicant in writing within 30 days after the purported filing of an application that the application is incomplete and fails to list the reasons why the application is considered incomplete, the application is considered filed as of the date of the purported filing.

(7) *(a)* Where an application for a permit requires the compilation of an environmental impact statement under the Montana Environmental Policy Act, the department shall notify the applicant in writing *of the approval or denial of the application* within:

(i) 180 days of the receipt of a filed application, as defined in subsection *(6), if the department prepares the environmental impact statement; or*

(ii) within 30 days after issuance of the final environmental impact statement by the lead agency if a state agency other than the department has been designated by the governor as lead agency for preparation of the environmental impact statement.

(b) However, where an application does not require the compilation of an environmental impact statement, the department shall notify the applicant in writing within 60 days of the receipt of a filed application, as defined in subsection *(6)*, of the approval or denial of the application. Notification of approval or denial may be served personally or by registered or certified mail on the applicant or his agent.

(8) When the department approves or denies the application for a permit under this section, a person who is jointly or severally adversely affected by the department's decision may request, within 15 days after the department renders its decision, upon affidavit setting forth the grounds therefor, a hearing before the board. A hearing shall be held under the provisions of the Montana Administrative Procedure Act.

(9) The department's decision on the application is not final unless 15 days have elapsed and there is no request for a hearing under this section. The filing of a request for a hearing postpones the effective date of the department's decision until the conclusion of the hearing and issuance of a final decision by the board."

Section 2. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

(2) The deductions shall be made notwithstanding that the minimum compensation provided by law for a member may be reduced thereby. Every member is considered to consent to the deductions prescribed by this section, and payment of salary or compensation less the deductions is a complete discharge of all claims whatsoever for the services rendered by the member during the period covered by the payment, except as to the benefits provided by the retirement system.

(3) In addition to the contributions deducted from compensation and subject to the approval of the retirement board, any member may redeposit in the annuity savings fund, by a single payment or by an increased rate of contribution, an amount equal to any accumulated contributions which he has previously withdrawn, plus interest in the amount the contributions would have earned had the contributions not been withdrawn.

(1) Any person who violates any provision of this chapter or any rule enforced thereunder or any order *or permit* made *or issued* pursuant thereto and after notice thereof has been given by the department shall be subject to a civil penalty not to exceed $10,000. Each day of violation shall constitute a separate violation. The department may institute and maintain in the name of the state any enforcement proceedings hereunder. Upon request of the department, the attorney general or the county attorney of the county of violation shall petition the district court to impose, assess, and recover the civil penalty. The civil penalty is in lieu of the criminal penalty provided for in 75-2-412.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-37-102, MCA, is amended to read:

"15-37-102. Gross value of metal mine yield — computation. *The "quarterly reporting date", as used in this part, means the last day*

of the calendar quarter. The "*quarterly* gross value of product", as used in this part, *means* the market value of all merchantable metals or precious and semiprecious gems and stones extracted or produced each *calendar quarter* from any mine or mining property in the state or recovered from the smelting, milling, reduction, or treatment in any manner of ores extracted from any such mine or mining property or from tailings resulting from the smelting, reduction, or treatment of any such ores. Whenever the ores require smelting, reduction, or treatment to ascertain the metal contents of such ores, the *quarterly* gross value of the product thereof shall be determined by taking the market value of all merchantable metals or mineral products extracted or recovered thereby as shown by the gross smelter returns of such metals or mineral product in dollars and cents without any deductions for costs of smelting, reduction, or treatment or otherwise, based upon the average quotations of the price of such metals or mineral products in the city of New York, as evidenced by some established authority or market report, giving the market reports during the calendar *quarter for which a report is being made.* Should there be no quotation covering any particular product, the department of revenue shall fix the value of such gross product or such portion thereof in such a manner as may seem equitable."

Section 2. Section 15-37-104, MCA, is amended to read:

"15-37-104. Mine operator's statement of gross value — reports and sampling. (1) Every person engaged in or carrying on the business of working or operating any mine or mining property in this state from which gold, silver, copper, lead, or any other metal or metals, precious or semiprecious gems or stones are produced must, not later than *60 days following the quarterly reporting date of each quarter* when engaged in or carrying on any such business, work, or operation, make out a statement of the gross value of product from all mines and mining properties worked or operated by such person during the calendar *quarter* immediately preceding. *If good cause is shown, the department may grant a reasonable extension of the time for filing statements. The* statement shall be in the form prescribed by the department of revenue and shall show the following:

(a) the name, address, and telephone number of the owner, lessee, or operator of the mine or mining property;

(b) the mine's location by county and legal description;

(c) the number of tons of ore, concentrate, or other mineral products or deposits extracted from the mine or mining property during the period covered by the statement;

(e) the gross yield of such ores, concentrates, mineral products, or deposits in constituents of commercial value, that is to say, the number of ounces of gold or silver, pounds of copper, lead, or zinc, or other commercially valuable constituents of said ores, concentrates, or mineral products

HeinOnline -- 1983 vol. I 424 1983

or deposits, measured by standard units of measurement, during the period covered by the statement;

(f) the *quarterly* gross value of product in dollars and cents.

(2) This section applies regardless of the location of any smelter, mill, or reduction works to which the ore or concentrate is shipped.

(3) Any sampling, testing, or assaying made necessary to comply with this section must be completed within this state and prior to any mixture of the ore or concentrate to be assayed with ore or concentrate from any other mine or mining property.

(4) If the quarterly statement of gross value described herein is not filed with the department within 60 days following the calendar quarter ending, a penalty shall be assessed. The penalty shall be the greater of $25 or 2% of the tax that would be due under [this act] if collected quarterly. If good cause is shown, the department may waive the penalty."

Section 3. Section 15-37-105, MCA, is amended to read:

"**15-37-105. Computation and payment of tax.** (1) *The tax due under this chapter is computed according to 15-37-103 and is due and payable on or before March 1 of each year for the products produced in the preceding calendar year. The tax due under this chapter becomes delinquent as of midnight on March 1 of the year immediately following the production year. If good cause is shown, the department may grant a reasonable extension of time for payment of the tax. During the period of any extension granted, the tax due bears interest at a rate of 1% a month or any part thereof.*

(2) If any such person has sold or otherwise disposed of any of its mine's products at a price substantially below the true market price of such product at the time and place of such sale or disposal, then the department shall compute the gross value of such portion of said mine's product so sold or disposed of substantially below the market price as aforesaid, which gross value shall be based upon the quotations of the price of such mine's product in New York City at the time such portion of the product was so sold or otherwise disposed of as evidenced by some established authority or market report, such as the Engineering and Mining Journal of New York, or some other standard publication, giving the market reports for the year covered by such statement. Should there be no quotation covering any particular product, then the department shall fix the value of such gross product or such portion thereof as shall have been sold or otherwise disposed of at a price substantially below the true market price at the time and place of such sale or disposal in such a manner as may seem to be equitable."

Section 5. Section 15-37-108, MCA, is amended to read:

"**15-37-108. Delinquent taxes — penalty.** All license taxes assessed under the provisions of this part shall become delinquent if not paid *on or before midnight of March 1 of the year immediately following the production year. The department shall add to the amount of delinquent metalliferous mines tax* a penalty of *8%. The* whole amount of license tax, *together* with penalty, shall bear interest at the rate of 1% per month or fraction thereof. *Interest shall be computed from the date the tax becomes delinquent until it is paid. The department may waive the 8% penalty if it determines that a reasonable cause exists for failure to pay the tax on or before March 1 of the year immediately following the production year.*"

AN ACT PROVIDING FOR STATE USE AND DISTRIBUTION OF FEDERAL COMMUNITY SERVICES BLOCK GRANT FUNDS; DEFINING "HUMAN RESOURCE DEVELOPMENT COUNCIL"; PROVIDING FOR THE ADMINISTRATION OF FISCAL AND PROGRAM CONTROLS TO COMPLY WITH FEDERAL LAW; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the federal Community Services Block Grant is a federal program designed to ameliorate the causes of poverty in communities within each state; and

WHEREAS, Human Resource Development Councils are nonprofit community organizations that have served multicounty areas of the state in the process of helping low-income persons; and

HeinOnline -- 1983 vol. I 440 1983

WHEREAS, it is the basic purpose of Human Resource Development Councils to stimulate a better allocation of available local, state, private, and federal resources toward the goal of enabling low-income families and low-income individuals of all ages, in rural and urban areas, to attain skills, knowledge, and motivation and to secure the opportunities needed for them to become self-sufficient; and

WHEREAS, it is recognized that these needs can be best achieved by encouraging the participation of the private sector in these efforts; and

WHEREAS, to achieve these goals it is necessary to strengthen local community capabilities for planning and coordinating federal, state, and other resources so that duplication is eliminated whenever possible through the efforts of local officials, organizations, and interested and affected citizens.

THEREFORE, this act is intended to achieve a better allocation of available federal and state resources.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [this act], the following definitions apply:

(1) "Block grant" means the federal community services block grant established under 42 U.S.C. section 9901, et seq. (95 Stat. 511, et seq.).

(2) "Department" means the department of social and rehabilitation services provided for in 2-15-2201.

(3) "Human resource development council" means a nonprofit public or private community organization serving low-income persons in a multicounty area that has the same boundaries as one or more substate planning districts established by executive order of the governor.

Section 2. **Allocation of federal community services block grant funds.** The department shall allocate the state's share of the block grant funds as follows:

(1) The department may retain 5% for administrative costs and 5% for special projects.

(2) The balance of the block grant funds after any retention pursuant to subsection (1) must be distributed to human resource development councils that are eligible to receive such funding under [section 3] as follows:

(a) $500,000, or if the balance of the block grant funds is less than $500,000, then the entire balance of the block grant funds, must be equally divided among the eligible human resource development councils; and

(b) except as provided under [section 4(2)], the balance of the block grant funds after distribution under subsections (1) and (2)(a) must be divided among eligible human resource development councils as follows:

(i) one-half based upon the population residing within the areas of human resource development councils; and

(ii) one-half based upon the low-income population, as that population may be determined under the provisions of the block grant, residing within the areas of the human resource development councils.

HeinOnline -- 1983 vol. I 441 1983

Section 3. **Eligible human resource development councils.** The department may not distribute block grant funds unless the human resource development council:

(1) meets the eligibility requirements set forth in 42 U.S.C. section 9904, including composition of the board; and

(2) has complied with federal and state fiscal control requirements and agrees to comply with all fiscal and program requirements of federal law.

Section 4. **Block grant plan — county and state approval.** (1) A human resource development council shall prepare a plan for use of block grant funds. The planned use must be in compliance with block grant requirements, and the plan must be made to further the goals stated in the block grant.

(2) The human resource development council shall submit the plan to the county governing bodies within its multicounty area. A county governing body may approve, disapprove, or offer amendments to the plan. If the county governing body and the human resources development council cannot agree as to the plan's components, the department shall prepare and approve a plan for such county. The department shall then allocate block grant funds to the appropriate human resource development council to administer according to the plan approved for such county by the department.

(3) The plan must be submitted to the department for approval prior to distribution by the department of block grant funds allocated to the human resource development council. The department may disapprove a plan, in whole or in part, only if the plan conflicts with a federal law or regulation. A disapproved plan may be amended and resubmitted to the department.

Section 5. **Fiscal and program responsibility.** The department shall ensure state compliance in fiscal accountability and program integrity relating to block grant funds and services. The department shall audit the human resource development councils as may be required by state and federal law.

Each applicant city and urban transportation district shall compute its expenditure of local revenues for public transportation operations for a fiscal year immediately following the end of such year and shall apply allocations received against that deficit.

All taxes, interest, and penalties collected under this chapter shall be turned over promptly to the state treasurer who shall place the same in the earmarked revenue fund to the credit of the department of highways. *Those* funds hereinbelow allocated to cities, towns, and counties shall be paid by the *department of highways from the earmarked revenue fund* to such cities, towns, and counties.

(1) $6,500,000 of the funds collected under this chapter shall be allocated each fiscal year on a monthly basis to the counties and incorporated cities and towns in Montana for construction, reconstruction, maintenance, and repair of rural roads and city or town streets and alleys, as provided in subsections (a) and (b) hereof:

HeinOnline -- 1983 vol. I 443 1983

(b) $3,550,000 shall be divided among the incorporated cities and towns in the following manner:

(ii) 50% in the ratio that the city or town street and alley mileage, exclusive of the federal-aid interstate system and the federal-aid primary system, within corporate limits bears to the total street and alley mileage, exclusive of the federal-aid interstate system and federal-aid primary system, within the corporate limits of all cities and towns in Montana.

(2) All funds hereby allocated to counties, cities, and towns shall be used exclusively for the construction, reconstruction, maintenance, and repair of rural roads, city or town streets and alleys or for the share which such city, town, or county might otherwise expend for proportionate matching of federal funds allocated for the construction of roads or streets which are part of the federal-aid primary or secondary highway system or urban extensions thereto.

(3) Upon receipt of the allocation provided herein, the governing bodies of the recipient counties, cities, and towns shall inform the department of highways of the purposes for which the funds will be expended so that the county commissioners, the governing body, and the department of highways may coordinate the expenditure of public funds for road improvements.

(4) All funds hereby allocated to counties, cities, and towns shall be disbursed to the lowest responsible bidder according to applicable bidding procedures followed in all cases where the contract for construction, reconstruction, maintenance, or repair is in excess of $4,000.

(5) For the purposes of this section where distribution of funds is made on a basis related to population, the population shall be determined by the last preceding official federal census.

(6) For the purposes of this section where determination of mileage is necessary for distribution of funds, it shall be the responsibility of the cities, towns, and counties to furnish to the department of highways a yearly certified statement indicating the total mileage within their respective areas applicable to this chapter. "87-4-128. Investigation of applicant — issuance or denial of license. (1) The director in his discretion may cause to be made such additional investigation and inquiry relative to the applicant for outfitter's or professional guide's license and an applicant's qualifications as he considers advisable.

(2) The director may deny or refuse to issue any new license or to renew any previous license if, in his opinion, the applicant does not meet the qualifications herein stated. In the event that any application for license is denied or refused, the director shall immediately notify the applicant, setting forth in the notice the grounds upon which the denial or refusal is based.

(3) Final decision as to issuance of renewal licenses shall be made not later than 30 days from the date of receipt of the completed application for renewal and not later than 90 days from the date of receipt of a completed application for a new license.

(4) A licensee in good standing is entitled to a new license for the ensuing license year upon complying with the provisions of this part and completing an application for license renewal on a form provided by the department but is exempt from having to retake the written examination.

(5) An outfitter licensee must make an application for license renewal by January 1 of the license year. A penalty fee of $50 will be charged in addition to the regular resident or nonresident outfitter's license *fee* if the application for such license is not completed and made by January 1 of the license year. This subsection does not apply to a new applicant for an outfitter's license."

Section 10. Section 90-5-110, MCA, is amended to read:

"90-5-110. Taxation of projects. (1) Notwithstanding that title to a project may be in a municipality or county, such projects shall be subject

HeinOnline -- 1983 vol. I 450 1983

to taxation to the same extent, in the same manner, and under the same procedures as privately owned property in similar circumstances if such projects are leased to or held by private interests on both the assessment date and the date the levy is made in any year, but such projects shall not be subject to taxation in any year if they are not leased to or held by private interests on both the assessment date and the date the levy is made in any year.

(2) Where personal property owned by a municipality or county is taxed under this section and such personal property taxes are delinquent, levy by warrant *for distraint* for collection of such delinquent taxes may only be made on personal property against which such taxes were levied."

Section 11. **Repealer.** Sections 49-4-201 and 87-4-126, MCA, are repealed.

Approved March 28, 1983.

However, gross receipts shall not include cash discounts allowed and taken on sales and sales refunds, either in cash or by credit, uncollectable accounts written off from time to time, or payments received in final liquidation of accounts included in the gross receipts of any previous return made by the person."

The *department* shall maintain at Helena, Montana, open to public inspection during office hours, a complete indexed record of all applications and all licenses issued and all certificates of renewal and of cancellations or suspensions thereof and shall furnish a certified copy of any license issued, of renewal certificates, or of the cancellations or suspensions thereof, upon receipt of the sum of $1, and such certified copy shall be received in all courts and elsewhere as prima facie evidence of the facts stated therein."

Section 5. Section 15-50-105, MCA, is amended to read:

"15-50-105. Disposal of fees. All moneys collected hereunder shall be deposited by the *department* with the state treasurer, who shall credit them to the general fund of the state."

Any applicant for a license under the provisions hereof shall specify in his application *the field and* the class of license applied for.

(2) In any field of contracting:

(a) the holder of a Class A license shall be entitled to engage in the public contracting business within the state without any limitation as to

HeinOnline -- 1983 vol. I 452 1983

the value of a single public contract project; subject, however, to such prequalification requirements as may be imposed by the public body or bodies referred to in 15-50-101*(3)*. At the time of making the application for such license, the applicant shall pay to the *department* a fee in the sum of *$250.*

(b) the holder of a Class B license shall be entitled to engage in the public contracting business within the state but shall not be entitled to engage in the construction of any single public contract project of a value in excess of *$100,000* and shall pay to the *department* as a license fee the sum of *$150* for such Class B license at the time of making application therefor;

(c) the holder of a Class C license shall be entitled to engage in the public contracting business within the state but shall not be entitled to engage in the construction of any single public contract project of a value in excess of $25,000 and shall pay to the *department* as a license fee the sum of *$100* at the time of making application therefor.

(3) If a holder of a license for any class within a field of contracting applies for another license for the same class but within a different field of contracting, he shall pay a fee equal to 25% of the fee for the appropriate class of license as provided in subsection (2) to be licensed in the additional field. If an applicant for a license for any class within a field of contracting at the same time applies for a license for the same class but within a different field of contracting, he shall pay the fee for the appropriate class of license as provided in subsection (2) to be licensed in one of the fields of contracting plus 25% of the fee for the same class to be licensed in the other field."

Section 7. Section 15-50-205, MCA, is amended to read:

"15-50-205. Additional license tax imposed. (1) In addition to the fees enumerated above, each public contractor shall pay to the *department of revenue* an additional license fee in a sum equal to 1% of the gross receipts from public contracts during the income year for which the license is issued.

(2) The additional license fee shall be computed upon the basis of the entire contract for each separate contract let by any of the public bodies as specified in 15-50-101*(3)*."

Section 8. Section 15-50-206, MCA, is amended to read:

"15-50-206. Withholding license fee from payments — refunds. (1) The prime contractor shall withhold the additional 1% license fee from payments to his subcontractors and inform the department of revenue on prescribed forms of the amount of the additional 1% license fee in his account to be allocated and transferred to the subcontractor. The notification to transfer portions of the additional 1% license fee must be filed within 30 days after each payment is made to subcontractors. If any prime contractor fails to file the required allocation and transfer report at the time required by or under the provisions of this chapter, a penalty computed at the rate of 10% of the additional 1%

HeinOnline -- 1983 vol. I 453 1983

license fee withheld from subcontractors shall be due from the prime contractor.

(2) The state, county, city, or any agency or department thereof, as described in 15-50-101*(3)* for whom the contractor is performing public work shall withhold, in addition to other amounts withheld as provided by law, 1% of all payments due the contractor and shall transmit such moneys to the department of revenue. In the event that the 1% of gross receipts is not withheld as provided, the contractor shall make payment of these amounts to the department within 30 days after the date on which the contractor receives each increment of payment for work performed by the contractor.

(3) Any overpayment of the 1% of gross receipts withheld or paid by any contractor hereunder shall be refunded by the department *of revenue* at the end of the income year upon written application therefor."

Section 9. Section 15-50-211, MCA, is amended to read:

"15-50-211. Application for license — contents. To obtain a license under this chapter, the applicant shall submit on such forms as the *department* shall prescribe an application, under oath, which shall contain a statement of the applicant's experience and qualifications as a contractor; the value and character of contract work completed and for whom performed during 5 years prior to the filing of such application; and a complete financial statement on such forms and disclosing such information as shall be required by the *department*. Such application shall also contain such other information as may be requested by the *department* under such rules as may be adopted by *the department* and which will assist *the department* in determining the applicant's fitness to act in the capacity of a public contractor as defined in this chapter. Such application shall also contain a statement that the applicant desires the issuance of a license under the terms of this chapter and shall specify the *field of contracting and the* class of license applied for."

Section 10. Section 15-50-212, MCA, is amended to read:

"15-50-212. Investigation of applicant — issuance of license. It shall be the duty of the *department* to investigate and determine the applicant's fitness to act in the capacity of public contractor as defined in this chapter, and no license shall be issued to such applicant until the expiration of 10 days from and after the filing of such application. The license so issued in pursuance of the first application shall entitle the licensee to act as a public contractor within this state, subject to the limitations of such license, until the expiration of the then-current calendar year."

Section 11. Section 15-50-213, MCA, is amended to read:

"15-50-213. Renewal — waiting period after cancellation. (1) Any license issued under the provisions of this chapter may be renewed for each successive calendar year by obtaining from the *department* a certificate of renewal thereof. For the purpose of obtaining such certificate of renewal, the licensee shall file with the *department* an application therefor, stating the *field of contracting and* class of license applied for and

HeinOnline -- 1983 vol. I 454 1983

containing *at least* the same information as that required in the application for the original license. The application for such certificate of renewal must be made to the *department* on or before March 1 of each successive calendar year, and such renewal certificate shall be good for the then-current calendar year.

(2) At the time of filing the application for a certificate of renewal, the applicant shall pay to the *department* a license fee equal to 50% of the license fee for the original license, provided that if any applicant for a certificate of renewal shall apply for a renewal under a different *field or* class from the license theretofore issued to him, such new license shall be issued only upon the same showing and under the same terms and conditions and upon payment of the same fee required for the issuance of an original license.

(3) All certificates of renewal wherein the applicant does not apply for a change in the *field or* class of license shall be issued by the *department* to the applicant forthwith when the application is filed and the license renewal fee paid.

(4) After cancellation of a license, such licensee shall not be relicensed during the current calendar year in which the offense was committed."

Section 12. Section 15-50-302, MCA, is amended to read:

"15-50-302. Complaints against licensee — grounds — investigation — hearing — suspension of license — appeals. (1) Any person or other organization may file a duly verified complaint with the *department* charging that the licensee is guilty of one or more of the following acts or omissions:

(a) abandonment of any contract without legal excuse;

(b) diversion of funds or property received under express agreement for prosecution or completion of a specific contract under this chapter or for a specified purpose in the prosecution or completion of any contract and their application or use for any other contract, obligation, or purpose with intent to defraud or deceive creditors or the owner;

(c) the doing of any willful fraudulent act by the licensee as a public contractor in consequence of which another is substantially injured;

(d) the making of any false statement in any application for a license or renewal thereof;

(e) the failure to comply with the provisions of 18-1-112 requiring preference of products manufactured or produced in this state by Montana industry and labor.

(2) Upon the filing of such complaint, the *department* shall investigate the charge and within 60 days after the filing of such complaint render and file *a* decision, with *the* reasons therefor. If the *department's* decision be that the licensee has been guilty of any of such acts or omissions, *the department* shall suspend the contractor's license. At any time within 20 days thereafter, the complainant or the contractor may petition the

department for a rehearing. In the order granting or denying such rehearing, the *department* shall set forth a statement of the particular grounds and reasons for *the department's* actions on such petition and shall mail a copy of such order to the parties who have appeared in support of or in opposition to the petition for rehearing. If a rehearing be granted, the *department* shall set the matter for further hearing on due notice to the parties and, within 30 days after submission of the matter, serve *the department's* decision after rehearing in like manner as an original decision.

(3) The filing of such petition for rehearing as to the *department's* actions in suspending or canceling such license shall suspend the operation of such action and permit the licensee to continue to do business as a public contractor pending final determination of the controversy.

(4) Within 30 days after the decision on rehearing, any party aggrieved by such decision of the *department* may appeal therefrom to the district court in and for the county in which the licensee under this chapter resides or does business as a public contractor by serving upon the *department* a notice of such appeal. The matter shall thereupon be heard de novo by the district court. An appeal may be taken from the decision of the district court in the same manner as appeals in other civil cases.

(5) In all cases where the licensee has filed his notice of appeal from the decision of the *department* or from the decision of the district court, such licensee shall be entitled to continue to do business as a public contractor pending final decision of the controversy."

Approved March 28, 1983.

CHAPTER NO. 241

AN ACT TO AUTHORIZE THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO COOPERATE WITH THE FEDERAL GOVERNMENT IN IMPLEMENTATION OF THE FEDERAL COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT OF 1980 TO REMEDY THE RELEASE OF HAZARDOUS SUBSTANCES AND CONTAMINANTS INTO THE ENVIRONMENT; PROVIDING FOR FUNDING OF HAZARDOUS WASTE PROGRAMS; AMENDING SECTIONS 15-38-202 AND 75-10-532, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** The legislature finds that the existence of hazardous substances and contaminants in the environment and hazardous waste disposal sites poses a significant health hazard through potential and actual contamination of the environment. [Sections 1 through 4] are therefore enacted to protect the public health, safety, and welfare through cooperation with the federal government under the federal Comprehensive

HeinOnline -- 1983 vol. I 456 1983

Environmental Response, Compensation, and Liability Act of 1980 to provide for the disposal and control of such hazardous substances and contaminants in a safe and environmentally sound manner.

Section 2. **Definitions.** As used in [sections 1 through 4], the following definitions apply:

(1) "CERCLA" means the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, Public Law 96-510.

(2) "Contaminant" includes but is not limited to any element, substance, compound, or mixture, including disease-causing agents, which after release into the environment and upon exposure, ingestion, inhalation, or assimilation into any organism, either directly from the environment or indirectly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, genetic mutation, physiological malfunctions (including malfunctions in reproduction), or physical deformations in such organisms or their offspring. The term does not include petroleum (including crude oil or any fraction thereof that is not specifically listed or designated as a hazardous substance as provided in subsection (4)(a)) or natural gas, liquefied natural gas, synthetic gas of pipeline quality, or mixtures of natural gas and such synthetic gas.

(3) "Department" means the department of health and environmental sciences provided for in Title 2, chapter 15, part 21.

(4) (a) "Hazardous substance" means:

(i) any substance designated pursuant to section 311(b)(2)(A) of the federal Water Pollution Control Act;

(ii) any element, compound, mixture, solution, or substance designated a hazardous substance by regulations promulgated by the administrator of the federal environmental protection agency pursuant to section 102 of CERCLA;

(iii) any hazardous waste having the characteristics identified under or listed pursuant to section 3001 of the federal Solid Waste Disposal Act (but not including any waste the regulation of which under the Solid Waste Disposal Act has been suspended by act of congress);

(iv) any toxic pollutant listed under section 307(a) of the federal Water Pollution Control Act;

(v) any hazardous air pollutant listed under section 112 of the federal Clean Air Act; and

(vi) any imminently hazardous chemical substance or mixture with respect to which the administrator of the environmental protection agency has taken action pursuant to section 7 of the federal Toxic Substances Control Act.

(b) The term does not include petroleum (including crude oil or any fraction thereof that is not specifically listed or designated as a hazardous

substance as provided in subsection (4)(a)) or natural gas, natural gas liquids, liquefied natural gas, synthetic gas usable for fuel, or mixtures of natural gas and such synthetic gas.

(5) "Hazardous waste" means a solid waste or combination of solid wastes which because of its quantity, concentration, or physical, chemical, or infectious characteristics may:

(a) cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness; or

(b) pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, or disposed of or otherwise managed.

(6) "President" means the president of the United States.

(7) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, but excludes:

(a) any release that results in exposure to persons solely within a workplace, with respect to a claim which such persons may assert against the employer of such persons;

(b) emissions from the engine exhaust of a motor vehicle, rolling stock, aircraft, vessel, or pipeline pumping station engine;

(c) (i) release of source, byproduct, or special nuclear material from a nuclear incident, as those terms are defined in the federal Atomic Energy Act of 1954, if such release is subject to requirements with respect to financial protection established by the nuclear regulatory commission under section 170 of that act; or

(ii) for the purposes of section 104 of CERCLA or any other response action, any release of source byproduct or special nuclear material from any processing site designated under section 102(a)(1) or 302(a) of the federal Uranium Mill Tailings Radiation Control Act of 1978; and

(d) the normal application of fertilizer.

(8) "Remedial action" means those actions consistent with a permanent remedy taken instead of or in addition to removal actions in the event of a release or threatened release of a hazardous substance into the environment that prevent or minimize the release of hazardous substances so that they do not migrate to cause substantial danger to the present or future public health or welfare or the environment. The term includes but is not limited to such actions at the location of the release as storage; confinement; perimeter protection using dikes, trenches, or ditches; clay cover; neutralization; cleanup of released hazardous substances or contaminated materials; recycling or reuse; diversion; destruction; segregation of reactive wastes; dredging or excavations; repair or replacement of leaking containers; collection of leachate and runoff; onsite treatment or incineration; provision of alternative water supplies; and any monitoring reasonably required to assure that such actions protect the public health and welfare and the environment. The term includes the costs of permanent relocation

HeinOnline -- 1983 vol. I 458 1983

of residents and businesses and community facilities if the president determines that, alone or in combination with other measures, such relocation is more cost-effective than and environmentally preferable to the transportation, storage, treatment, destruction, or secure disposition offsite of hazardous substances or is otherwise necessary to protect the public health or welfare. The term does not include offsite transport of hazardous substances or the storage, treatment, destruction, or secure disposition offsite of such hazardous substances or contaminated materials unless the president determines that such actions:

(a) are more cost-effective than other remedial actions;

(b) will create a new capacity to manage, in compliance with subtitle C of the federal Solid Waste Disposal Act, hazardous substances in addition to those located at the affected facility; or

(c) are necessary to protect public health or welfare or the environment from a present or potential risk that may be created by further exposure to the continued presence of such substances or materials.

Section 3. **Cooperative agreement — authority of department.** (1) In order to assist in implementation of CERCLA, the department may:

(a) participate in the determination of appropriate remedial action to deal with the release or threatened release within Montana of:

(i) any contaminant presenting an imminent and substantial danger to public health or welfare; or

(ii) any hazardous substance;

(b) in the event of the release or threatened release of any of the substances described in subsection (1)(a), negotiate the terms of a cooperative agreement with the federal government containing mutual commitments of each party to remedial action, including the elements required by subsection (2) of this section.

(2) A cooperative agreement must contain the following assurances:

(a) the state of Montana will assure the future maintenance of the removal and remedial actions agreed upon for the expected life of such actions;

(b) a hazardous waste disposal facility is available to the state of Montana which meets the specifications of the president and complies with the requirements of subtitle C of the federal Solid Waste Disposal Act for necessary offsite storage, destruction, treatment, or secure disposition of the hazardous substances; and

(c) the state of Montana will pay or assure payment of a share of the costs of the remedial action, including all future maintenance.

Section 4. **Cooperative agreement — when effective.** (1) If a cooperative agreement requires expenditure of state and federal funds which, together with the monetary obligation contained in any prior cooperative agreement made during the same biennium, exceeds the amount appropriated for that biennium for implementation of [sections 1 through

HeinOnline -- 1983 vol. I 459 1983

4], the agreement is not effective until it is approved by the legislature and an appropriation is made providing the level of funding necessitated by the agreement.

(2) A cooperative agreement that does not require expenditure of funds exceeding the appropriation for the biennium for implementation of [sections 1 through 4] is effective when signed by the governor and the president or their respective representatives.

Section 5. Section 75-10-532, MCA, is amended to read:

"75-10-532. Disposition of moneys collected. All moneys received from the sale of the junk vehicles or from recycling of the material and all motor vehicle wrecking facility license fees and fees collected as motor vehicle disposal fees shall be deposited with the state treasurer to be utilized for:

(1) the control, collection, recycling, and disposal of junk vehicles and component parts; *and*

(2) implementation by the department of health and environmental sciences during the 1985 biennium of the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980 in accordance with [sections 1 through 4], up to an amount not exceeding $220,000."

Section 6. Section 15-38-202, MCA, is amended to read:

"15-38-202. Investment of resource indemnity trust account — expenditure — minimum balance. (1) All moneys paid into the resource indemnity trust account shall be invested at the discretion of the board of investments. All the net earnings accruing to the resource indemnity trust account shall annually be added thereto until it has reached the sum of $10 million. Thereafter, only the net earnings may be appropriated and expended until the account reaches $100 million. Thereafter, all net earnings and all receipts shall be appropriated by the legislature and expended, provided that the balance in the account may never be less than $100 million.

(2) Beginning in fiscal year 1982, provided the amount in the resource trust account is greater than $10 million, 30% of the interest income of the resource indemnity trust account must be allocated to the water development earmarked account created by 85-1-604.

(3) Beginning in fiscal year 1986, 6% of the interest income of the resource indemnity trust account must be allocated to the department of health and environmental sciences to be used to implement the Montana Hazardous Waste Act and the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980 in accordance with [sections 1 through 4]. Any funds remaining unexpended at the end of each fiscal year will revert to the resource indemnity trust interest account."

Section 7. **Effective date.** This act is effective on passage and approval.

Approved March 28, 1983.

CHAPTER NO. 242

AN ACT TO ADOPT THE NORTHWEST INTERSTATE COMPACT ON LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT; PROVIDING STATEMENTS OF POLICY AND PURPOSE; ESTABLISHING REGULATORY PRACTICES FOR REGIONAL LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT FACILITIES; ESTABLISHING THE NORTHWEST LOW-LEVEL WASTE COMPACT COMMITTEE; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Northwest Interstate Compact on Low-Level Radioactive Waste Management.** The legislature of the state of Montana approves and ratifies the compact designated as the "Northwest Interstate Compact on Low-Level Radioactive Waste Management", which compact is as follows:

NORTHWEST INTERSTATE COMPACT ON LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT

ARTICLE I — Policy and Purpose

The party states recognize that low-level radioactive wastes are generated by essential activities and services that benefit the citizens of the states. It is further recognized that the protection of the health and safety of the citizens of the party states and the most economical management of low-level radioactive wastes can be accomplished through cooperation of the states in minimizing the amount of handling and transportation required to dispose of such wastes and through the cooperation of the states in providing facilities that serve the region. It is the policy of the party states to undertake the necessary cooperation to protect the health and safety of the citizens of the party states and to provide for the most economical management of low-level radioactive wastes on a continuing basis. It is the purpose of this compact to provide the means for such a cooperative effort among the party states so that the protection of the citizens of the states and the maintenance of the viability of the states' economies will be enhanced while sharing the responsibilities of radioactive low-level waste management.

ARTICLE II — Definitions

As used in this compact:

(1) "Facility" means any site, location, structure, or property, excluding federal waste facilities, used or to be used for the storage, treatment, or disposal of low-level waste;

(2) "Low-level waste" means waste material which contains radioactive nuclides emitting primarily beta or gamma radiation, or both, in concentrations or quantities which exceed applicable federal or state standards for unrestricted release. Low-level waste does not include waste containing more than 10 nanocuries of transuranic contaminants per gram of material, spent reactor fuel, or material classified as either high-level waste or waste

HeinOnline -- 1983 vol. I 461 1983

which is unsuited for disposal by near-surface burial under any applicable federal regulations;

(3) "Generator" means any person, partnership, association, corporation, or any other entity whatsoever which, as a part of its activities, produces low-level radioactive waste;

(4) "Host state" means a state in which a facility is located.

ARTICLE III — Regulatory Practices

Each party state hereby agrees to adopt practices which will require low-level waste shipments originating within its borders and destined for a facility within another party state to conform to the applicable packaging and transportation requirements and regulations of the host state. Such practices shall include:

(1) maintaining an inventory of all generators within the state that have shipped or expect to ship low-level waste to facilities in another party state;

(2) periodic unannounced inspection of the premises of such generators and the waste management activities thereon;

(3) authorization of the containers in which such waste may be shipped and a requirement that generators use only that type of container authorized by the state;

(4) assurance that inspections of the carriers which transport such waste are conducted by proper authorities and appropriate enforcement action is taken for violations;

(5) after receiving notification from a host state that a generator within the party state is in violation of applicable packaging or transportation standards, taking appropriate action to assure that such violations do not recur. Such action may include inspection of every individual low-level waste shipment by that generator.

Each party state may impose fees upon generators and shippers to recover the cost of the inspections and other practices under this article. Nothing in this article shall be construed to limit any party state's authority to impose additional or more stringent standards on generators or carriers than those required under this article.

ARTICLE IV — Regional Facilities

(1) Facilities located in any party state, other than facilities established or maintained by individual low-level waste generators for the management of their own low-level waste, shall accept low-level waste generated in any party state if such waste has been packaged and transported according to applicable laws and regulations.

(2) No facility located in any party state may accept low-level waste generated outside the region comprising the party states, except as provided in Article V.

HeinOnline -- 1983 vol. I 462 1983

(3) Until such time as paragraph (2) of this article takes effect as provided in Article VI, facilities located in any party state may accept low-level waste generated outside of any of the party states only if such waste is accompanied by a certificate of compliance issued by an official of the state in which such waste shipment originated. Such certificate must be in such form as may be required by the host state and shall contain at least the following:

(a) the generator's name and address;

(b) a description of the contents of the low-level waste container;

(c) a statement that the low-level waste being shipped has been inspected by the official who issued the certificate or by his agent or by a representative of the United States Nuclear Regulatory Commission and was found to have been packaged in compliance with applicable federal regulations and such additional requirements as may be imposed by the host state;

(d) a binding agreement by the state of origin to reimburse any party state for any liability or expense incurred as a result of an accidental release of such waste during shipment or after such waste reaches the facility.

(4) Each party state shall cooperate with the other party states in determining the appropriate site of any facility that might be required within the region comprising the party states in order to maximize public health and safety while minimizing the use of any one party state as the host of such facilities on a permanent basis. Each party state further agrees that decisions regarding low-level waste management facilities in its region will be reached through a good faith process which takes into account the burdens borne by each of the party states as well as the benefits each has received.

(5) The party states recognize that the issue of hazardous chemical waste management is similar in many respects to that of low-level waste management. Therefore, in consideration of the state of Washington allowing access to its low-level waste disposal facility by generators in other party states, party states such as Oregon and Idaho, which host hazardous chemical waste disposal facilities, will allow access to such facilities by generators within other party states. Nothing in this compact may be construed to prevent any party state from limiting the nature and type of hazardous chemical or low-level wastes to be accepted at facilities within its borders or from ordering the closure of such facilities, so long as such action by a host state is applied equally to all generators within the region composed of the party states.

(6) Any host state may establish a schedule of fees and requirements related to its facilities to assure that closure, perpetual care, and maintenance and contingency requirements are met, including adequate bonding.

ARTICLE V — Northwest Low-Level Waste Compact Committee

The Governor of each party state shall designate one official of that state as the person responsible for administration of this compact. The

officials so designated shall together comprise the Northwest Low-Level Waste Compact Committee. The committee shall meet as required to consider matters arising under this compact. The parties shall inform the committee of existing regulations concerning low-level waste management in their states and shall afford all parties a reasonable opportunity to review and comment upon any proposed modifications in such regulations. Notwithstanding any provision of Article IV to the contrary, the committee may enter into arrangements with states, provinces, individual generators, or regional compact entities outside the region comprising the party states for access to facilities on such terms and conditions as the committee may deem appropriate. However, it shall require a two-thirds vote of all such members, including the affirmative vote of the member of any party state in which a facility affected by such arrangement is located, for the committee to enter into such arrangement.

ARTICLE VI — Eligible Parties and Effective Date

(1) Each of the following states is eligible to become a party to this compact: Alaska, Hawaii, Idaho, Montana, Oregon, Utah, Washington, and Wyoming. As to any eligible party, this compact shall become effective upon enactment into law by that party, but it shall not become initially effective until enacted into law by two states. Any party state may withdraw from this compact by enacting a statute repealing its approval.

(2) After the compact has initially taken effect pursuant to paragraph (1) of this article, any eligible party state may become a party to this compact by the execution of an executive order by the Governor of the state. Any state which becomes a party in this manner shall cease to be a party upon the final adjournment of the next general or regular session of its Legislature or July 1, 1983, whichever occurs first, unless the compact has by then been enacted as a statute by that state.

(3) Paragraph (2) of Article IV of this compact shall take effect on July 1, 1983, if consent is given by Congress. As provided in Public Law 96-573, Congress may withdraw its consent to the compact after every 5-year period.

ARTICLE VII — Severability

If any provision of this compact or its application to any person or circumstance is held to be invalid, all other provisions of this compact and the application of all of its provisions to all other persons and circumstances shall remain valid, and to this end the provisions of this compact are severable.

Section 2. **Administration of compact — fees.** (1) The department of health and environmental sciences, as the state radiation control agency, shall administer the provisions of the compact.

(2) The department may assess and collect fees for services rendered in inspecting and regulating low-level radioactive waste generators, transporters, and disposal facilities. Such fees must cover the department's costs for those services and must be deposited in the earmarked revenue fund for use by the department. State and local government agencies, including the university system, are exempt from the payment of fees.

HeinOnline -- 1983 vol. I 464 1983

(3) The department may adopt rules under the authority contained in 75-3-201(3)(b) to implement the provisions of this compact.

Section 3. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 4. **Codification instruction.** Sections 1 and 2 are intended to be codified as an integral part of Title 75, chapter 3, and the provisions of Title 75, chapter 3, apply to sections 1 and 2.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved March 28, 1983.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-5-101, MCA, is amended to read:

"85-5-101. Appointment of water commissioners. (1) Whenever the rights of persons to use the waters of any stream, ditch or extension of ditch, watercourse, spring, lake, reservoir, or other source of supply have been determined by a decree of a court of competent jurisdiction, it shall be the duty of the judge of the district court having jurisdiction of the subject matter, upon the application of the owners of at least 15% of the water rights affected by the decree, in the exercise of his discretion, to

appoint one or more commissioners. The commissioners shall have authority to admeasure and distribute to the parties owning water rights in the source affected by the decree the waters to which they are entitled, according to their rights as fixed by the decree and by any certificates and permits issued under chapter 2 of this title. When petitioners make proper showing that they are not able to obtain the application of the owners of at least 15% of the water rights affected and they are unable to obtain the water to which they are entitled, the judge of the district court having jurisdiction may, in his discretion, appoint a water commissioner.

(2) When the existing rights of all appropriators from a source or in an area have been determined in a final decree issued under chapter 2 of this title, the judge of the district court shall upon application by the department of natural resources and conservation appoint a water commissioner. The water commissioner shall distribute to the appropriators, from the source or in the area, the water to which they are entitled.

(3) The department of natural resources and conservation or any person or corporation operating under contract with the department or any other owner of stored waters may petition the court to have such stored waters distributed by the water commissioners appointed by said court. The court may thereupon make an order requiring the commissioner or commissioners appointed by the court to distribute such stored water when and as released to water users entitled to the use thereof.

(4) At the time of the appointment of such water commissioner or commissioners, the district court shall fix their compensation, and the owners and users of the distributed waters, *including permittees and certificate holders*, shall pay their proportionate share of such fees and compensation.

(5) Upon the application of the board or boards of one or more irrigation districts entitled to the use of water stored in a reservoir which is turned into the natural channel of any stream and withdrawn or diverted at a point downstream for beneficial use, the district court of the judicial district wherein the most irrigable acres of the irrigation district or districts are situated may appoint a water commissioner to equitably admeasure and distribute such stored water to said irrigation district or districts from the channel of the stream into which it has been turned. A commissioner appointed under this subsection has the powers of any commissioner appointed under this chapter, limited only by the purposes of this subsection. His compensation is set by the appointing judge and paid by each district and other users of stored water affected by the admeasurement and distribution of such stored water. In all other matters the provisions of this chapter apply so long as they are consistent with this subsection."

Section 2. Section 85-5-201, MCA, is amended to read:

Every water commissioner appointed by the judge of the district court for that purpose shall have the authority to admeasure and distribute to the parties interested, under such decree, *permit, or certificate,* the water to which those who are parties to the decree or *holders of a permit or certificate*, or privy thereto, are entitled, according to their priority as established by the decree, *permit, or certificate.* The water commissioner, in

case the parties fail or refuse to do so, may incur necessary expenses in the making of headgates or dams for the distribution of the waters. Such expense shall be assessed against and paid by the party or parties for whom such services in the repair of the ditch or ditches and the making of any dams or headgates were necessary. In the discretion of the court, such costs or expenses may be assessed against the land upon which or for the benefit of which such expense had been incurred."

All funds from the proceeds of bonds issued under this part, fees, and other moneys received by the board, moneys appropriated by the legislature for the use of the board in carrying out this part, and moneys made available from any other source for the use of the board shall be deposited in the housing *authority enterprise fund* except where otherwise provided by law. All funds deposited in the housing *authority enterprise fund, except funds appropriated by the legislature for use of the board in payment of expenses incurred in carrying out this part,* are continuously appropriated to and may be expended by the board for the purposes authorized in this part.

(2) There is a capital reserve account in the *housing authority enterprise* fund provided for in *subsection (1)*. The capital reserve account consists of the aggregate of moneys retained by the board under existing agreements with bondholders as the minimum capital reserve requirement described in 90-6-119 for each bond issue sold by the board.

(3) Funds appropriated by the legislature for use of the board in payment of expenses incurred in carrying out this part shall be deposited in the *housing authority enterprise fund.* Funds expended by the board under this subsection shall be repaid by the board from the fees and charges collected under this part and from any other moneys available for such repayment in accordance with this part."

Section 3. Section 90-6-119, MCA, is amended to read:

(b) any proceeds of sale of notes or bonds to the extent provided in the resolutions or indentures of the board authorizing their issuance; and

(c) any other funds which may be available to the board for the purpose of the account from any other source.

(2) All funds held in the capital reserve account shall be used solely for the payment of the principal of bonds secured in whole or in part by the account or of the *debt service* payments with respect to the bonds, the purchase or redemption of the bonds, the payment of interest on the bonds, or the payment of any redemption premium required to be paid when the bonds are redeemed prior to maturity. Funds in the account shall not be withdrawn at any time in an amount which reduces the amount of the account to less than the sum of minimum capital reserve requirements established for the account, except, with respect to bonds secured in whole or in part by the account, for the purpose of making payment, when due, of principal, interest, redemption premiums, and *debt service* payments for the payment of which other moneys pledged are not available. Any income or interest earned by or incremental to the capital reserve account due to its investment may be transferred to other accounts of the board to the extent it does not reduce the amount of the capital reserve account below the sum of minimum capital reserve requirements for the account.

(3) The board may not issue bonds secured in whole or in part by the capital reserve account unless the board deposits in the account from the proceeds of the bonds issued or from any other sources an amount not less than the minimum capital reserve requirement for these bonds. For the purposes of this section, the term "minimum capital reserve requirement" means, as of any particular date of computation, an amount of money, as provided in the resolution or indenture of the board authorizing the bonds or notes, equal to not more than the greatest of the respective amounts for the current or any future fiscal year of the board of annual debt service on the bonds of the board secured in whole or in part by the account. The annual debt service for any fiscal year is the amount of money equal to the aggregate of all interest and principal payable on the bonds during the fiscal year, calculated on the assumption that all the bonds are paid at maturity. If any amount of the bonds is required to be redeemed on an earlier date by the operation of a *debt service* fund, then that amount is considered payable on those bonds during the year they are to be redeemed for the purposes of this calculation.

(4) In computing the amount of the capital reserve account, securities in which all or a portion of the account shall be invested shall be valued at par or, if purchased at less than par, at their cost to the board."

Section 4. **Code commissioner to make changes.** Whenever a reference to a treasury fund type, fund, or account appears in any new material enacted into the MCA by the 48th legislature and approved by the governor, whether in new sections or amended sections, the code commissioner, in consultation with the department of administration and the legislative fiscal analyst, shall change the reference in that material as necessary to reflect the fund structure provided for in 17-2-102. The code

HeinOnline -- 1983 vol. I 485 1983

Section 5. **Effective date.** This act is effective July 1, 1983.

Approved March 28, 1983.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-6-2352, MCA, is amended to read:

"7-6-2352. State grants to district courts — rules. (1) The department of administration shall make grants to the governing body of a county for the district courts for assistance, as provided in this section. The grants are to be made from funds appropriated to the department for that purpose. If the department approves grants in excess of the amount appropriated, each grant shall be reduced an equal percentage so the appropriation will not be exceeded.

(2) The governing body of a county may apply to the department for a grant by filing a written *request on forms provided by the department* by July *20*, for the previous fiscal year *unless the department grants a time extension upon request of the county. In its request for a grant, a county must certify that:*

(a) all expenditures from the district court fund have been lawfully made;

(b) no transfers from the district court fund have been or will be made to any other fund; *and*

(c) no expenditures have been made from the district court fund that are not specifically authorized by 7-6-2511 and 7-6-2351.

(3) The department shall award a grant if the county's district court expenditures for the previous fiscal year exceeded the sum of:

(a) the product of the maximum mill levy authorized by law for district court purposes, whether or not assessed, multiplied by the previous year's taxable valuation of the county; and

(b) all revenues, except district court grants, required by law to be deposited in the district court fund for the previous fiscal year.

(4) Eligible court expenditures for grant purposes include all costs of the county associated with the operation and maintenance of the district court, from whatever fund paid, except costs for building and capital items and library maintenance, replacement, and acquisition.

(5) The department shall *notify each eligible* county *as soon as possible* of its intention to *award a grant to that county and the amount of the award.*

HeinOnline -- 1983 vol. I 489 1983

(6) The grant received by the county shall be placed in the district court fund.

(7) After *all grants are awarded, the department shall audit each approved grant request. The department shall charge each county receiving a grant an audit fee in the same amount as the costs incurred in conducting the audit.*

(8) If the audit of a grant recipient discloses that the recipient received a grant in excess of the amount for which it was eligible, the recipient shall repay the excess to the department. The department shall redistribute any repaid excess amounts to the other counties that received grants from the appropriation from which the overpayment was made, on the same basis as the original awards. No county is eligible for a district court grant if it owes the department a refund of a prior year's overpayment.

(9) The department shall prescribe rules and forms necessary to effectively administer this section. The department may require a county to provide any information considered necessary for the administration of the program."

Section 2. **Repealer.** Section 3, Chapter 692, Laws of 1979, is repealed.

Section 3. **Effective date.** This act is effective on passage and approval.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-30-135, MCA, is amended to read:

"15-30-135. Tax on beneficiaries or fiduciaries of estates or trusts. (1) A tax shall be imposed upon either the fiduciaries or the beneficiaries of estates and trusts as hereinafter provided, except to the extent such estates and trusts shall be held for educational, charitable, or religious purposes, which tax shall be levied, collected, and paid annually with respect to the income of estates or of any kind of property held in trust, including:

(a) income received by estates of deceased persons during the period of administration or settlement of the estate;

(b) income accumulated in trust for the benefit of unborn or unascertained persons or persons with contingent interests;

In cases under subsections *(a) and* (d) of subsection (1), the fiduciary shall include in the return a statement of each beneficiary's distributive share of net income, whether or not distributed before the close of the taxable year for which the return is made.

(3) In cases under subsections (a), (b), and (c) of subsection (1), the tax shall be imposed upon the fiduciary of the estate or trust with respect to the net income of the estate or trust and shall be paid by the fiduciary. If the taxpayer's net income for *the* taxable year *of the estate or trust* is computed upon the basis of a period different from that upon the basis of which the net income of the estate or trust is computed, then his distributive share of the net income of the estate or trust for any accounting period of such estate or trust ending within the fiscal or calendar year shall be computed upon the basis on which such beneficiary's net income is computed. In such cases, a beneficiary not a resident shall be taxable with respect to his income derived through such estate or trust only to the extent provided in 15-30-131 for individuals other than residents.

(4) The fiduciary of a trust created by an employer as a part of a stock bonus, pension, or profit-sharing plan for the exclusive benefit of some or all of his employees, to which contributions are made by such employer or employees, or both, for the purpose of distributing to such employees the earnings and principal of the fund accumulated by the trust in accordance with such plan, shall not be taxable under this section, but any amount contributed to such fund by the employer and all earnings of such fund shall be included in computing the income of the distributee in the year in which distributed or made available to him.

(5) Where any part of the income of a trust other than a testamentary trust is or may be applied to the payment of premiums upon policies of insurance on the life of the grantor (except policies of insurance irrevocably payable for the purposes and in the manner specified relating to the so-called "charitable contribution" deduction) or to the payment of premiums upon policies of life insurance under which the grantor is the beneficiary, such part of the income of the trust shall be included in computing the net income of the grantor."

Section 2. **Computation of net income of estates or trusts.** (1) Except as otherwise provided in this chapter, "gross income" of estates or trusts means all income from whatever source derived in the taxable year, including but not limited to the following items:

(a) dividends;

(b) interest received or accrued, including interest received on obligations of another state or territory or a county, municipality, district, or other political subdivision thereof, but excluding interest income from obligations of:

(f) gross profit from trade or business; and

(g) refunds recovered on federal income tax, to the extent the deduction of such tax resulted in a reduction of Montana income tax liability.

(2) In computing net income, there are allowed as deductions:

(a) interest expenses deductible for federal tax purposes according to section 163 of the Internal Revenue Code of 1954, as amended;

(b) taxes paid or accrued within the taxable year, including but not limited to federal income tax, but excluding Montana income tax;

(c) that fiduciary's portion of depreciation or depletion which is deductible for federal tax purposes according to sections 167, 611, and 642 of the Internal Revenue Code of 1954, as amended;

(d) charitable contributions that are deductible for federal tax purposes according to section 642(c) of the Internal Revenue Code of 1954, as amended;

However, the shareholder's net income shall include actual distribution from the corporation to the extent it would be treated as taxable dividends if the subchapter S. election were not in effect.

Section 3. **Adjustments to income of estates and trusts.** (1) The following additional deductions shall be allowed in deriving taxable income of estates and trusts:

(a) any amount of income for the taxable year currently required to be distributed to beneficiaries for such year;

(b) any other amounts properly paid or credited or required to be distributed for the taxable year;

(c) the amount of 60% of the excess of the net long-term capital gain over the net short-term capital loss for the taxable year.

(2) The exemption allowed for estates and trusts is that exemption provided in 15-30-112(2)(a) and 15-30-112(8).

(3) The amount of tax must be determined from taxable income of an estate or trust in the same manner as the tax on taxable income of individuals, by applying the rates contained in 15-30-103. Credits allowed individuals under Title 15, chapter 30, also apply to estates and trusts when applicable.

(4) Remedies available for the administration, enforcement, and collection of individual income taxes also apply to estates and trusts.

The department shall include in its report of examination of the bank a statement of the dates on which the meetings were held since the last examination of the bank by it and the names of the directors in attendance at each of those meetings. CHAPTER NO. 265

AN ACT TO AUTHORIZE THE BOARD OF HEALTH AND ENVIRONMENTAL SCIENCES TO GRANT AN EXEMPTION FROM AIR QUALITY RULES, UNDER CERTAIN CIRCUMSTANCES, FOR A PERIOD GREATER THAN 1 YEAR; AMENDING SECTION 75-2-212, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-2-212, MCA, is amended to read:

"75-2-212. Variances — renewals — filing fees. (1) A person who owns or is in control of a plant, building, structure, process, or equipment may apply to the board for an exemption or partial exemption from rules governing the quality, nature, duration, or extent of emissions of air pollutants. The application shall be accompanied by such information and data as the board may require. The board may grant an exemption or partial exemption if it finds that:

(a) the emissions occurring or proposed to occur do not constitute a danger to public health or safety; and

(b) compliance with the rules from which exemption is sought would produce hardship without equal or greater benefits to the public.

(2) No exemption or partial exemption may be granted pursuant to this section except after public hearing on due notice and until the board has considered the relative interests of the applicant, other owners or property likely to be affected by the emissions, and the general public.

(3) *The* exemption or partial exemption may be renewed if no complaint is made to the board because of it or if, after the complaint has been made and duly considered at a public hearing held by the board on due notice, the board finds that renewal is justified. No renewal may be granted except on application therefor. An application shall be made at least 60 days before the expiration of the exemption or partial exemption. Immediately before application for renewal the applicant shall give public notice of his application in accordance with rules of the board. A renewal pursuant to this subsection shall be on the same grounds and subject to the same limitations and requirements as provided in subsection (1).

(4) An exemption, partial exemption, or renewal thereof is not a right of the applicant or holder thereof but shall be granted at the discretion of the board. However, a person adversely affected by an exemption, partial exemption, or renewal granted by the board may obtain judicial review thereof as provided by 75-2-411.

(5) Nothing in this section and no exemption, partial exemption, or renewal granted pursuant to this section may be construed to prevent or limit the application of the emergency provisions and procedures of 75-2-402 to a person or his property.

HeinOnline -- 1983 vol. I 503 1983

(6) A person who owns or is in control of a plant, building, structure, process, or equipment (hereinafter called a facility) who applies to the board for an exemption or partial exemption or a renewal of an exemption or partial exemption from a rule governing the quality, nature, duration, or extent of emissions of air pollutants shall submit with the application for variance a sum of not less than $500 or 2% of the cost of the equipment to bring the facility into compliance with the rule for which a variance is sought, whichever is greater, but not to exceed $80,000. The department shall prepare a statement of actual costs, and funds in excess of this shall be returned to the applicant. The person requesting the variance shall describe the facility in sufficient detail, with accompanying estimates of cost and verifying materials, to permit the department to determine with reasonable accuracy the sum of the fee. For a renewal of an exemption or partial exemption, if no public hearing, environmental impact statement, or appreciable investigation by the department is necessary, the minimum filing fee shall apply or the fee may be waived by the department. The filing fee shall be deposited in the earmarked revenue fund provided for in 17-2-102. It is the intent of the legislature that the revenues derived from the filing fees shall be used by the department to:

(a) compile the information required for rendering a decision on the request;

(b) compile the information necessary for any environmental impact statements;

(c) offset the costs of a public hearing, printing, or mailing; and

(d) carry out its other responsibilities under this chapter."

Section 2. **Effective date.** This act is effective on passage and approval.

Approved March 29, 1983.

CHAPTER NO. 280

AN ACT PROHIBITING A PUBLIC EMPLOYEE FROM ACCRUING ANNUAL LEAVE OR SICK LEAVE DURING ANY PERIOD OF LEAVE WITHOUT PAY; AMENDING SECTIONS 2-18-611 AND 2-18-618, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-18-611, MCA, is amended to read:

"2-18-611. Annual vacation leave. (1) Each permanent full-time employee shall earn annual vacation leave credits from the first day of employment. For calculating vacation leave credits, 2,080 hours (52 weeks x 40 hours) shall equal 1 year. Vacation leave credits earned shall be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of 6 calendar months.

HeinOnline -- 1983 vol. I 526 1983

(2) Seasonal employees shall earn vacation credits. However, such persons must be employed 6 qualifying months before they may use the vacation credits. In order to qualify, such employees must immediately report back for work when operations resume in order to avoid a break in service.

(3) Permanent part-time employees are entitled to prorated annual vacation benefits if they have worked the qualifying period.

(4) An employee may not accrue annual vacation leave credits while in a leave-without-pay status.

(5) Temporary employees do not earn vacation leave credits, except that a temporary employee who is subsequently hired into a permanent position within the same jurisdiction without a break in service and temporary employees who are employed continuously longer than 6 months may count as earned leave credits for the immediate term of temporary employment."

Section 2. Section 2-18-618, MCA, is amended to read:

"2-18-618. Sick leave. (1) Each permanent full-time employee shall earn sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) shall equal 1 year. Sick leave credits shall be credited at the end of each pay period. Sick leave credits shall be earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) An employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave shall be computed on the basis of the employee's salary or wage at the time he terminates his employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment therefor shall be the responsibility of the agency wherein the sick leave accrues. However, no employee forfeits any sick leave rights or benefits he had accrued prior to July 1, 1971. However, where an employee transfers between agencies within the same jurisdiction, he shall not be entitled to a lump-sum payment. In such a transfer the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(6) An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency shall not be credited

HeinOnline -- 1983 vol. I 527 1983

with any sick leave for which the employee has previously been compensated.

(7) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section."

Approved March 29, 1983.

(a) governmental *fund category*, which *includes*:

(i) the general fund, which accounts for all financial resources except those required to be accounted for in another fund;

(ii) the special revenue *fund type*, which *accounts* for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditure for specified purposes.

HeinOnline -- 1983 vol. I 531 1983

The financial activities of the special revenue fund type shall be subdivided for operational purposes into the following funds to serve the purpose indicated:

(A) The state special revenue fund consists of money from state sources deposited in the state treasury that is earmarked for the purposes of defraying particular costs of an agency, program, or function of state government.

(B) The federal special revenue fund consists of money deposited in the treasury from federal sources, including trust income, that is used for the operation of state government.

(C) The other special revenue funds consist of money deposited in the state treasury from private sources, including trust income, that is used for the operation of state government and money used to defray reimbursable expenditures.

(iii) the capital projects *fund type*, which *accounts* for financial resources to be used for the acquisition or construction of major capital facilities, other than those financed by proprietary funds or trust funds; and

(iv) the debt service *fund type*, which *accounts* for the accumulation of resources for and the payment of general long-term debt principal and interest;

(b) proprietary *fund category*, which *includes*:

(i) the enterprise *fund type*, which *accounts* for operations:

(A) that are financed and operated in a manner similar to private business enterprises whenever the intent of the legislature is that costs (i.e., expenses, including depreciation) of providing goods or services to the general public on a continuing basis are to be financed or recovered primarily through user charges; or

(B) whenever the legislature has decided that periodic determination of revenue earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes; and

(ii) the internal service *fund type*, which *accounts* for the financing of goods or services provided by one department or agency to other departments or agencies of state government or to other governmental entities on a cost-reimbursed basis;

(c) the fiduciary *fund category*, which *includes* trust and agency *fund types* used to account for assets held by state government in a trustee capacity or as an agent for individuals, private organizations, other governmental entities, or other funds. These include *the*:

The financial activities of the university current fund shall be subdivided, for operation purposes, into the four following subfunds to serve the purpose indicated:

(A) The unrestricted subfund segregates that portion of the university current fund's financial resources that can be expended for general operations and is free of externally imposed restrictions, except those imposed by the legislature.

(B) The restricted subfund segregates that portion of the university current fund's financial resources that can be expended for general operations but only for purposes imposed by sources external to the board of regents and the legislature.

(C) The designated subfund segregates that portion of the university current fund's financial resources that is associated with general operations but is separately classified in order to accumulate costs that are to be recharged as allocated to other funds or subfunds; identifies financial activities related to special organized activities of educational departments wherein the activity is fully supported by supplemental assessments; and identifies special supply and facility fees that are approved for collections beyond normal course fees and their disposition.

(D) The auxiliary subfund segregates that portion of the university current fund's financial resources that is devoted to providing essential on-campus services primarily to students, faculty, or staff wherein a fee, which is directly related to but does not necessarily equal the cost of the service provided, is charged to the consumer.

(ii) the university student loan fund, which accounts for moneys deposited in the state treasury which may be loaned to students, faculty, or staff for purposes related to education, organized research, or public services by the Montana university system;

(iii) the university endowment fund, which accounts for moneys deposited in the state treasury by the Montana university system wherein the principal portion of the amount received is nonexpendable but is available for investment, thus producing consumable income. Expendable earnings on endowment funds are to be transferred to appropriate operating funds pursuant to prevailing administrative requirements.

(iv) the university annuity and life income fund, which accounts for moneys deposited in the state treasury by the Montana university system under an agreement whereby the moneys are made available on condition that the receiving unit of the Montana university system binds itself to pay stipulated amounts periodically to the donor or others designated by the donor over a specified period of time;

(vi) the university agency fund, which accounts for moneys deposited in the state treasury wherein the Montana university system acts in the capacity of a custodian or fiscal agent for individual students, faculty, staff, and qualified organizations.

(2) In addition to the funds provided for in subsection (1) of this section, there are in the state treasury the following account groups:

(a) the fixed assets account group, which is a self-balancing group of accounts set up to establish accounting control and accountability for the state's general fixed assets, except those accounted for in proprietary funds, trust funds, and the university funds designated in subsections (1)(d)(i)(D), (1)(d)(iii), and (1)(d)(v) of this section; and

(b) the long-term debt account group, which is a self-balancing group of accounts set up to establish accounting control and accountability for the state's unmatured general long-term liabilities, except those accounted for in proprietary funds, trust funds, and the university funds designated in subsections (1)(d)(i)(D), (1)(d)(iii), and (1)(d)(v) of this section."

(2) For the purpose of supplying deficiencies in the general fund, the state treasurer may temporarily borrow from other treasury funds, providing that the loan is recorded in the state accounting records. (3) The division as a member of such rating organization shall determine the hazards of the different classes of occupations or industries and fix the premiums therefor at the lowest rate consistent with maintenance of an actuarially sound industrial insurance fund and the creation of actuarially sound surplus and reserves, and for such purpose may adopt a system of schedule rating in such a manner as to take account of the peculiar hazard of each risk and shall utilize the experience and information afforded to it as a member of such rating organization.

(4) In addition, compensation plan No. 3 shall use an experience rating system for employers enrolled under it. This system shall reward employers with a better than average safety record, penalize employers with a worse than average safety record, and may provide for premium volume discount.

(5) The division in fixing rates shall provide for the expenses of administering the industrial insurance *expendable trust fund* allowed by law, the disbursements on account of injuries and deaths of employees in each class, an actuarially sound catastrophe reserve, reserves actuarially determined to meet anticipated and unexpected losses, and such other reserves and surplus as may be determined by the division as a member of such rating organization. (1) Cities other than those participating in the statewide police reserve fund administered by the department of administration in accordance with Chapter 335, Laws of 1974, as of June 30, 1977, may elect to join the plan by passing an ordinance stating the election and the consent of the city to be bound by the provisions of this chapter. Upon the enactment of such an ordinance, the provisions of this chapter become applicable to the city. Any city enacting such an ordinance shall send a certified copy thereof to the board and shall, as soon as possible thereafter, deposit with the board all cash and securities held by it in its local police reserve or retirement fund. Section 2. Section 19-9-503, MCA, is amended to read:

HeinOnline -- 1983 vol. I 572 1983

"19-9-503. Unfunded liabilities. (1) It is found and declared by the legislature that many cities operating under prior plans have excess and unfunded liabilities under such prior plans, which liabilities cannot be amortized by the percentage contributions set forth in 19-9-702 and 19-9-703.

(2) The administrator shall, on or before October 1, 1977, determine the excess and unfunded liability of each city which participates in the plan created by this chapter. The determination of the administrator, in the absence of fraud, abuse of discretion, or arithmetic error, is final and binding on each city. Each city found by the administrator to have an excess and unfunded liability under a prior plan which as of July 1, 1977, is not funded by sums on deposit or funds available for deposit with the administrator shall pay an additional sum over a period of time to amortize its excess liability as determined by the administrator. If any city and the administrator are unable by January 1, 1978, to negotiate and reduce to writing the terms of an agreement satisfactory to both of them for the city to amortize its excess liability, the administrator shall require such city to pay an additional sum to amortize its excess liability on July 1, 1977, over a period of not more than 40 years.

(3) Each city found by the administrator to be paying an amount in excess of the amount necessary to amortize its liabilities under the prior plan and under this chapter shall receive a credit in the accounts of the administrator for any such excess payments.

(4) The excess unfunded liability for each city shall be revaluated by the administrator on July 1, 1980, as part of the normal actuarial valuations required in 19-9-504 reflecting the change in the contribution rates made in 19-9-601, 19-9-702, and 19-9-703, as amended by Chapter 375, Laws of 1979, and each city's funding position will be changed using the procedures of 19-9-107. The resulting report will be made available to the cities no later than October 1, 1980.

(5) If a majority of the cities participating in the municipal police officers' retirement system do not agree with the results of the revaluation outlined in subsection (4), they may, by mutual agreement of the cities, select a qualified actuary, as defined in 19-9-504, to perform a second actuarial valuation as of July 1, 1980, with the conclusions of the second actuarial valuation to replace the actuarial valuation discussed in subsection (4). The cost of the second actuarial valuation shall be paid by all cities participating in the system in proportion to their active membership in the system as of July 1, 1980.

(6) *(a) On April 1, 1983, the administrator shall revaluate the excess unfunded liability for each city based on the actuarial valuation required in 19-9-504 for the period ended June 30, 1982. Each city with an excess unfunded liability as of June 30, 1982, shall pay 25% of this excess unfunded liability, with interest, in 10 annual installments, the first payment due May 1, 1983, and subsequent payments due May 1 of each year thereafter, with the final payment due May 1, 1992.*

(b) Credits received by a city following the revaluation required in subsection (6)(a) must be reduced proportionately over a 10-year period beginning July 1, 1983.

HeinOnline -- 1983 vol. I 573 1983

(c) On July 1, 1993, each city shall pay the employer contribution rate specified in 19-9-703 without credit reduction, except for a city joining the plan after June 30, 1982. A city joining the plan after June 30, 1982, is subject to the provisions of 19-9-107.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-2-705, MCA, is amended to read:

"33-2-705. Report on premiums and other consideration — tax. (1) Each authorized insurer and each formerly authorized insurer with respect to premiums so received while an authorized insurer in this state shall file with the commissioner, on or before March 1 each year, a report (except as to wet marine and transportation insurance taxed under subsection (4) below) in form as prescribed by the commissioner showing total direct premium income, including policy, membership, and other fees, premiums paid by application of dividends, refunds, savings, savings coupons, and similar returns or credits to payment of premiums for new or additional or extended or renewed insurance, charges for payment of premium in installments, and all other consideration for insurance from all kinds and classes of insurance whether designated as a premium or otherwise, received by it during the preceding calendar year on account of policies covering property, subjects, or risks located, resident, or to be performed in Montana, with proper proportionate allocation of premium as to such property, subjects, or risks in Montana insured under policies or contracts covering property, subjects, or risks located or resident in more than one state, after deducting from such total direct premium income applicable cancellations, returned premiums, the unabsorbed portion of any deposit premium, the amount of reduction in or refund of premiums allowed to industrial life policyholders for payment of premiums direct to an office of the insurer, all policy dividends, refunds, savings, savings coupons, and other similar returns paid or credited to policyholders with respect to such policies. As to title insurance, "premium" includes the total

charge for such insurance. No deduction shall be made of the cash surrender values of policies. Considerations received on annuity contracts shall not be included in total direct premium income and shall not be subject to tax.

(2) Coincident with the filing of the tax report referred to in subsection (1) above, each such insurer shall pay to the commissioner a tax upon such net premiums. This tax may be computed in either of the following ways:

(a) (i) A domestic insurer may choose to compute its tax based on the percentage of its admitted assets invested in Montana securities according to the following schedule:

(A) 2 ¾ % of net premiums if the insurer has 0% of its admitted assets invested in Montana securities;

(B) 2 ¼ % of net premiums if the insurer has at least 25% of its admitted assets invested in Montana securities;

(C) 1 ¾ % of net premiums if the insurer has at least 50% of its admitted assets invested in Montana securities;

(D) 1 ¼ % of net premiums if the insurer has at least 75% of its admitted assets invested in Montana securities; and

(E) ¾ % of net premiums if the insurer has 100% of its admitted assets invested in Montana securities.

(ii) "Admitted assets" are those assets allowed in 33-2-501.

(iii) An insurer choosing this method of computation must itemize its Montana securities on a detailed schedule attached to its annual tax report.

(b) (i) If the method provided for in subsection (a) is not used, the insurer shall compute its tax at the rate of 2 ¾ % of the net premiums.

(ii) An insurer choosing this method and having not less than 50% of its paid-in capital stock invested in Montana securities is allowed to deduct whatever tax it may have already paid to the state of Montana and its political subdivisions, during the same calendar year as to which premium tax is being paid, from the amount otherwise due under this section.

(3) For the purpose of subsection (2):

(a) "paid-in capital stock" as to a mutual or reciprocal insurer shall be deemed to be an amount equal to 10% of the insurer's assets; and

(b) "Montana securities" shall be deemed to include only general obligations of the state of Montana or of its political subdivisions, mortgage loans secured by a first lien upon real estate located in Montana, *funds invested in certificates of deposit in a bank or building and loan association located in Montana and whose deposits are insured by an agency of the United States or an insurer approved by the department of commerce,* and real estate located in Montana owned by the insurer, all if otherwise lawful investments of the insurer under this code.

HeinOnline -- 1983 vol. I 584 1983

(4) (a) On or before March 1 of each year each insurer shall file with the commissioner, on forms as prescribed and furnished or accepted by him, a report of its gross underwriting profit on wet marine, inland marine, and transportation insurance, authorized in 33-1-209 and 33-1-221 through 33-1-229, written in this state during the calendar year next preceding and shall at the same time pay to the commissioner a tax of ¾ of 1% of such gross underwriting profit.

(b) Such gross underwriting profit shall be ascertained by deducting from the net premiums (i.e., gross premiums less all return premiums and premiums for reinsurance) on such wet marine and transportation insurance contracts the net losses paid (i.e., gross losses paid less salvage and recoveries on reinsurance ceded) during such calendar year under such contracts. In the case of insurers issuing participating contracts, such gross underwriting profit shall not include for computation of the tax prescribed by this subsection (4) the amounts refunded, credited, or paid as participation dividends or savings by such insurers to the holders of such contracts.

(5) That portion of the tax paid hereunder by an insurer on account of premiums received for fire insurance shall be separately specified in the report as required by the commissioner, for apportionment as provided by law. Where insurance against fire is included with insurance of property against other perils at an undivided premium, the insurer shall make such reasonable allocation from such entire premium to the fire portion of the coverage as shall be stated in such report and as may be approved or accepted by the commissioner.

(6) With respect to authorized insurers the premium tax provided by this section shall be payment in full and in lieu of all other demands for any and all state, county, city, district, municipal, and school taxes, licenses, fees, and excises of whatever kind or character, excepting only those prescribed by this code, taxes on real and tangible personal property located in this state, and taxes payable under 50-3-109.

(7) The commissioner may suspend or revoke the certificate of authority of any insurer which fails to pay its taxes as required under this section."

The payments under any such bonds or agreement shall be from such revenues, fees, and income as are lawfully available to the board of regents to pay the costs of facilities to be financed by the long-range building program bonds hereby authorized or to pay debt service on obligations of the board of regents incurred with respect to such facilities and costs. All agreements or bond arrangements entered into between the board of regents and the department of administration will specifically require the board to maintain debt service payments and the reserve requirement to the long-range building *debt service* fund. If enrollment reductions should endanger these payments, the regents shall insure continued payments through budget adjustments which include fee increases.

HeinOnline -- 1983 vol. I 597 1983

With the approval of the board of examiners, any undertaking and the payments thereunder may be subordinated to other obligations of the board of regents upon such terms as the board of examiners considers appropriate. Nothing in this title conflicts with Title 23, U.S.C., and the rules by which it is administered.

(5) Money credited to the snowmobile account may be used only to develop and maintain facilities open to the general public at no admission cost and to promote snowmobile safety. For the 2 years following July 1, 1977, 15% of the amount deposited in the snowmobile *account* each year shall be used to promote snowmobile safety. The state reserves the right to modify from time to time the nature and amount of special taxes and other revenues pledged and appropriated to the water development *debt service fund*, provided that the aggregate resources so pledged and appropriated are determined by the legislature to be sufficient for the prompt and full payment of the principal of and interest and redemption premiums when due on all bonds payable from that *fund* and provided that the pledge of the full faith and credit and taxing powers of the state for the security of all such bonds shall be and remain irrevocable until they are fully paid.

(2) Money in the water development *debt service fund* must be used first, to pay interest, principal, and redemption premiums when due and payable with respect to water development bonds; second, to accumulate a reserve for the further security of such payments, to the amount required each month to meet those payments due within 12 months thereafter; and third, to restore the reserve to this amount after each payment.

(3) After the reserve provided for in subsection (2) has been accumulated in the water development *debt service fund*, money at any time received in the water development *debt service fund* in excess of that amount must be transferred by the treasurer to the water development

state special revenue account. If the balance on hand at any time in the water development *debt service fund* is not sufficient to accumulate required reserves under subsection (2) and is not restored to the required amount within 3 months thereafter from funds specifically pledged and appropriated to the water development *debt service fund*, the treasurer in accordance with the pledge of the full faith and credit and taxing powers of the state shall transfer an amount sufficient to restore the required balance from the general fund to the water development *debt service fund*."

The board of examiners may also issue refunding bonds to refund outstanding bonds before maturity for the purpose of reducing the interest cost or the total amount of principal and interest payable thereon.

(2) No refunding bonds may be issued and sold more than 3 months before all bonds refunded thereby mature or are called for redemption unless the proceeds thereof, with any other funds in the water development *debt service fund* that are needed and available for the purpose or securities purchased from such proceeds and other funds, are deposited with a suitable banking institution within or outside the state, in escrow, for the retirement of the refunded bonds at maturity or at a prior date or dates on which they have been called for redemption in accordance with their terms, in an amount and in a manner sufficient under the provisions securing the refunded bonds, so that the state's obligation to pay the same, from sources other than the escrow fund, is discharged.

(3) No new debt may be created by the issuance of refunding bonds in accordance with this section, but such refunding bonds shall evidence the debt previously created and shall be secured by the pledge of the full faith and credit and taxing powers of the state and by the further provisions of this part in the same manner as the bonds refunded thereby."

Section 45. Section 85-1-623, MCA, is amended to read:

(2) Upon the commissioner's determination that the delay is a general course of business practice and for a year thereafter unless earlier rescinded by the commissioner, all claims for benefits not paid by that insurer within 30 working days after receipt by the insurer, without good reason as determined by the commissioner, shall obligate the insurer to pay interest at 18% a year from the date the commissioner determines that the delay became unreasonable.

(2) The administrative penalty imposed for violations of [this act] may not exceed $1,000 for each separate violation.

(3) If an insurer can demonstrate that it has consistently paid 90% of the total amount outstanding in claims within 20 working days and all of the amount within 30 working days of receipt of claims during the 6-month period immediately preceding the hearing date, the insurer is not subject to the fine imposed under subsection (2).

CHAPTER NO. 310

AN ACT TO DIRECT THE DEPARTMENT OF ADMINISTRATION TO WORK TOWARD THE GOAL OF ESTABLISHING A STANDARD OF EQUAL PAY FOR COMPARABLE WORTH AND TO REQUIRE THE DEPARTMENT TO REPORT TO THE LEGISLATURE THE STATUS OF THE STANDARD UNDER THE STATE CLASSIFICATION PLAN AND PAY SCHEDULES.

WHEREAS, Article II, section 4, of the Montana Constitution prohibits discrimination against any person in the exercise of his or her civil rights on the basis of sex; and

WHEREAS, Montana laws prohibit compensation of women "less than that paid to men for equivalent service"; and

WHEREAS, pay disparities between men and women still exist in Montana in general and in state government in particular because of both overt sex discrimination and subtle biases which, although more difficult to recognize, inherently undervalue the work of women; and

WHEREAS, statistics for state government employees in Montana reveal that, for the 15-month period ending March 31, 1982:

(1) the average female employee earned only 69.4% as much as the average male employee;

(2) females held 90.2% of all clerical positions, 32.5% of all professional positions, 17.8% of all managerial positions, and 1.7% of all skilled craft jobs; and

(3) compared to large private-sector employers in Montana (in 1978), a woman employed by state government is half as likely to be a professional or managerial employee as her private-sector colleague; and

WHEREAS, studies being conducted throughout the states are revealing that jobs dominated by women are accorded less value than comparable jobs dominated by men; and

HeinOnline -- 1983 vol. I 624 1983

WHEREAS, state government in Montana should serve as a model for the equal employment opportunity that is required under the State's Constitution and state and federal statutes and by our basic commitment to human rights and human dignity.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Comparable worth.** The department of administration shall, in its continuous efforts to enhance the current classification plan and pay schedules, work toward the goal of establishing a standard of equal pay for comparable worth. This standard for the classification plan shall be reached by:

(1) eliminating, in the classification of positions, the use of judgments and factors that contain inherent biases based on sex; and

(2) comparing, in the classification of positions, the factors for determining job worth across occupational groups whenever those groups are dominated by males or females.

Section 2. **Status report.** The department of administration shall report to the legislature the status of the study of the comparable worth standard and the extent to which Montana's classification plan and pay schedules adhere to or fall short of the standard of equal pay for comparable worth. The department shall make recommendations to the legislature as to what impediments exist to meeting this standard. The department shall continue to make such reports until the standard is met.

Approved March 31, 1983.

(2) *(a)* Any member absent because of an employment-related injury which entitles him to workers' compensation payments may contribute to the retirement system, upon his return to service, *an amount* equal to the contributions which would have been made by him to the system on the basis of his compensation at the commencement of his absence *plus interest accruing from 1 year from the date after he returns to covered employment to the date he contributes for his period of absence.*

(b) Whenever a member elects to *contribute under subsection (2)(a)*, the employer shall contribute an amount equal to what its employer contributions would have been had the member not been absent from service. *In addition, the employer may contribute an amount equal to the interest accruing on the employer's contribution calculated in the same manner as interest on the employee's contribution under subsection (2)(a). The waiver is effective only upon approval by the board of his application for disability retirement. The board shall determine whether a member has become disabled under the provisions of 19-3-1003. Section 7. **Agreement not to relieve agency of duties.** No agreement made under [sections 1 through 12] may relieve any law enforcement agency of this state of any duty imposed upon it by law. Timely performance of such a duty by a joint board or other legal or administrative entity created by a mutual aid agreement may be offered in satisfaction of the duty.

HeinOnline -- 1983 vol. I 639 1983

the board. The application for membership will specify the loan limit which shall be subject to call of the corporation, but in no case shall the amount so specified exceed the limit provided for in this chapter. Each member of the corporation shall make loans to the corporation as and when called upon by it to do so on such terms and other conditions as shall be approved from time to time by the board of directors, subject to the following conditions:

(1) All loan limits shall be established at the thousand-dollar amount nearest the amount computed in accordance with the provisions of this section.

(2) No loan to the corporation shall be made if immediately thereafter the total amount of the obligations of the corporation to its members would exceed 10 times the amount then paid in on the outstanding capital stock of the corporation.

(3) The total amount outstanding on loans to the corporation made by any member at any one time, when added to the amount of the investment in the capital stock of the corporation then held by such member, shall not exceed:

(a) 20% of the total amount then outstanding on loans to the corporation by all members, including in said total amount outstanding amounts validly called for loan but not yet loaned;

(b) the following limit, to be determined on the basis of the *member's* balance sheet at the close of its *1982* fiscal year *and then redetermined periodically with the concurrence of the member*:

(i) 3% of the capital and surplus of commercial banks and trust companies;

(ii) 1% of the total outstanding loans made by a building and loan association;

(iii) 2% of the capital and unassigned surplus of stock insurance companies; and

(iv) such comparable limits as may be approved by the board of directors of the corporation for other financial institutions.

(4) The board of directors, on the request of any financial institution applying for membership and with the approval of one-half of the members that are the same type of financial institution as the applicant, may authorize a different loan limit than that set forth in subsection (3)(b).

(5) Subject to subsection (3)(a) of this section, each call made by the corporation shall be prorated among the members of the corporation in substantially the same proportion that the adjusted loan limit of each member bears to the aggregate of the adjusted loan limits of all members. The adjusted loan limit of a member shall be the amount of such member's loan limit, reduced by the balance of outstanding loans made by such member to the corporation and the investment in capital stock of the corporation held by such member at the time of such call.

HeinOnline -- 1983 vol. I 640 1983

(6) All loans to the corporation by a member shall be evidenced by bonds, debentures, notes, or other evidences of indebtedness of the corporation, which shall be freely transferable at all times and which shall bear interest at a rate of not less than ¼ of 1% in excess of the rate of interest determined by the board of directors to be the prime rate prevailing at the *time.*"

Section 4. Section 32-4-304, MCA, is amended to read:

"**32-4-304. Surplus.** Each year the corporation shall set apart as earned surplus not less than 10% of its net earnings for the preceding fiscal year until such surplus shall be equal in value to *50%* of the amount paid in on the capital stock then outstanding. Whenever the amount of surplus established herein shall become impaired, it shall be built up again to the required amount in the manner provided for its original accumulation. Net earnings and surplus shall be determined by the board of directors, after providing for such reserves as said directors deem desirable, and the directors' determination made in good faith shall be conclusive on all persons."

Section 5. **Code commissioner instruction.** Whenever a reference to a "Montana development credit corporation" is contained in any new material enacted by the 48th legislature, the code commissioner is instructed to delete the word "credit" from the reference for consistency with SB 125.

Section 6. **Effective date.** This act is effective on passage and approval.

Approved April 2, 1983.

CHAPTER NO. 321

AN ACT REVISING THE SUNSET PROVISIONS CONCERNING STATE AGENCIES; ELIMINATING THE 6-YEAR LIMITATION ON REESTABLISHING AGENCIES OR PROGRAMS; ESTABLISHING A PROCEDURE FOR SPECIFYING AGENCIES AND PROGRAMS TO BE REVIEWED; AMENDING SECTIONS 2-8-101, 2-8-102, 2-8-111 THROUGH 2-8-113, 2-8-121, AND 2-8-122, MCA; REPEALING SECTIONS 2-8-103 AND 2-8-104, MCA; AND PROVIDING EFFECTIVE DATES.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Determination of agencies and programs to be reviewed.** (1) Before September 1 of each even-numbered year, the governor may furnish the legislative audit committee with a list of his recommendations for agencies and programs to be terminated and subject to a performance audit during the next biennium pursuant to the provisions of this chapter. The list must be prioritized and must set forth the governor's reasons for recommending each agency or program for review.

HeinOnline -- 1983 vol. I 641 1983

(2) The legislative audit committee shall review the list submitted by the governor, suggestions from legislators and legislative committees, staff recommendations, and any other relevant information and compile recommendations of agencies and programs to be terminated and subject to a performance audit. The committee shall submit its recommendations to the next legislature in the form of a bill terminating those designated agencies and programs at the times specified in the bill and requiring a performance audit of each agency and program under the provisions of Title 2, chapter 8, within the time specified and prior to termination.

Section 2. Section 2-8-101, MCA, is amended to read:

"2-8-101. Purpose. (1) The legislature finds state government actions have produced a substantial increase in numbers of agencies, growth of programs, and proliferation of rules. The legislature questions whether conditions causing the establishment of these agencies, programs, and rules have not changed to such an extent as to remove the need for some or all of the agencies, programs, and rules.

(2) It is the intent of the legislature, by establishing a system of periodic evaluation of the need for and the performance of agencies *or programs* preparatory to termination, modification, or reestablishment, to be in a better position to ensure as follows:

(a) The executive department is responsive to the needs of all of the people of the state.

(b) No agency, program, or rule exists which is not responsive to those needs.

(c) No profession, occupation, business, industry, or other endeavor is subject to the state's regulatory power unless the exercise of such power is necessary to protect the public health, safety, or welfare from significant and discernible harm or damage. The exercise of the state's police power shall be done only to the extent necessary for that purpose.

(d) The state may not regulate a profession, occupation, industry, business, or other endeavor in a manner which will unreasonably adversely affect the competitive market.

(e) There exists a systematic legislative review of the need for and public benefits derived from a program or function by a periodic review and termination, modification, or reestablishment of such programs and functions."

Section 3. Section 2-8-102, MCA, is amended to read:

"2-8-102. Definitions. As used in this part, the following definitions apply:

(1) "Agency" means an office, position, commission, committee, board, department, council, division, bureau, section, or any other entity or instrumentality of the executive department of state government.

(2) "Performance audit" means an examination of the effectiveness of administration and its efficiency and adequacy in terms of the program of

HeinOnline -- 1983 vol. I 642 1983

a state agency authorized by law to be performed and the conformance of expenditures with legislative intent. Audits conducted shall include an analysis of the operation of the agency with special regard to the duplication of efforts between the audited agency *or program* and other agencies *or programs* and the quality of service being rendered.

(3) "Program" means any legislatively or administratively created function, project, or duty of an agency."

Section 4. Section 2-8-111, MCA, is amended to read:

"2-8-111. Prereview agency responsibilities. An agency *designated for termination or whose program or programs are* designated for termination shall by 22 months preceding the date set for termination:

(1) delineate *the* goals of *the* programs, which goals reflect the state's constitution, statutes, and authoritative judicial, legislative, and executive decisions or pronouncements;

(2) delineate *the* objectives of *the* programs and layout clearly enough to be tested, the logic in the assumptions linking expenditures to outcome anticipated, outcome anticipated to objectives, and objectives to impact on problems addressed in goals;

(3) furnish to the legislative auditor upon request of the auditor the information necessary to conduct a performance audit as required by this chapter."

Section 5. Section 2-8-112, MCA, is amended to read:

"2-8-112. Legislative audit committee review and report — review criteria. (1) The legislative audit committee is responsible for *conducting* a review of each agency *or program* scheduled for termination. The review shall be completed at least 6 months prior to the date set for termination. *If for any reason a review of an agency or program cannot be completed as required by this chapter, the legislative audit committee shall submit a proposed bill for the ensuing legislative session to reestablish the agency or program.*

(2) The review conducted shall include a performance audit of the agency *or program with emphasis on its effect on the public health, safety, and welfare.*

(3) The legislative audit committee shall assist in the implementation of the provisions of this part and shall establish administrative procedures which facilitate the review and evaluation as required in this part.

(4) Upon completion of its review, the legislative audit committee shall make a report of its recommendations for continuation, modification, or termination and submit a proposed bill for the ensuing legislative session. If termination is recommended, the bill should repeal or otherwise deal with all statutes and parts of statutes *relating to* the *agency's or program's activities."*

Section 6. Section 2-8-113, MCA, is amended to read:

HeinOnline -- 1983 vol. I 643 1983

"2-8-113. Hearings by standing committee — criteria for termination. (1) Prior to *termination* of an agency *or program*, the appropriate standing committee in each house of the legislature or a joint committee of both houses composed of members of the standing committee assigned to conduct the hearing shall hold a public hearing, receiving testimony from the public and the head of the department to which the agency *or program* involved is attached, the head of the agency involved, and persons who conducted the review.

(2) In the event termination *of an agency or program* is recommended by the legislative audit committee, the agency *involved in the termination* has the burden of demonstrating a public need for *the agency's or program's* continued existence and the extent to which a change in the composition, structure, and operation of the agency *or program* would *improve* public health, safety, or welfare.

(3) In determining whether to reestablish an agency *or program*, the legislature shall consider the performance audit and review conducted by the legislative audit committee, the public testimony responsive to the questions set forth in subsection (2) of 2-8-112, and other matters considered relevant by the committee."

Section 7. Section 2-8-121, MCA, is amended to read:

"2-8-121. Effect of termination. Unless otherwise provided, upon termination, each agency, *program*, or unit shall continue in existence until July 1 of the next succeeding year for the purpose of winding up its affairs. During the windup period, termination does not reduce or otherwise limit the powers or authority of each respective agency *or program* except that no action may be taken which would continue in effect beyond the 1-year windup period. Upon the expiration of the 1 year after termination, each agency *or program* not modified or reestablished shall be abolished and all unexpended balances of appropriations, allocations, or other funds shall revert to the fund from which they were appropriated or, if that fund is abolished, to the general fund."

Section 8. Section 2-8-122, MCA, is amended to read:

"2-8-122. Reestablishment. (1) Any agency *or program* scheduled for termination under this part or any subsequent act may be reestablished by the legislature.

(2) No more than one agency *or program* may be continued or reestablished in any bill for an act, and the agency *or program* shall be mentioned in the bill's title."

Section 9. **Repealer.** (1) Section 2-8-103, MCA, is repealed.

(2) Section 2-8-104, MCA, is repealed.

Section 10. **Codification instruction.** Section 1 is intended to be codified as an integral part of Title 2, chapter 8, and the provisions of Title 2, chapter 8, apply to section 1.

HeinOnline -- 1983 vol. I 644 1983

Section 11. **Effective dates.** (1) Sections 1 through 9, except subsection (1) of section 9, are effective upon passage and approval.

(2) Subsection (1) of section 9 is effective July 1, 1983.

Approved April 2, 1983.

"**30-10-107. Administration.** (1) The administration of the provisions of parts 1 through 3 of this chapter shall be under the general supervision and control of the state auditor, the ex officio securities commissioner. The commissioner may from time to time make, amend, and rescind such rules and forms as are necessary to carry out the provisions of parts 1 through 3 of this chapter. No rule or form may be made unless the commissioner finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provisions of parts 1 through 3 of this chapter. In prescribing rules and forms the commissioner may cooperate with the securities administrators of the other states and the securities and exchange commission with a view to effectuating the policy of parts 1 through 3 of this chapter to achieve maximum uniformity in the form and content of registration statements, applications, and reports wherever practicable.

(2) It is unlawful for the commissioner or any of his officers or employees to use for personal benefit any information which is filed with or obtained by the commissioner and which is not made public. No provision of parts 1 through 3 of this chapter authorizes the commissioner or any of his officers or employees to disclose any such information or the fact that any investigation is being made, except among themselves or when necessary or appropriate in a proceeding or investigation under parts 1 through 3 of this chapter.

(3) No provision of parts 1 through 3 of this chapter imposing any liability applies to any act done or omitted in good faith in conformity with any rule, form, or order of the commissioner, notwithstanding that the rule

or form may later be amended or rescinded or be determined by judicial or other authority to be invalid for any reason.

(4) Every hearing in an administrative proceeding shall be public unless the commissioner in his discretion grants a request joined in by all the respondents that the hearing be conducted privately.

(5) A document is filed when it is received by the commissioner. The commissioner shall keep a register of all applications for registration and registration statements which are or have ever been effective under parts 1 through 3 of this chapter and all denial, suspension, or revocation orders which have ever been entered under parts 1 through 3 of this chapter. The register shall be open for public inspection. The information contained in or filed with any registration statement, application, or report may be made available to the public under such rules as the commissioner prescribes.

(6) Upon request and at such reasonable charges as he prescribes, the commissioner shall furnish to any person photostatic or other copies (certified under his seal of office if requested) of any entry in the register or any document which is a matter of public record. In any proceeding or prosecution under parts 1 through 3 of this chapter, any copy so certified is prima facie evidence of the contents of the entry or document certified.

(7) To serve the purposes of 30-10-102, the commissioner may cooperate with the securities and exchange commission, the commodity futures trading commission, the securities investor protection corporation, any national securities exchange or national securities association registered under the Securities Exchange Act of 1934, any national or international organization of securities officials or agencies, and any governmental agency, corporation, or body."

Section 6. Section 30-10-209, MCA, is amended to read:

"30-10-209. Fees. The following fees shall be paid in advance under the provisions of parts 1 through 3 of this chapter:

(1) (a) For the registration of securities by notification, coordination, or qualification, there shall be paid to the commissioner for the first year of registration a registration fee of $200 for the first $100,000 of initial issue or portion thereof in this state, based on offering price, plus 1/10 of 1% for any excess over $100,000, with a maximum of $1,000.

(b) Each year thereafter, a registration of securities may be renewed, prior to its termination date, for an additional year upon consent of the commissioner and payment of an additional registration fee to be computed at 1/10 of 1% of the aggregate offering price of such securities which are to be offered in this state during that year, even though the maximum fee was paid the preceding year. In no event shall the additional registration fee be less than $100 or more than $1,000. The registration statement for such securities may be amended to increase the amount of securities to be offered.

(c) A registration of securities may be renewed after its termination date upon payment of the additional registration fee and a late renewal fee

HeinOnline -- 1983 vol. I 653 1983

of $50. The late renewal fee may be waived by the commissioner upon a showing of good cause.

(d) For filing an annual statement, a posteffective amendment to a registration of securities, or a name change, the fee shall be $10.

(e) When an application for registration of securities is denied or withdrawn, the commissioner shall retain the fee.

(2) (a) For registration of a broker-dealer or investment adviser, the fee shall be $200 for original registration and $200 for each annual renewal.

(b) For registration of a salesman, the fee shall be $50 for original registration with each employer, $50 for each annual renewal, *and $50 for each transfer.*

(c) When an application for registration as a broker-dealer, salesman, or investment adviser is denied or withdrawn, the commissioner shall retain the fee.

(d) For filing posteffective amendments to a registration of a broker-dealer, salesman, or investment adviser, the fee shall be $10, except that there is no fee for filing an address change of a salesman or a notice of disciplinary action.

(3) For certified copies of any documents filed with the commissioner, the fee shall be the cost to the department.

(4) For a request for an exemption *under 30-10-105(16), the fee shall be established by the commissioner by rule. For a request for any other exemption*, the fee shall be $50."
